

## What do I need to know about my Community Council?

- The Layton High Community Council consists of school employees and parents/guardians who work closely together to improve our school.
- Community Council members are elected for a term of two years.
- The Layton High Community Council, in accordance with state law, will do the following:
  1. Advise and make recommendations to school and district administration and the local school board on local school and district issues.
  2. Review testing data and other reliable data to determine the needs of the students.
  3. Assist in the creation of the School Improvement Plan and apply funds from the School LAND Trust Program to the most critical academic needs of the school.
