MR. MARSH'S MESSAGE

Students of Overlake Hi are looking forward to many exciting developments in their school program for next Fall. Football under the lights on the new Memorial Athletic Field will be thrilling. They can also anticipate that sometime during the year they will experience the fun of moving into a brand new high school on the most beautiful site in the State.

It gives every one of us a great deal of satisfaction to know that he has had a part in securing these wonderful facilities for Overlake. Be proud of what has been accomplished and strive to set a standard for yourself that will be equal to that of the physical plant provided.

It has been a real pleasure to work with the Students, the School Board, and the Community on these projects.

DRAYTON E. MARSH

MR. DIECKMANN'S MESSAGE

The graduating class of '47 has been an above average group in scholarship as well as social growth and development. It is a pleasure to work with such students.

The incoming freshmen, the sophomores, and even a few juniors and seniors whom I know might well consider the wisdom of doing a better job in the classroom. If you are prepared scholastically, you will be ready to take advantage of the many opportunities open to Overlake graduates.

Plan carefully for the future and work toward and achieve well chosen goals. We teachers are ever ready to help you. Helping young people achieve success is our greatest reward in teaching.

Four years ago we entered Overlake High as bewildered freshmen and now we leave as triumphant seniors. Looking back over our many achievements we find that:

AS FRESHMEN: Overlake opens its doors to the onslaught of pattering feet—the refugees from grade school. Our major accomplishment of this year was the afternoon mixer, Kiddie Kapers, sponsored with the sophomores.

AS SOPHOMORES: Our second lap for the goal of graduation. We lift our heads and say "We are sophomores!" In this year the class of '47 starred in many things both scholastic and social. Our most important social accomplishment of the year was the Barn Dance, the best dance of the year. Thus we ended our life as "underclassmen."

AS JUNIORS: Something new has been added, the prestige of "juniors". Again in sports, debate, drama, and in the honor society we were well represented. The two big achievements of the year were the Junior-Senior Prom and the Junior-Senior Banquet at which we honored the departing class of '46. In May we jubilantly left O.H.S. to return in September...

AS SENIORS: At last we made it and are now full-fledged "upperclassmen." This year we were everywhere, in all sports, in the Cheer Leaders, in all clubs, in debate, in committees, in dramatics. We were the first to introduce to O.H.S. the formal Senior Ball; we were feted by the juniors at the annual Junior-Senior Banquet; and we went all out for the Senior Picnic. Then came Baccalaureate and finally the goal we had worked so hard for—graduation! And so we end our never-to-be-forgotten days at Overlake with many thanks to our teachers, our advisors, Mrs. Million and Mr. Gardner, and to Mr. Dieckmann for helping us over the many ruts in the road behind us and showing us a clear path ahead.

The Prom, with a Spring Showers theme, was our most important social event. Instead of sharing responsibilities with the Seniors, we held this dance alone.

There are many members of our class in the Honor Society, giving proof of the genius among the Juniors. We also have had several schoolmates working on the Beacon and Barque staffs.

Athletics are greatly enjoyed by both boys and girls. Winning letters in football were: Barclay Tollefson, Clarence Wright, Floyd McCracken, Dick Saunders, Jack Bernier, and Bill

Bennett, while Bill Peless, Barclay Tollefson and Floyd McCracken starred among the Juniors in basketball. The turnout for track and baseball was also very good.

The girls are proud of Florence Christianson for her championship in ping pong, and Barbara Jones for becoming a member of the championship basketball team.

There are some up and coming young actors and actresses in the class of '48. Ladd Delkin played the lead role in "One Wild Night", the all-school play. Supporting actors from our class were Barbara Jones, Coy Chittenden, and Joanne Mermod.

In the field of music, Barbara Jones and Dick Clark were in the Renton Music Festival.

Adabelle Whitney helped to add to the spirit of the ball games as one of the cheerleaders who have done a grand job.

We thank Mr. Fagerness, Mr. Johnson, and Mrs. Weider for their guidance this year.

The class of '48 is ready and waiting to become the top class of Overlake. We have been active in sports and social life, as well as in our usual scholastic achievements.

