MONTESSORI SCHOOL

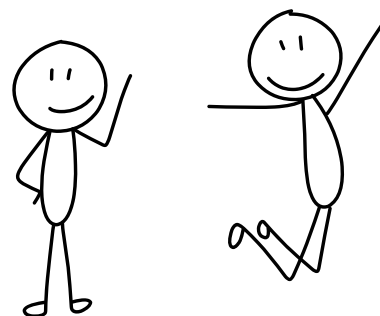

## STOP MOTION: MAKING POSABLE FIGURES with Chantal

**Date:** June 24 - 28, 2024

**Time:** 8:30 - 3 p.m.

**Ages:** 3rd - 6th graders

**Cost:** \$400

### About Stop Motion: Making Posable Figures:

We'll learn a variety of techniques for making poseable figures that can be used for stop motion animation or simply creative expression! This camp is an excellent precursor to stop motion animation camp. We'll learn about character design and take an idea from drawing to figure. We'll make durable wire armatures and explore techniques like needle felting, cotton batting wrapping, sculpting, and how to plan a character for movement.

### About Chantal:

Chantal is excited about helping kids learn to think critically and creatively about the artistic process and achieve their goals! For her, art can be a jumping off point to science and engineering, and learning to think critically about what materials are best for a given project helps kids build their independence and creativity. Besides all that, art is just plain fun!

## **Get into Nature: Plants and Ants (and other bugs)**

**Camp One:** June 24 - 28, 2024

**Camp Two:** July 22 - 26, 2024

**Time:** 8:30 - 3 p.m.

**Ages:** 1st - 3rd graders

**Cost:** \$400

### **About Get into Nature: Plants and Ants**

The camp is all about getting outside, being one with our natural world, and getting to know it's inhabitants. Our days will be spent planting, gardening and walking around the neighborhood looking at plants and studying all things that grow, crawl, or fly.

**Instructor information coming soon!**

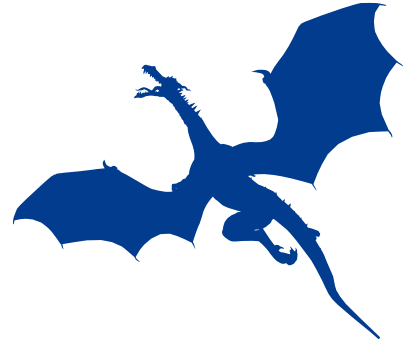

## BIG PROJECTS with Chantal

**Date:** July 1 - 12, 2024 (NO CAMP 7/4 & 7/5)

**Time:** 8:30 - 3 p.m.

**Ages:** 2nd - 6th graders

**Cost:** \$740

### About Big Projects:

Ever walked past the art room and felt inspired by the huge cardboard dragon? In *Big Projects*, students will flex their creative muscles to transform recycled materials into huge moving sculptures, puppets, or wearable art. This is the camp for you if you start daydreaming about what you want to be for Halloween in July! We'll transform shredded paper into lightweight clay, learn to sculpt with cardboard, practice paper and cloth mache, and learn to think of existing papercraft patterns as a jumping off point for bigger things. Come with ideas to narrow down and plan to spend the camp bringing one big project to life!

### About Chantal:

Chantal is excited about helping kids learn to think critically and creatively about the artistic process and achieve their goals! For her, art can be a jumping off point to science and engineering, and learning to think critically about what materials are best for a given project helps kids build their independence and creativity. Besides all that, art is just plain fun!

## CRAFTY KIDS with Hannah and Mercedes

**Date:** July 8 - 12, 2024

**Time:** 8:30 - 3 p.m.

**Ages:** 1st - 5th graders

**Cost:** \$400

### About Crafty Kids:

In this camp with Hannah and Mercedes, children will explore their creative sides by planning and making arts and crafts projects tailored to each unique individual. Some days we will gather materials from the natural world to use by taking neighborhood walks, others we will spread out at the Greenspace and tie dye material or chase the sun to make sun prints. Each day will bring a new creative adventure!

### About Hannah and Mercedes:

Hannah and Mercedes have both been working with kids and doing crafty things for a long time. They love to make things and welcome any chance to express their creativity.

