WELL DONE!

Firstly, we'd like to say a huge WELL DONE to our fantastic year 6 pupils for all of their hard work in their SATS this week. The children displayed brilliant determination, bravery, resilience, willpower and most importantly, kindness towards their peers.

We are so proud of each and every one of you. The children all enjoyed takeaway pizza & will enjoy a PE morning and film today as a reward.

As ever, thank you to all our parents & carers for your continuous support. To Miss Sargent, Mrs Peacock and Mrs Fisher, thank you so much for all your hard work and dedication in supporting all our of Year 6 children. You are absolutely amazing!

News Update

Barney Green from Create Music hosted a KS2 assembly on Thursday 9th May, showcasing his skills in drums, piano, ukele and accordion. The kids absolutely loved it! Barney is available to book music lessons with for your young people. Letters have been sent out via Parent Pay and paper copies are available in the office. Research shows that learning to play a musical instrument can really help with attention and retention skills, working memory, faster processing and much more!