Under the helpful leadership of our class advisors, Miss Daly and Mr. Wiggum, and officers, the sophomore class of 1946-47 has had a very successful year. In football Jack Temp, the only sophomore on the first team, received a letter. Russell Nixon and Manuel Moore, outstanding in basketball, played in the Bremerton tournament. The sophomore class had a barn dance called the "Lumberjack Jamboree" on October 18th under the direction of Jo McHenry, dance chairman. Several sophomores played roles in the all-school play, while in the field of music Joan Driscoll, Pliny Allen, Barbara Burkhart and Elizabeth Averill starred.

Following the custom of the sophomore class, we will decorate for graduation, so ending the school year of 1946-47.

Mr. Odle and Mr. Raff were our class advisors until Mr. Raff went to Germany. Mr. Ordal took his place. Although this was their first year in high school Bill Grant and Ned Feek played very well on the second team in football. During basketball season John Hatch, Kenny Cozad and Bill Grant played on the second team. In the Girls' P.E. Class the freshmen were outstanding because the majority of the girls stayed for after school turnout. They had good teams in basketball, volley ball and socker. There was a musical festival held in Everett, in which Jean Cooley rated excellent for her clarinet solo. We closed the year by decorating for baccalaureate for the graduating seniors.

We want to thank our class advisors, Mr. Means and Mr. Hemingson, for all their help, especially in helping us to get into the A.S.B. They have been very considerate in watching out for our welfare.

During the year many exciting events took place, one of them being a Hallowe'en Carnival. Children of all ages were invited to participate. Some of the features of the Carnival were fortune telling, bean bags, bingo games, a Guess What game, a fish pond, a basketball game, Pot O' Gold, Ring Tossers, Apple Bobbing Booths, and of course the food.

We also had two skating parties, which were held at Vasa Park. Mr. Hemingson took a bus which left the school at 6 o'clock and returned at 10:30. Everyone had a good time.

A. S. B. OFFICERS: Ann Donogh, John Olson, Fred Butterworth, Annie Michael.

BOARD OF CONTROL: (standing) Mrs. Million, Mr. Dieckmann, Audrey Kilham, Leila Cook, Jan Schroeder, Lou Ransick, Whit Hansen, Floyd McCracken, Gerry Donaldson, John Hartley, Verna Reece, Merigold Bolton, Mr. Ordal, Georgi Culliton; (seated) Bill Baird, Dave Angell, Noel Nauman, Annie Nielsen, Fred Butterworth, John Olson, Don Rundle, Annie Michael, Adelaide Whitney.

ASSOCIATED STUDENT BODY OFFICERS

The results of the election for A.S.B. officers were eagerly awaited last spring before the closing of school and when they were out everyone was satisfied. To preside through the school year, 1946-47, were President—Johnny Olson, Vice President—Fred Butterworth, Secretary—Ann Donogh, and Treasurer—Annie Michael.

Johnny showed his ability to keep order during such assemblies as the debate over the admission of the eighth graders and the changing of the school colors. As Vice President, Fred presided over all the Board of Control meetings where the representatives from the different activities and classes discuss and vote upon measures concerning the school and A. S. B. Ann's duties were to handle all the correspondence between the A.S.B. and other companies and people. Keeping the budgets of each class, activity, and organization is a big job as Annie found out this year. She also had to write out all checks going from the treasury and deposit others at the bank.

And so we look forward to another year and A.S.B. elections hoping that four representatives of the high school will carry on the splendid work done by these four.

BOARD OF CONTROL

The members of the board of control which is made up of Associated Student Body officers, Girls' and Boys' Club presidents, class officers, cheer leaders, and faculty advisors, meet once a month to discuss the problems of the A.S.B. and vote on measures concerning the school.

One of the main projects of the board of control is the making out of the budget for the year allotting money for each club enabling them to carry on their activities. Selecting cheer leaders is another important task of the board of control.

With their advisors, Mr. Ordal, Mr. Dieckmann and Mrs. Million, this group has given excellent leadership to the school this year.

