MESSAGE FOR IN-PERSON ATTENDEES

TRANSLATIONS: Spanish translation of the meeting shall be provided to anyone who so desires. Please advise the secretary seated next to the Superintendent at the dais.

SPEAKING AT BOARD MEETINGS: The public is encouraged to speak to the Board on issues of concern whether or not the issue(s) is/are on the agenda. To address the Board, please complete a Speakers Card (available at the entrance) and give it to the secretary. If you wish to speak to the Board on a subject listed on the Agenda, you will be called to the podium at the time that item is being considered by the Board. If the item is not on the agenda, you will be called to the podium during Oral Communication. Public comments are limited to 3 minutes per person per topic unless otherwise noted.

CHANGES OR ADDITIONS TO THE AGENDA: Consent Items are voted on simultaneously with one motion and are not debated or discussed by the Board. The action indicated on each item is deemed to have been considered in full and action will be taken as worded in the item. If a Board Member or the Superintendent so requests, any item can be moved in order or removed entirely from the Agenda. If you want to discuss an item, please let us know with a Speakers Card before we change the Agenda, so we can keep it out of Consent Items.

ELECTRONIC DEVICES: Please turn the sound off on all cell phones, pagers and other electronic devices, to avoid disrupting these proceedings.

ONLINE BOARD PACKETS: As of March 2011 we no longer produce printed board packets. Any member of the public may access board documents at: <https://go.boarddocs.com/ca/redwood/Board.nsf/Public>. If you would like to follow along during the meeting and you are inside the board room, you may utilize our Wi-Fi network: rcsdguest (no password required).

Subject	10.1 Approval of the Contract with Quattrocchi Kwok Architects for Facilities Master Planning for Measure S District Wide
Meeting	May 22, 2024 - Board of Trustees Regular Meeting - 7:00pm
Category	10. Bond Program Action Items - 15 min
Access	Public
Type	Action
Recommended Action	It is the Administration's recommendation that the School Board approve the contract between Quattrocchi Kwok Architects and the Redwood City School District for Facilities Master Planning.
Goals	6. Manage bond construction projects on time and on budget.

Rationale: K-12 School Districts in California must have an up-to-date Facilities Master Plan that outlines the long-term facilities' goals and needs for all the sites in the District. Districts typically update their Master Plans every three to five years, and it has been longer than that for Redwood City School District. Additionally, with the passage of Measure S, the District desires a well-thought-out approach to selecting projects, developing needs assessments, and executing the Bond Measure. With that said, this process will also be open and inclusive of the community, with several touchpoints, opportunities for input, and chances for community engagement. This community engagement and input from RCSD staff and administration will help guide the selection of projects for the new Bond Measure.

The Facilities and Construction team issued an RFP/Q to the District's pool of Architects and received five responses from highly qualified architecture and engineering firms to provide Facilities Master Planning services. Upon reviewing the proposals, the District's bond team recommends selecting Quattrocchi Kwok Architects (QKA) to complete the master planning services. QKA provides the best combination of schedule, scope of work, and past execution of similar projects while still maintaining competitive pricing. Initial planning meetings will begin immediately to complete the master plan in January 2025. While the Master Plan is planned to be completed in January, this does not mean the Bond team will not begin to execute projects immediately. Key projects will rise to the top and have the majority support of district staff, community, and students; these projects can begin as soon as identified.

Financial Impact: The total contract of \$383,439 will be paid out of the Measure S fund.

Submission for Approval

11. School/Community Reports - 40 min

Subject	11.1 Report on Recent Panorama Climate Survey: Spring Administration Results and Comparison to Fall Administration results
Meeting	May 22, 2024 - Board of Trustees Regular Meeting - 7:00pm
Category	11. School/Community Reports - 40 min

Access Public

Type Information

Rationale: The School Board will receive information regarding the Spring Panorama Climate Survey results for students, families, teachers, and school staff.

The Panorama Climate Survey has been administered yearly in the Redwood City School District to ascertain the perception of students (grades 3 - 8), families (all families), and school staff in regard to school climate and culture, positive relationships, and school safety.

Items in the school climate and culture section measure the social and learning climate of the school environment, including rules and norms, behaviors, student engagement, and physical facilities. In the positive relationships section of questions, social connectedness and interpersonal relationships between students and teachers (like the sense of belonging and valuing of school) are measured. School safety questions relate to the physical and psychological climate and safety at school, including questions about bullying, violence, and the availability of support for students.