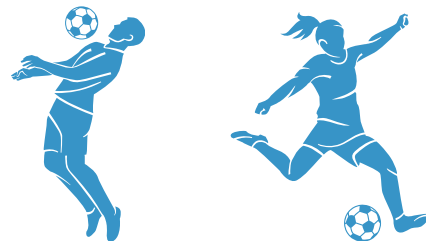

## MULTI-SPORT SOCCER & BASKETBALL with Skyhawk

**Date:** July 8 - 12, 2024

**Time:** 9 - 3 p.m.

**Ages:** 1st - 6th graders

**Cost:** \$400

### About Multi-Sport Soccer & Basketball:

Skyhawks Multi-Sport Soccer & Basketball camp is designed to introduce young athletes to a variety of different sports in one setting! Athletes will learn the rules and essential skills of each sport, along with vital life lessons such as sportsmanship, inclusion and teamwork.

### About Skyhawk:

Our company mission statement reads, "We teach life skills through sports." In addition to sports skills, we want to make sure your child walks away with an understanding of teamwork, respect, sportsmanship, responsibility, and leadership—all critical life lessons that strengthen children both on and off the court. Every day at every camp, our team is committed to making sure your child walks away from a Skyhawks program with new skills, new friends, and a lifelong love for a healthy, active lifestyle!

## CRAFTY WONDERLAND with Elena and Reine

**Camp One:** July 8 - 12, 2024

**Camp Two:** July 15 - 19, 2024

**Time:** 8:30 - 3 p.m.

**Ages:** 4th-6th graders (all skill levels welcome)

**Cost:** \$400 per camp

### About Crafty Wonderland:

Venture down the rabbit hole into Crafty Wonderland! Delve into a variety of glorious arts and crafts projects such as jewelry making, ceramics, painting, item customization, and the basics of hand sewing to make your own creations. Creative minds and DIY-ers are encouraged to join!

### About Elena and Reine:

Elena (she/her) and Reine (he/they) are both artists in their own right and are delighted to bring their shared love of fiber crafts and design to this camp! They believe it's important to teach kids the basics of art and craftsmanship not only to help explore and develop hobbies, but to also teach them important life skills they can use in the future.

## Nature and Gardening with Gabriella

**Date:** July 15 - 19, 2024

**Time:** 8:30 - 3 p.m.

**Ages:** 2nd - 6th graders

**Cost:** \$400 per camp

### About Nature and Gardening:

Welcome to Nature and Gardening! Dive into hands-on experiences like planting in our school greenhouse or caring for houseplants. Campers will explore the science of gardening, learning about plant life cycles and soil health. Our week-long camp includes interactive gardening sessions, nature walks, eco-friendly crafts, fostering a love for the environment, and learning skills to bring back to your gardens at home. Join us for a week of sunshine, the outdoors, and the joy of watching nature come to life.

### About Gabriella:

Hello! My name is Gabriella and I am excited to share my love of nature and gardening during this camp. I grew up in Oregon my whole life and the reason I always wanted to stay is the nature. I started gardening and taking care of plants with my grandparents who used to own a nursery in Willamina, Oregon when I was young. Being connected to nature brings me great joy and I am excited to share that joy with everyone this summer.

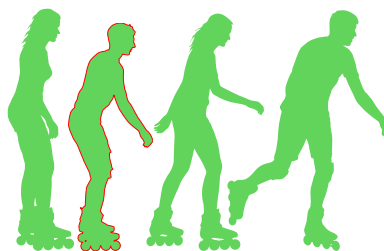

## STOP MOTION ANIMATION with Chantal

**Date:** July 15 - 19, 2024

**Time:** 8:30 - 3 p.m.

**Ages:** 1st - 6th graders

**Cost:** \$400

### About Stop Motion Animation:

Children will study a primer on the principals of animation and learn to create their own animatable figures, backdrops, and special effects. Working in groups, kids will collaborate to plan and complete a short animation.