GIRLS' CLUB OFFICERS: Betty Hassing, Eleanor Simi, Leila Cook, Annie Nielsen, Colleen Crooker, Mrs. Day.

BOYS' CLUB OFFICERS: Dave Angell, Barclay Tollefson, Don Rundle, Jerry Donaldson, Mr. Ousley.

GIRLS' CLUB

Girls' Club—1947, and at the close of this school year we can again look back on many successful activities.

This year, opening with our big and little sister gathering, was drawn to a close with the Mother-Daughter Tea in May.

Between these two events, other highlights can be listed as— The Forget-Me-Not sale held in the fall to help Disabled American Veterans, the Red Cross and Infantile Paralysis drives, and the Turkey Raffle. Next the Girl's Club took on the project of making dresses for European girls.

The big event of the year was the annual Tolo, "Cupid Capers", held in February and a great success. A new custom was established when a Father-Daughter Smorgasbord was held.

And so with the completion of these events under the direction of Annie Nielsen, president; Eleanor Simi, vice-president; Leila Cook, secretary; Colleen Crooker, treasurer; and Betty Hassing, historian, with the many committees, and with faculty advisor, Mrs. Day, giving helpful hints, the Girls' Club of Overlake completed another year of furthering relations among the high school girls.

BOYS' CLUB

The officers heading this year's Boys' Club were: President—Don Rundle, Vice-President—Barclay Tollefson, Secretary—Dave Angell, and Treasurer—Gerry Donaldson, with Mr. Elmon Ousley as advisor. The Auburn Stock Show, held on April 8, 9, and 10, was one of the main attractions of the year. Al Nichols represented the Chapter at the National Convention in Kansas City, Missouri, held in October. Charles Tucker similarly represented the Chapter at the State Convention at the State College of Washington in Pullman.

The Overlake boys have an annual trip planned for each year. Last year they toured the Northeastern part of the State. This year they are planning a trip through the South Central part. Thus in three years they will have completed a tour of the state.

CHEER LEADERS

During the basketball and football seasons yells can be heard coming from the gym on almost every Friday afternoon. Yes, it's a pep assembly led by our cheer leaders Noel Nauman, Adabelle Whitney, Jack Baker and Odrun Davidson. These students of Overlake High School have done splendid work in supporting our teams and have created a great deal of school spirit among the other students.

WOLVERINE GUARD

A new organization to Overlake High School this year is the Wolverine Guard, a service club for the school and community made up of Junior and Senior boys with Mr. E. Ousley as advisor. The Guard was established by the Boys' Club to help in self-government activities and school leadership.

The organization has elected a sub-group called Squires which is made up of Freshman and Sophomore boys, who, in their Junior year will be qualified to be elected into the Guard with full obligations.

The officers for this year were: Chancellor—John Allen, Vice-Chancellor—Fred Butterworth, Exchequer—Bill Boden, Scribe—Gerry Donaldson, Treasurer—Bill Baird, and Sergeants-at-arms—Bill Bolst and Don Rundle.

BAND

Beginning with an appearance at the Puyallup Fair in September, the Band has had a continually successful year. Under the experienced baton of Mr. Joe Hylland, the Band has received recognition in the All District Christmas Program, the public V.F.W. initiation, the Puyallup Daffodil Parade, the All District Spring Concert, the Memorial Day Exercises, and at many of the home football and basketball games. Several solos and ensembles participated in the Renton Festival contest, all receiving either excellent or superior ratings.

CHORUS

The Chorus has had a very busy schedule during the year. Among the Chorus' appearances were the All District Christmas Program and All District Spring Concert. Several of the members took part in the Renton Festival contest in the masked chorus. Mr. Hylland, a well-known singer on his own, has blended the voices of these young people once more to make the Chorus a big success.

