# From the Superintendent's Desk

As we move past the mid-point of the school year, the district enters into a very busy time. Budget development continues to move forward in a positive manner and we continue to gather further information in terms of anticipated revenue. In addition, students are progressing forward in their studies as the West Canada Valley Class of 2019 approaches the finish line this June.

**Winter Months** – February and March tend to be the most difficult months of the winter season typically resulting in some closings and delays. This winter at times has brought reminders of our traditional winters in this area. As always, the safety of our students/staff is always a top priority during the winter months. It is our hope that this information is being communicated in an efficient manner as closings/delays may cause disruption in our everyday schedules. As always, if you have any questions/concerns regarding closings and weather delays, do not hesitate to contact the district office.

**Budget Season** – The district has devoted a great deal of time and effort building our budget for the 2019-2020 school year. The governor's proposed budget has provided West Canada Valley with a slight increase in operating aid in comparison to the previous year. At the same time, we anticipate much discussion in Albany during the next month as they work to pass the state budget. With much of our revenue dependent on state aid, the district will watch closely as these discussions progress. As always, we will work diligently to provide a program that is high quality for our students and responsible to the taxpayers. We look forward to your support throughout this process.

**State Assessments** - As we continue to promote strong foundation skills in our young students the district recognizes that our curriculum/assessment practices are an important piece of student development. The state assessments scheduled for April and May provide teachers, students, and parents/guardians with academic information that combined with other information assist in guiding our instructional practice. Providing the assessment results in an efficient manner has assisted the district in identifying areas of strength along with areas in need of improvement. State assessments are one of several important measures by which we determine if a student is making academic progress. As a reminder, grades 3-6 ELA assessments are scheduled for April 2<sup>nd</sup> – 4<sup>th</sup> and grades 3-6 Math assessments are scheduled for May 1<sup>st</sup>-3<sup>rd</sup>. Grades 7-8 will be participating in Computer-Based Testing (CBT) this year in both ELA and Math. Grade 7 will take their CBT ELA assessment April 2<sup>nd</sup>-3<sup>rd</sup> and their CBT Math Assessment April 30<sup>th</sup>-May 1<sup>st</sup>. Grade 8 will take their CBT ELA Assessment April 4<sup>th</sup>-5<sup>th</sup> and their CBT Math Assessment May 2<sup>nd</sup>-3<sup>rd</sup>.

**Every Student Succeeds Act (ESSA)** - The new ESSA report card has identified the district based upon our assessment results on the Grades 7 - ELA and Math State Assessments. As a result, the district will be working with multiple stakeholders including the New York State Education Department to identify areas of strength and weakness in our academic programing. This will lead to the development of a comprehensive plan to improve upon all academic areas as we move forward as a district. This will be a great opportunity for the district to reflect upon all of its achievements as well as develop plans that will take the district to the next level academically. To accomplish this, we will look at all areas of our academic program including state assessment results. With that said, I am encouraging all parents/guardians to assist the district in this process by having their child participate in the year's two day assessments. Strong participation will provide an important piece of information to assist in our long-term academic planning. In addition, Grades 7-8 will be of particular interest as we pilot computer-based testing which will become a part of academic assessment in the future. As a parent/guardian, if you have any questions regarding the state assessment process, please do not hesitate to contact the district office. Thank you in advance for your assistance.

**High Standards** – Graduation rates including Advanced Regents and Regents Designation have been released. West Canada Valley continues to rank in the top tier of schools in the Tri-County BOCES Region. Congratulations to our graduates, administration, staff, parents/guardians, and the entire educational community whose support is essential to the overall success of the students. Providing high quality education at West Canada Valley is a long-standing tradition that will continue for years to come.

Again, thank you for the continued support and we look forward to seeing you at the many events scheduled during the second half of the school year. If you ever have any questions/concerns, do not hesitate to contact me in the district office.

