

Job Description of Theatre Advisor

Curricular Responsibilities

- Analyze English curriculum and select a full-length work that relates to themes in each grade level
- Organize and train students to produce *two* separate theatrical events
- Meet weekly throughout the course of the entire school year
- Assign individuals certain roles via the use of a performance-based assessment (relates to full-length production only)
- Develop a cohesive night of “one act” performances
- Ensure that each “one act” performance relates to the curriculum of a particular grade
- Arrange and organize a location for said events to occur (preferably a theatre at Bard)
- Collaborate with members of the high school English Department to guarantee that themes and motifs are being explored in a manner that they deem educationally valuable
- Organize, solicit, and review new and original works from students
- Evaluate student works, with the assistance of the Elements of Theatre class, to determine which works will be performed during the night of “one acts”
- Attempt to contact outside organizations for supplemental funding and assistance
- Encourage interdisciplinary outreach
