Suspension and Expulsion/Due Process

Definitions

The Governing Board recognizes that maintaining an environment that promotes learning and protects the health, safety, and welfare of all students may require the suspension or expulsion of a student from regular classroom instruction. District policies and school site rules shall clearly identify district behavior standards.

Except in cases where suspension for a first offense is warranted in accordance with law, suspension shall be imposed only when other means of correction fail to bring about proper conduct. (Education Code 48900.5)

Expulsion is an action taken by the Board for severe or prolonged breaches of discipline by a student. Except for single acts of a grave nature, expulsion is usually used only when there is a history of misconduct, when other forms of discipline, including suspension, have failed to bring about proper conduct, or when the student's presence causes a continuing danger to other students. (Education Code 48915)

The grounds for suspension and expulsion and the procedures for considering, recommending and/or implementing suspension and expulsion shall be specified in Board Procedure.

Each principal shall annually inform all students and parents/guardians of the school's discipline rules and procedures and of the availability of all district policies and regulations dealing with student discipline, suspension and expulsion. (Education Code 35291, 35291.5)

Suspended or expelled students shall be excluded from all school-related extracurricular activities during the suspension or expulsion.

Student Due Process

The Board shall provide for the fair treatment of student facing suspension and expulsion by affording them their due process rights under the law. The administration and staff shall comply with procedures

for notices and appeals as specified in regulation. Procedures governing student due process shall conform in all aspects to provisions in law.

Suspension and Expulsion/Due Process

Whenever a student is suspended, school officials may (but are not required to) meet with the parent/guardian to discuss the causes and duration of the suspension, the school policy involved, and any other pertinent matters.

Required Parental Attendance

The Board believes that parental involvement plays an important role in the resolution of classroom behavior problems. The Board expects that teachers will communicate with parents/guardians when behavior problems arise.

Whenever a student is suspended from a class because he/she committed an obscene act, engaged in habitual profanity or vulgarity, disrupted school activities or otherwise willfully defied valid staff authority, the teacher of the class from which the student was suspended may require the student's parent/guardian to attend a portion of a school day in that day. After completing the classroom visit and before leaving school premises, the parent/guardian also shall meet with the principal or designee.

The Board encourages teachers, before requiring parental attendance, to make reasonable efforts to have the parent/guardian visit the class voluntarily. The teacher also may consider informing the parent/guardian about available resources that may provide help in parenting skill development. Teachers should reserve the option of required parental attendance for cases in which they have determined that it is the best strategy to promote positive interaction between the student and the parent/guardian and to improve classroom behavior.

Parental attendance may be required on the day the student returns to class or within *one week* thereafter. The principal or designee shall contact any parents/guardians who do not respond to the request to attend school. The Board recognizes that parental compliance with this policy may be delayed, modified or prevented by serious illness/injury/ disability, absence from town, or inability to get certain release time from work.

The teacher shall apply this policy uniformly to all students within the classroom. This policy shall apply only to a parent/guardian who actually lives with the student.

District regulations and school site rules for student discipline shall include procedures for implementing parental attendance requirements.

Parents/guardians shall be notified of this policy before it is implemented and at the beginning of each subsequent school year.