When compared with fall survey results, Panorama spring results, across all survey-taking groups, show a decline in favorable responses.

Additional items were added to the Panorama Climate Survey to cover items related to drug and alcohol use that have been surveyed historically in the California Healthy Kids Survey. This change was made in order to reduce the number of surveys students were taking at the end of the year, in addition to state and local testing. While not displayed in the slides, the data from the Alcohol, Tobacco, and Drug (ATOD) portion of the Panorama survey showed that there is a high perception of peer and high school ATOD use. The data shows a wide gap in actual use versus perceived use amongst peers. This can lead to drug prevention opportunities partnering with teachers and local agencies to discuss with students about their thoughts around actual vs perceived norms, perceptions vs misperceptions, and why they're important to student health and also decision-making and peer support for non-use. This data will also give feedback to the high school program for incoming 9th-grade students that will help them to develop discussions around ATOD with students regarding the perceived notions about high school and how to make the right choice.

Financial Impact: Contract for Panorama \$20,000

Recommended Action	It is the Administration's recommendation that the School Board approve the agreement between the Redwood City School District and Casa Circulo Cultural for the 2024 Summer Session.

Goals

5. Expand and strengthen partnerships to increase access to preschool, before and after school summer programs.

Rationale: This agreement is made between the Redwood City School District and Casa Circulo Cultural to provide Summer Program for 60 unduplicated RCSD students at their Middlefield building. The term for this agreement is from June 24, 2024, through August 1, 2024, to reflect and align with the Community Schools Department grants and payment cycles.

Financial Impact: The contract amount is not to exceed \$80,179.00.

The funding will come directly from the ELOP budget with no financial impact on RCSD general or concentrated funds. The school district is the fiscal agent for the grant(s).

Subject 13.5 Approval of the 2024 Educational Services to Expelled Students Plan

Meeting May 22, 2024 - Board of Trustees Regular Meeting - 7:00pm

Category 13. Consent Items - 1 min

Access Public

Type Action (Consent)

Recommended Action It is the Administration’s recommendation that the School Board approve the 2024 Educational Services to Expelled Students Plan.

Rationale: California Education Code (EC) Section 48926 requires county superintendents, in conjunction with superintendents of school districts within the county, to develop a plan for providing educational services to all expelled pupils in that county. The initial plan was to be adopted by the governing board of each school district within the county and by the county board of education and submitted to the State Superintendent of Public Instruction in 1997.

EC Section 48926 also requires that each county superintendent of schools, in conjunction with district superintendents in the county, submit a triennial update to that plan to the State Superintendent of Public Instruction.

EC Section 48926 provides that the plan shall enumerate existing educational alternatives for expelled pupils, identify gaps in educational services to expelled pupils, and strategies for filling those service gaps. The plan shall also identify alternative placements for pupils who are expelled and placed in district community day school programs, but who fail

to meet the terms and conditions of their rehabilitation plan or who pose a danger to other district pupils, as determined by the governing board.

The 2024 update to the Redwood City School District's Countywide Plan for Provision of Education Services to Expelled Students is attached.

Financial Impact: None at this moment.

Type	Action (Consent)
Recommended Action	It is the Administration's recommendation that the School Board approve the agreement for participation in the 2024-25 Outdoor Education Program between the Redwood City School District and the San Mateo County Office of Education.

Rationale: Each year fifth-grade students throughout the County have an opportunity to attend a week-long educational program with classes on outdoor science, conservation, and the environment held at Camp Jones Gulch near La Honda. Science is the primary focus of the Outdoor Education program and specific California Science standards are addressed. Students learn about the land, the sea, the forest, animals, habitats, and interrelationships. The week also provides students with firsthand experiences, skills, and knowledge in many subjects including social studies, mathematics, language arts, performing arts, and physical education.

The San Mateo Outdoor Education Program staff consists of one site director, fifteen naturalists, and classroom teachers who lead educational activities.

The Redwood City School District provides one teacher per thirty students and substitutes for the teachers who attend the program. The Outdoor Education coordinator recruits high school students as cabin leaders at a ratio of one to ten and oversees the program, works with principals, and arranges transportation.

The term of the agreement shall be from July 1, 2024, through June 30, 2025.

Financial Impact: The cost of the program is \$535.00 per student, \$510.00 for students who qualify for the national school breakfast and lunch program, and \$250.00 per teacher. However, teachers and students conduct numerous fundraisers to supplement the cost.