"TIGER HOUSE"

This was a thrilling mystery concerning a young girl, Erma Lowrie (Noel Nauman), who has to live in an eerie mansion in order to retain her late Aunt Sylvia's will. Erma's cousins (Alan Barte and John Hartley), her Aunt Sophia (Eileen Johnson), Peg Van Ess (Pat Green), and Erma's fiance (Dave Angell), are all house guests when things begin to happen. Strange stories about a phantom tiger and a hidden diamond necklace are told, several murders are attempted, and there are some suspicious people like Yami, an Indian crystal gazer (Gerry Donaldson), Thompson (Rollo Millette), an intruder, a Mystery Woman (Lou Ransick), and an old Scottish woman, Mrs. Murdock (Ann Donogh).

All the production activities were under the able supervision of Joann White, while Dick Aldridge and Jack Barnes handled the stage management. Mr. A. J. Johnson successfully directed the play.

"ONE WILD NIGHT"

It certainly was "one wild night" when "invalid" Rodney Dodd (Ladd Delkin) decided to paint the town red before he "died". He falls in love with a travelling companion (Phyllis Comstock) of his rich Aunt Myra Opal Dodd (Barbara Jones), sells his house to a girls' school, receives a black eye from a woman in a tavern, Jade (Pat Green), and exposes a notorious racketeer (Leo Loughran). But then things really start popping when he wakes up the next morning to find out he's still alive.

Mr. Johnson, who did a fine job of direction, was ably assisted by Dick Aldridge, Stage Manager, and Noel Nauman, Production Manager.

SENIOR BALL

The Seniors began a tradition which they hope will continue, when they presented the Peppermint Ball on December 21. Christmas trees with miniature candy canes decorated the Grade School Auditorium. This was due to the supervision of Doris Ann Grueter, who took charge of decorations when Joann White became ill. The program was arranged by Joanne Gibson and the refreshments by Bob Burson. The publicity was capably managed by Dave Angell. A great deal of credit is due to Ann Donogh, who acted as general chairman.

