ANDERSON ISLAND ELEMENTARY

Good afternoon, Eagle Families,

May, 17, 2024

I hope you're doing well and are ready for the weekend. It's been another fantastic week here at school, and I am excited to share some highlights and important reminders with you.

A Colorful Addition to Our School Grounds

This week, our students had the fantastic opportunity to participate in a collaborative art project. We painted a beautiful mural outside, and each student got to leave their mark by adding their handprint. The mural looks fantastic and truly represents the creativity and spirit of our Eagles. I encourage you to stop by and admire the artwork the next time you're at school.

Upcoming State Testing for 3rd Grade State testing is just around the corner. Please ensure your child is well-rested and has a nutritious breakfast on test days. I greatly appreciate your support in preparing them for this important assessment.

Field Trips

We have some exciting field trips planned:

1. **Tour of Saltar's Point** - Friday, May 31 (3rd Grade): This will be a fantastic educational experience for our 3rd-graded students as they explore and learn about the history and environment of Saltar's Point.
2. **Beach Field Trip** - Friday, June 7 (All Students): We will be heading to the beach for a day of fun and learning for all our students. Prepare your child with appropriate clothing, sunscreen, and a packed lunch if they are not having the FREE picnic lunch provided by Sodexo and Booster Club.

As we head into the weekend, I want to remind everyone to take some time to rest and recharge. Make sure we get outside, enjoy the beautiful weather, and keep reading.

Have a wonderful weekend!

See you all next week.

Mr. Miller

End of the School Year Celebration & Ice Cream Social Wednesday, June 12, 5 p.m.