### About Chantal:

Chantal is excited about helping kids to learn to think critically and creatively about the artistic process and to achieve their goals! For her, art can be a jumping off point to science and engineering, and learning to think critically about what materials are best for a given project helps kids build their independence and creativity. Besides all that, art is just plain fun.

## YOGA with Crissy

**Date:** July 15 - 19, 2024

**Time:** 8:30 - 3 p.m.

**Ages:** 2nd - 6th graders

**Cost:** \$400

### About Yoga:

Are you interested in learning about yoga? Have you practiced a bit of yoga but you want to learn more? Join us for a week of yoga exploration where we will move, play, breathe, relax and get silly with all things yoga! Students will learn the benefits of yoga poses for our body and our mind. We will research the history behind this ancient practice and have fun with yoga and movement games. Each child will have the opportunity to write their own relaxation story and lead a yoga practice if they choose. We would love for you to join Camp Yoga this summer!!

### About Crissy:

Hi, I am Crissy Day and I have practiced yoga with students of all ages for over 15 years! Teaching children the power and benefits of yoga is a true passion of mine, that began with teaching my own son when he was just a toddler. Since that time I created Yoga Sprout, a practice designed with young people in mind. I hold a Masters in Early Childhood Ed and a RYT E500 yoga certificate, this gives a great foundation to the curriculum of Yoga Sprout. We use imagination, story telling and dynamic sequences to get kids excited about the practice and keep them coming back for more!

## MINI-HAWK SOCCER, BASKETBALL, & BASEBALL with Skyhawk

**Date:** July 15 - 18, 2024

**Time:** 3 - 5:30 p.m.

**Ages:** 4 - 6 years old

**Cost:** \$200

### About Mini-Hawk Soccer, Basketball, & Baseball:

Skyhawks Mini-Hawk camp was developed to give children a positive first step into athletics. Sports are taught in a safe, structured environment filled with encouragement and fun. Through exciting games and activities, campers explore balance, hand/eye coordination and skill development at their own pace.

### About Skyhawk:

Our company mission statement reads, "We teach life skills through sports." In addition to sports skills, we want to make sure your child walks away with an understanding of teamwork, respect, sportsmanship, responsibility, and leadership—all critical life lessons that strengthen children both on and off the court. Every day at every camp, our team is committed to making sure your child walks away from a Skyhawks program with new skills, new friends, and a lifelong love for a healthy, active lifestyle!

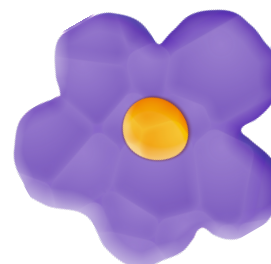

## POLYMER CLAY PRIMER with Chantal

**Date:** July 22 - 26, 2024

**Time:** 8:30 - 3 p.m.

**Ages:** 2nd - 6th graders

**Cost:** \$400

### About Polymer Clay Primer:

Kids will learn to work with polymer clay, a colorful material that can be baked into permanent creations in a home oven. Topics will include making and planning figures and animals and using millefiori to create patterns that can be made into beads. We'll cover the different varieties of clay available, and how to select the best one for the object you want to make. We'll explore how to create basic shapes with clay and use them to build a larger piece, and how to make foil and wire armatures to give our pieces structure.

### About Chantal:

Chantal is excited about helping kids learn to think critically and creatively about the artistic process and achieve their goals! For her, art can be a jumping off point to science and engineering, and learning to think critically about what materials are best for a given project helps kids build their independence and creativity. Besides all that, art is just plain fun!

## Theater Nature Camp with Leah and Connor

**Date:** July 22 - 26, 2024

**Time:** 8:30 - 3 p.m.

**Ages:** 2nd - 6th graders

**Cost:** \$400 per camp

### About Theater Nature Camp:

A theater adventure in the woods! We will go to Washington and Forest parks to learn acting basics and theater games as well as nature crafts, plant ID and survival skills! The students will write the script, act in the play, and make their own props and set pieces from forest materials. There will be a final performance at the end of the week for friends and family to enjoy!

### About Leah and Connor:

Connor and Leah both love nature and theater! Connor is a local actor who teaches at Oregon Children's Theater, while Leah has taught outdoor ed for many years and has lots of nature skills.

