

Dear Parents,

We hope this letter finds you well. We are excited to inform you about an important update regarding our communication system at Tarkington ISD. As part of our ongoing efforts to enhance communication and keep you informed about important school news, events, and announcements, we will be implementing a new mass communication system.

As with any new system implementation, there may be some initial adjustments and unforeseen issues. We kindly ask for your patience and understanding during this transition period. If you encounter any errors or experience any difficulties with the new system, please email us at info@tarkingtonisd.net.

We are committed to providing you with the best possible communication experience and ensuring that you stay informed about important happenings at Tarkington ISD.

Thank you for your continued support and cooperation as we work to improve our communication channels. Together, we can create a stronger and more connected school community.
