

# 2024-2025 Immunization Requirements

## Fauquier County Public Schools

### **Kindergarten:**

Documentation needs to be provided to the school nurse. Kindergarten physicals must be complete by the first day of school. There will be no exceptions. Kindergarteners must have at least one of every immunization to enter into school.

### **7th grade:**

Documentation needs to be provided to the school nurse for the following vaccines:

- Tdap (tetanus, diphtheria, and pertussis)
- MenACWY (meningococcal ACWY)
- HPV (Human Papillomavirus)

### **12th grade:**

Documentation needs to be provided to the school nurse for the following vaccine:

- MenACWY (meningococcal ACWY)

If you are a new student to the school system and do not know what vaccines you need, please speak with your school's nurse or contact the local health department if you have questions about vaccine requirements.