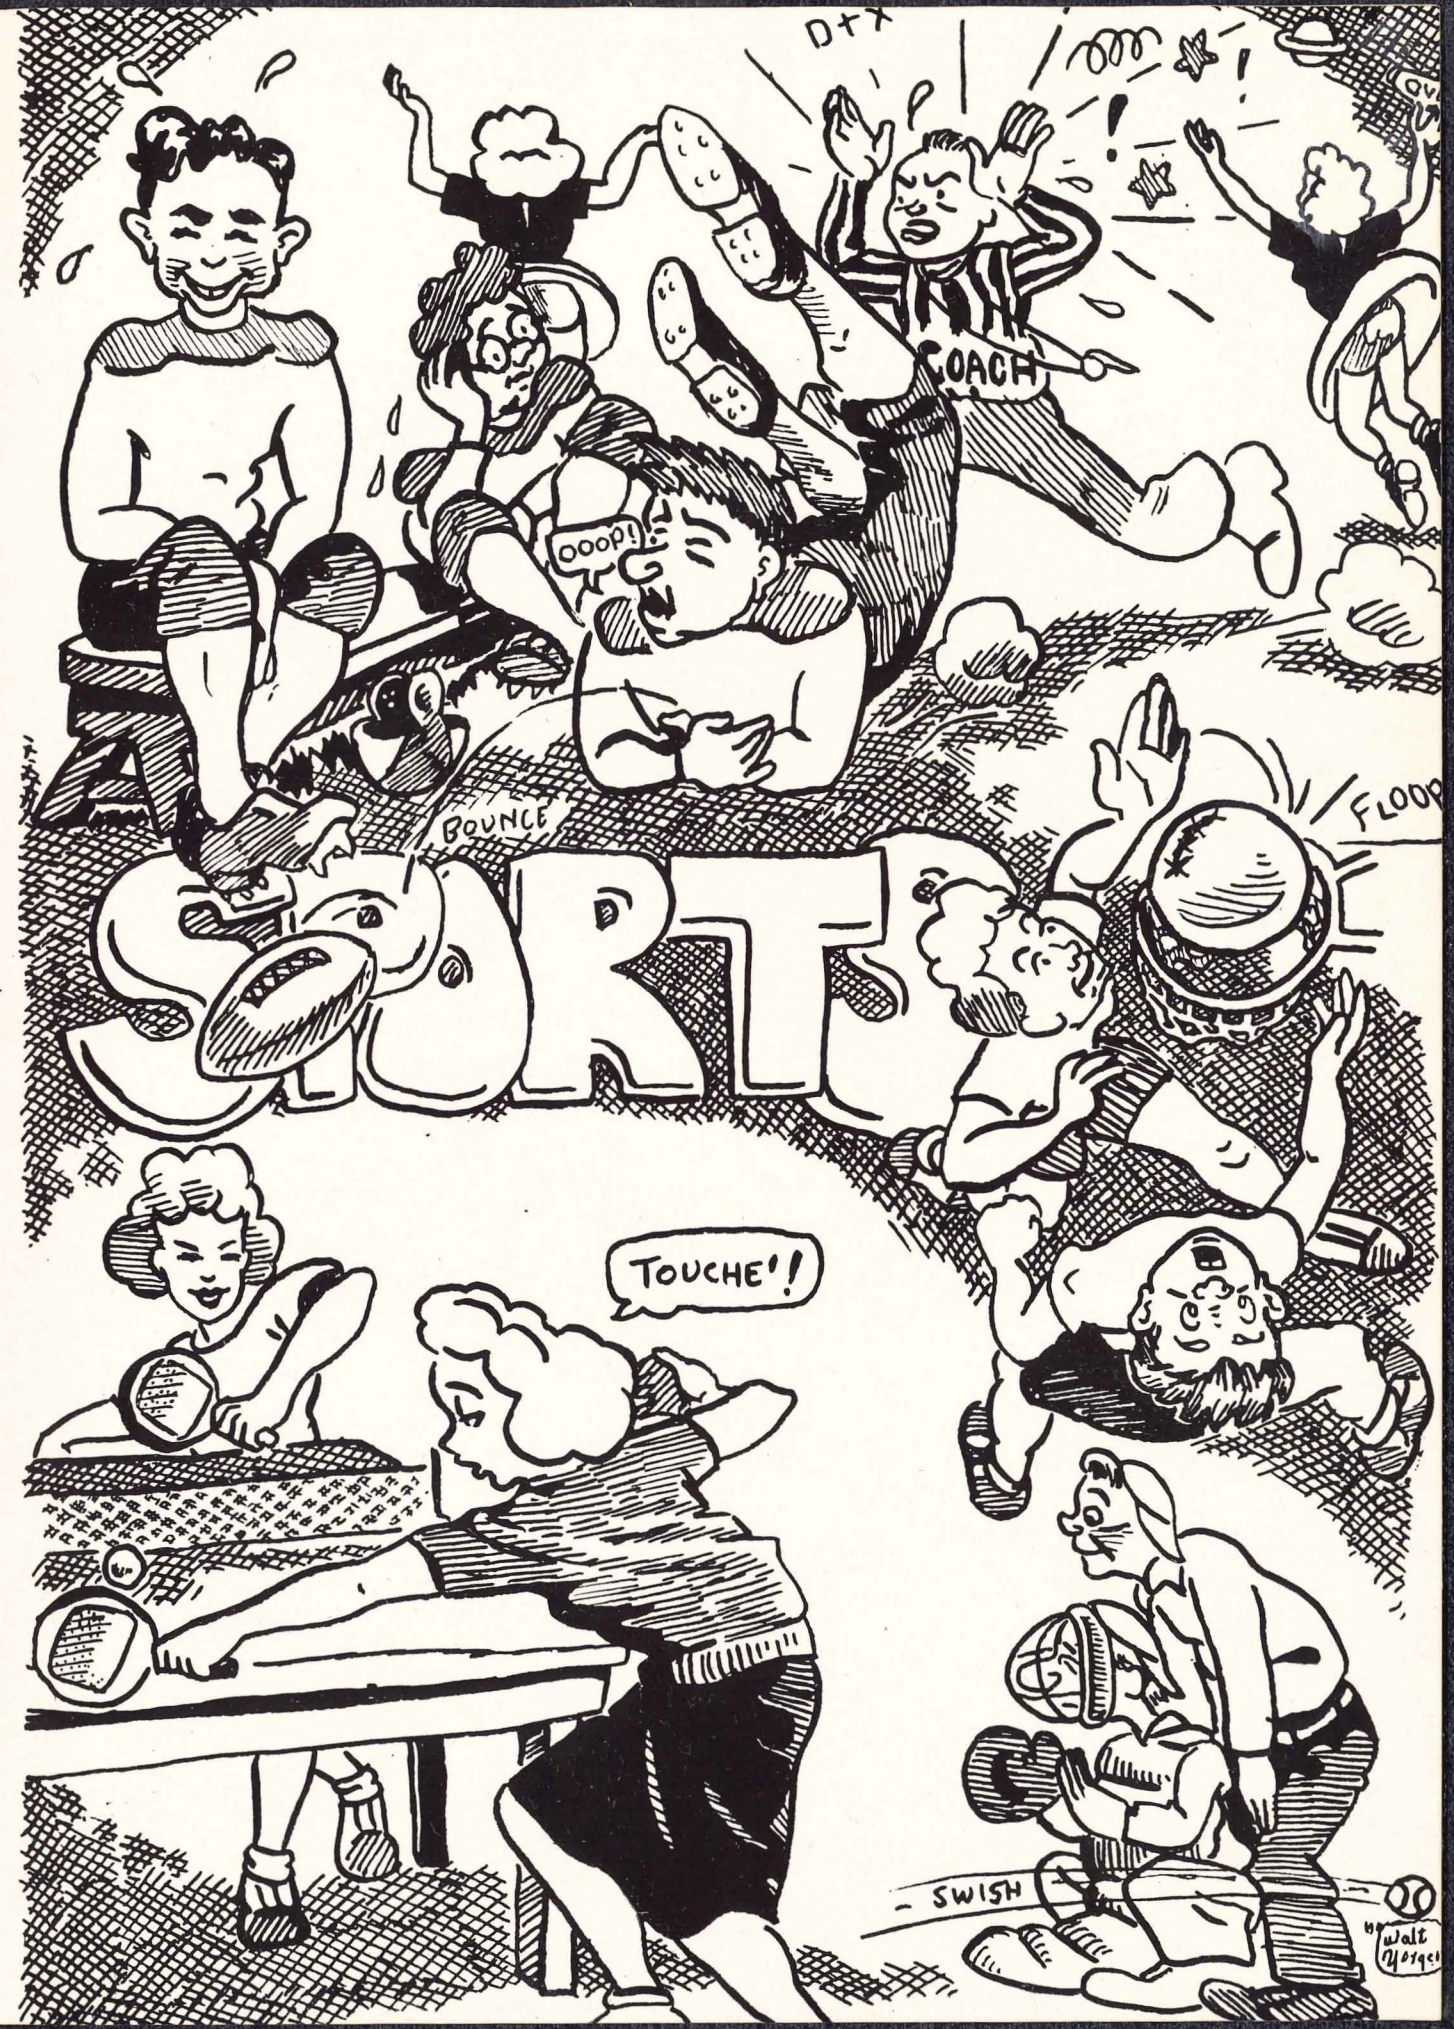

GIRLS' CLUB TOLO

"Cupid Capers", this year's Tolo on February 15th, was decorated in the theme of Valentine's Day. Marlene Berndt, chairman of the dance and Ruth Lewis, co-chairman, directed the activities and planning of the Tolo and with the help of the following committee chairmen, made the Tolo a big success. The Wolverines started their '46 season in a jamboree at Bremerton with Mt. Si, O'Dea, and Bremerton. Overlake was scored upon twice by Bremerton, but held Mt. Si to a scoreless tie. The following game was played with Edmonds, the score being 6-0, with Edmonds the victor.

League play started with Foster. The Wolverines dropped this game 12-2, but the following week came back strongly to beat the Issaquah Indians, 19-12.

In the next game the Wolverines ran rough shod over the Lakeside Lions to win 31-0. The second home game was played with the Mt. Si Wildcats, Overlake winning by a score of 14-6.

The next week was a bye filled in with a game with Tahoma, a 22-18 victory for Overlake.

