Cafeteria Corner

I would like to remind parents/guardians that all meal charges **MUST** be paid in full prior to the last day of school. We have been very than lenient with charges as I do understand how difficult juggling bills can be. However, your WCV cafeteria bill should be addressed just as you do other bills. If you have any questions, please contact me. Thank you in advance for your continued support and have a great summer.

TRANSPORTATION NEWS

ANOTHER "SAFE AND SOUND" YEAR FOR TRANSPORTATION

As a parent you watch your children leave home in the morning and return in the afternoon on the school bus "safe and sound" from another day at school. That's just the way it has to be.

As your Transportation Supervisor I have the responsibility of overseeing upwards of 750 students that are transported every school day in a "safe and sound" manner using a fleet of 21 buses that travel close to 300,000 miles a year. I, like you, expect this to happen with all students being transported "safe and sound" every day. How do we accomplish this? It takes all of the following people and actions to make it work.

Every school day starts with the State, County, Township and Village highway departments making sure the roads are safe to travel on. Thank them for the great job they do.

The community support every year for the bus purchases is another important asset we have at West Canada. Our buses are the safest and most modern in the area. Thank you for the support.

The mechanics that maintain our bus fleet, they have obtained another year of success from New York State Department of Transportation for bus inspection. Each bus is inspected by a NY DOT inspector twice a year. Thank Shane Korniat and Eric Morse, our two mechanics, when you see them.

The bus drivers and monitors that are operating your children's bus are probably the most important ingredient of all to the "safe and sound" ride your children deserve. It is their personal judgment and skills that will ultimately assure your children ride the bus in a "safe and sound" manner every day. Thank them when you see them.

A big thank you from me to all the parents that make sure their children are loading and unloading safely and behaving on the bus so that a safe bus ride can be assured for all.

Congratulations Evan. ¡Excelente!

Isabella Coriale - Senior Chorus, Mr. Duffer - This is Bella's first year in Senior Chorus at West Canada Valley and she has raised the bar for leadership, musicianship and work ethic for her peers. WCV Elementary Highlights

Pictured here are some of our K-2 students who have received Morning Program's "Happy Camper" award. This award is given to students that exemplify respect and responsibility, kindness, and a strong work ethic.

Congratulations, Happy Campers!

Reading Safari was a huge success again this year! Nearly 300 Pre-K to 6th grade students read for six hours during a six week period and received tickets to Water Safari.

Thanks to Arts in Education and PTO funds each family received a copy of the Adirondack Kids Book #17, Spies on Castle Rock. We started off with **Adirondack Kids' Night Out**, hosted by the WCV PTO, where our students had a chance to meet the authors, Gary and Justin VanRiper. Gary VanRiper read the first chapter of the book. The authors visited again on March 28th and had a chance to speak to all of the students in grades K-6. They brought a special guest along for the 5th and 6th graders who learned about diving from Andy Beach of Adirondack Diving Adventures. Mrs. Maine set up a geocaching scavenger hunt in school to go along with the story. And thanks to Mrs. VanAernam and the cafeteria staff we ended the program with S'mores!

This means that after the spring sports season, you will no longer be able to use the Mobile App or the Notify Me feature that you signed up for on the school website. The conference is moving to a new program called Schedule Galaxy. There will be more information to follow as this new scheduling software goes online.

 Online Athletic Registrations were a part of the rSchool Today program. Schedule Galaxy does not offer this feature. Starting with the Fall 2019 sports season, we will be returning to hard copy athletic contracts. Coaches will hand these out at their informational meetings. They must be signed and returned before your child can begin practicing with the team.

If you have any questions or concerns on anything mentioned above please call the Athletics office at 315-845-6800 X-3357.

WHAT'S HAPPENING
AROUND WCV
SCHOOL?

Let the pictures
tell our story!

Congratulations to Emi Hughes and Harper Jones for receiving recognition at this year's Scholastic Art Competition!!!

Emi Hughes (12th grade) was awarded one Gold Key and four Honorable Mention Awards. Emi's painting "Mould" (pictured below) is a self-portrait that showcases her incredible ability to render realistic forms and also highlights her exploration of experimental color use. This is the third year in a row that Emi has received a Gold Key for her artwork. Emi will further her artistic investigation next year while pursuing a BFA at Rhode Island School of Design.

Harper Jones (12th grade) was awarded two Honorable Mentions for her pen and ink drawings. Harper's work "Coils" is a fantastic example of precision and attention to detail. Harper's talents with pen and ink have received recognition before as she also received a Gold Key award at last year's Scholastics Art Competition. Harper is looking forward to attending SUNY Stony Brook to study Anthropology.