## All-County II Music Festival

Congratulations to the following students who have been chosen to represent our school on March 15th & 16th at the Herkimer County All County II Music Festival to be held at Mount Markham High School. In the Elementary Band are Emma Canelo, Scott Coffin, Nate Cornacchia, Grayce Harvey, Jackson King, Dominic Lekki, Gregory Lekki, Audrah Lyon-Saunders, Olivia Ray, John Tolpa and Curnin Wallace-Eaton. Singing in the Junior High Chorus are Olivia Clark, Zackary Comstock, Madilyn Connor, Joshua Conover, Kadence Gage, Joshua Grabowski, Hailey Haynes-Davis, Renee' Jenkins, Lindsay Pierson, Blake Reese, Lydia Reimer, and Gabby Schrader. Senior Band members include: Jacqualynn Bender, Maggie Burdick, Caeli Campbell, Catherine Christensen, Jenna DeSantis, Kaylin Gee, Summer Hoover, Jessica Lindsay, Iris Pellani, Trinity Randt, Samantha Raymo, Logan Steates, Tom Tolpa, and Morgan Warney.

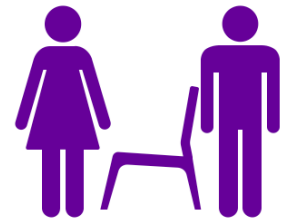

The WCV Drama Club will be presenting a hilarious comedy, *Nun of Your Business* written by Craig Sadaro, on Friday, March 22 and Saturday, March 23 at 7 pm in the WCV auditorium.

- ✓ This family-fun adventure features the nuns of St. Fermildas, Sister Mother of Mercy (Faith Stewart), Sister Lily of the Field (Lily Bauder), Sister Boniface the Eager (Jacqualynn Bender), Sister Harold the Great (Audrey Campbell), and Sister Mary of the Lambs (Catherine Christensen) as they fight against all odds to save their parish convent. The action is non-stop as two former students, Carole Lane (Baily Jackson) and Carin Lane (Samantha Raymo), step in to exact revenge, then seek salvation, and a local business man, Caldwell Crumwell (Ryan Soron), attempts to buy their building right out from under them. Fortunately, a well-meaning, also homeless, lawyer (Clayton Davis), steps in to help them, despite the fact that two local mechanics, Roz (Summer Hoover) and Mae (Adia Clarke), attempt to knock off one of the nuns who is destined to inherit their business. As the nuns strive to help various homeless citizens, including Tessa (Alina Kichuk) and her family, a church fair that is planned almost ends in disaster when Elmo Kranz (Matthew Lape) tries to reclaim his star attraction, the famous Dane and Lane. All of these plot twists, along with an original student-generated rock number, and a very cute pup, add up to a great show for all! Tickets are \$5.00 and are available from any Drama Club member or at the door.

# High School Principal Message

Dear Parents/Guardians,

I wanted to reach out and thank everyone for the continued support here at the Middle/High School. In general, we have had a wonderful first semester and we look forward to an exciting spring semester.

There are, however, a few updates I wanted to share with you as we move forward.

First, we are pleased to announce the return of David J. Flood to our building. Mr. Flood is a renowned youth motivational speaker and he will be spending the day with our students on Monday March 4th. He will be speaking to our student body about dignity, respect, and compassion as well as discussing some key concerns such as safe use of social media and bullying. David will also be spending time in our classrooms and cafeteria as he enjoys spending time with our students outside of the formal assembly.

Second, this is the first year our 7th and 8th grade students will be participating in Computer Based Testing for the 3-8 NYS Math and ELA exams. In an attempt to be proactive with upcoming state changes and demands, both our ELA and Math exams will be done using computers and/or iPads. We will begin exposing students to these programs in the month of February and will also be giving a practice session to test our technology capabilities in the building. We greatly appreciate all of your support in this matter.

Lastly, I want to thank you for continuing to follow our requests to not disrupt the academic day by showing up to school unannounced. Distractions to the day have been minimal and this has allowed us to maintain proper supervision and safety of the building at all times. Also, please remember to send notes with your students who will be picked up early, even if you plan to come in and sign them out. Your cooperation in these matters have been greatly appreciated.

Once again, I look forward to another wonderful spring semester and if you ever have any questions or concerns please do not hesitate to contact me.

Sincerely,

J. Kozak, MS/HS Principal