## WEARABLE ART: JEWELRY MAKING with Chantal

**Date:** July 29 - August 2, 2024

**Time:** 8:30 - 3 p.m.

**Ages:** 2nd - 6th graders

**Cost:** \$400

### About Wearable Art: Jewelry Making:

The perfect camp for kids fascinated by the spot where fashion and creativity meet. We'll learn the techniques to make earrings, necklaces, and pins, and discover fun ways to make our creations our own! We'll explore using millefiori and sculpting to make beads with polymer clay, a colorful material that can be baked into permanent creations in a home oven, and find ways to turn reusable materials into art when we make jewelry components from shrink plastic.

### About Chantal:

Chantal is excited about helping kids learn to think critically and creatively about the artistic process and achieve their goals! For her, art can be a jumping off point to science and engineering, and learning to think critically about what materials are best for a given project helps kids build their independence and creativity. Besides all that, art is just plain fun!

## Fiber art: Turning sheep's wool into clothing

### FIBER ART with Lynne

**Date:** July 29 - August 2, 2024

**Time:** 8:30 - 3 p.m.

**Ages:** 2nd - 4th graders

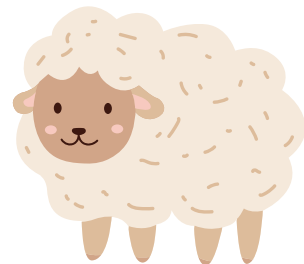

**Cost:** \$400

#### About Fiber Art:

Learn how to turn sheep's wool into wearable art! We'll be taking raw wool, fresh from the sheep, and learning how to turn it into yarn. Then we will use that yarn to knit or weave. From sheep to shawl, join us as we explore all the components of preparing fiber for spinning and knitting. Camp will include fiber prep (washing, carding, dying), how to use a drop spindle, an introduction to the spinning wheel, and your choice of learning knitting or weaving.

#### About Lynne:

Lynne Brown is a Montessori teacher who loves sharing her love of the fiber arts! She has been knitting since she was young and learned to spin yarn when she won fleece in a raffle many years ago. She has taught knitting to her children and students in the elementary class at Corvallis Montessori School. She is excited to share fiber art with students this summer!

## ELEMENTARY TRANSITION CAMP with Stephanie and Hannah\*

\*for enrolled Childpeace students

**Date:** July 29 - August 2, 2024

**Time:** 8:30 - 3 p.m.

**Ages:** incoming first years

**Cost:** \$400

### About Elementary Transition Camp:

In this camp, children who will begin first grade in fall 2024 are introduced to the environments and routines of the Lower Elementary. Children will work with transitional classroom materials, engage in individual and collaborative projects, and may get to know some of their future classmates while developing a sense of familiarity and comfort with a typical Lower Elementary schedule.

### About Stephanie and Hannah:

Hannah and Stephanie are long-time pros when it comes to the Elementary program at Childpeace! They can't wait to guide incoming Elementary first years into the next Montessori adventure.

## SUMMER STITCHFEST with Shanon and Pam

**Date:** August 5 - 9, 2024

**Time:** 8:30 - 3 p.m.

**Ages:** 1st - 4th graders

**Cost:** \$400

### About Summer Stitchfest:

Explore the world of fun fiber arts and sewing techniques, including hand sewing, weaving, embroidery, applique and felting! Together we will create projects like darling hand-sewn stuffies, embroidered and embellished bags, and colorful woven wall art. Fellow Childpeace staffer Pam Bishop will also show us how to incorporate printmaking techniques for fabulous hand-printed fabrics!

### About Shanon and Pam:

Shanon Schollian has been at Childpeace for over 20 years. She graduated from Pacific Northwest College of Art with an emphasis on fiber arts and has been featured in several exhibitions across the state. Shanon also instructs arts camp; crafts workshops for Multnomah County Libraries.

Pam has been a children's house guide with Shanon at Childpeace for many years. She loves all things outdoorsy in the pacific northwest which greatly influences her printmaking, photography and ceramics work. Pam is excited to share her printmaking and fiber work skills with this fabulous group of campers.
