

## Welcome to the "Minuteman Reads" Summer Reading Program!

Minuteman High School actively supports the growth of reading skills that allow students to succeed academically and vocationally, as well as recognize the lifelong value of reading as a source of information, communication, and entertainment. To this end, all incoming and enrolled Minuteman students are expected to participate in the "Minuteman Reads" Summer Reading Program.

At the heart of the "Minuteman Reads" program is an investment in the value of student choice. Students may choose from a 50+ page list of high interest titles representing a variety of genres and Lexile levels, or any non-movie choice book that has a Renaissance Accelerated Reader test. Some titles may be borrowed from the English Dept., from the school library, and/or local libraries. Students enrolled in Honors and/or Dual Enrollment classes have additional reading requirements.

### Grading

Sophomores, Juniors, and Seniors will take computer-based tests on their selected summer reading books. Summer reading assessments will count as 15% of each student's Term 1 English grade. We realize that questions on standardized testing can sometimes be tricky. With that in mind, in the "Minuteman Reads" program, students scoring a 70% or better on the computer-based tests will earn a 100% for their summer reading grades - that's right, 100%. Students scoring below 70% will earn the actual test grade for their summer reading grade.

Tests will be administered in English classes the first week of school. In addition, two optional summer reading testing days have been set aside for those wishing to take tests earlier: Thursday, July 18th & Thursday August 1st (8 a.m. till noon). Students taking tests in the summer may retake tests in the fall for a higher grade. We strongly recommend that students complete the Fiction and/or Non-Fiction Notes Sheets, as **these may be used during the testing.** Reminder: Tests will be administered in the fall for those not taking tests in the summer.

### Minuteman Reads Summer Reading List 2024/Renaissance Accelerated Reader Book Finder

One link below takes you to the 50+ page "Minuteman Reads" Summer Reading List. The list is broken down by books that can be borrowed from the English Dept., along with recent **MASSACHUSETTS TEEN CHOICE BOOK AWARD NOMINEES** and by genre, including titles, author names, Lexile, and a synopsis from Amazon.com.

Can't find a book you want to read on the list? Find a title you want to read and check to see if there's a test on **Renaissance's Accelerated Reader Book Finder** (see link below) – **make sure to avoid books made into movies**, as movie titles are **not eligible for summer reading** and will not be

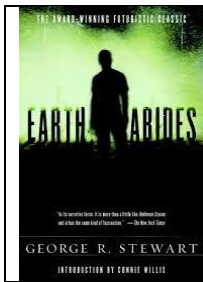

available on test days. When searching with the Book Finder, look for the following: “AR Quiz Types: RP.” The code “RP” means the book has the appropriate test for summer reading. In addition, students are only allowed to read books with the following designations: “UG” for Upper Grade and “MG+” for Middle Grade Plus. It’s important for students to understand that they may NOT read books below these reading levels: “MG” or “LG” books will NOT count for summer reading.
