

Open Enrollment is Coming Soon!

May 20 – May 31, 2024

Saratoga Union School District’s 2024 Open Enrollment begins soon! It will start on **Monday, May 20th** and will go through **Friday, May 31st**.

Open Enrollment is your annual opportunity to make your benefits choices for the upcoming plan year. During Open Enrollment, you can change your plan options and add or remove dependents from your coverage. Open Enrollment is also a good time to evaluate all of the available options to ensure your selections are right for you and your family. Even if your plan elections are not changing, you **must** re-elect your benefits, as they will not automatically roll over into the next plan year.

This year, the district will be adding a new dental plan option! A Dental Indemnity plan through Santa Clara County Schools’ Insurance Group (SCCSIG) will be offered alongside the current Dental Premium plan. There are no other carrier or plan changes to our health benefits for the upcoming plan year.

We encourage you to attend one of the Health & Welfare Open Enrollment webinars to find out more about your benefits for 2024-2025! Please refer to the schedule below to find a date and time that works best for you.