Again we came back to the home field to take Tolt 31-0. At this time we were in second place, and our final game was played with a determined Bothell team. The Wolverines fought hard, but couldn't break through for a victory. The final score was Overlake 6, Bothell 25.

This season we placed six players on the all-league teams. The three who placed on the first team were Bill Boden, Bill Bolst, and Don Rundle, while Rollo Millette, Jack Temp and Barclay Tollefson earned second team spots.

Mr. Means was greeted with about twenty-two basketball-minded boys turning out for the first team. Overlake did well in league play, winning over Tahoma, Meridian, Tolt, Lakeside, Bothell, and Foster; and losing to Issaquah and Mt. Si. During season play they also encountered seven non-league teams, splitting two game series with Renton, Kirkland, and Fife; and also adding a win over Bainbridge.

Overlake entered the West Central District tournament as the number two team of the Lakeside league, by defeating Bothell. The Wolverines did well for their first A tournament. They were defeated the first night by a good South Kitsap team, but the second night came back to beat Port Angeles by a score of 47 to 29. The boys dropped their third game to North Kitsap.

Those who received letters were: Sophomores— Russell Nixon and Manuel Moore; Juniors—Barclay Tollefson, Floyd McCracken, Bill Peless, Wallace Hartley, and Bob DeBoer; Seniors—Capt. John Olson, Don Rundle, Jack Murphy, Bob Peet, and Harry Grant. Marston Nauman received an honorable mention.

Bob Peet and John Olson were the joint winners of the Inspirational Basketball trophy.

The boys who are leaving want to express their thanks to Don Means, a fine coach and a "swell guy".

WOLVERINE CUBS

Mr. Gardner took over the coaching of the second team this year. The second team showed plenty of speed and shooting ability; although not as rangy as most of their foes, they were faster and gave them all the fight they wanted. They won fifteen out of twenty games.

The boys who received second team letters were Capt. Marston Nauman, Russell Nixon, Manuel Moore, Don Johnson, Dick Dickinson, Jack Temp, Jim Messenger, and Phil Greydanus.

BASKETBALL SECOND TEAM: (standing) Mr. Gardner, Jim Messenger, Marston Nauman, Manuel Moore, Dick Dickinson, Russell Nixon, Don Johnson, Jack Temp; (kneeling) Bill Grant, Hal Reames, Alan Love, Phil Greydanus, Kenny Cozad Lee Jorgenson.

GIRLS' SPORTS

Under the direction of Mrs. Weider, P.E. teacher new to the school this year, girls' sports were well represented by all enthusiastic girl athletes of O.H.S.

The season got under way with speedball in the fall, followed by basketball during January, February and March. Volleyball was next on the girls' sports calendar with baseball ending the season's round of main sports in the spring. After each of these sports an All Star team was picked from all of the girls turning out.

Individual sports such as ping pong, badminton, and tennis were also worked in between the major sports.

Several hikes including a harvest hike, Christmas greens, and bicycle hikes in spring vacation were included in the after school sports.

Through these various activities a girl may earn sufficient points to enable her to join the Girls' Athletic Club, an organization for all girls interested in sports.

TOP ROW: The home diamond; Jack Temp.
SECOND ROW: Jack Murphy; Russell Nixon, Harry Grant, Coach Means; Don Rundle.
FIRST ROW: Floyd McCracken; Baseball turnout.

BASEBALL

Forty boys are turning out for baseball, among them eight returning lettermen: Don Rundle, Jack Murphy, Jack Temp, Floyd McCracken, Bill Peless, Russell Nixon, Harry Grant and Jerry Donaldson.

Some of the boys that are showing up well and should see some action this year are: catcher, Bill Peless; 1st base, Bill Bennett and Harry Grant; 2nd base, Jack Temp; shortstop, Jack Murphy; 3rd base, Floyd McCracken and Jack Moravec; fielders, Dick Saunders, Russell Nixon, Jack Barnes, Pat Murphy, Frank Elsbree and Phil Greydanus; pitchers, John Allen, Guy McQuigg, and Don Rundle.

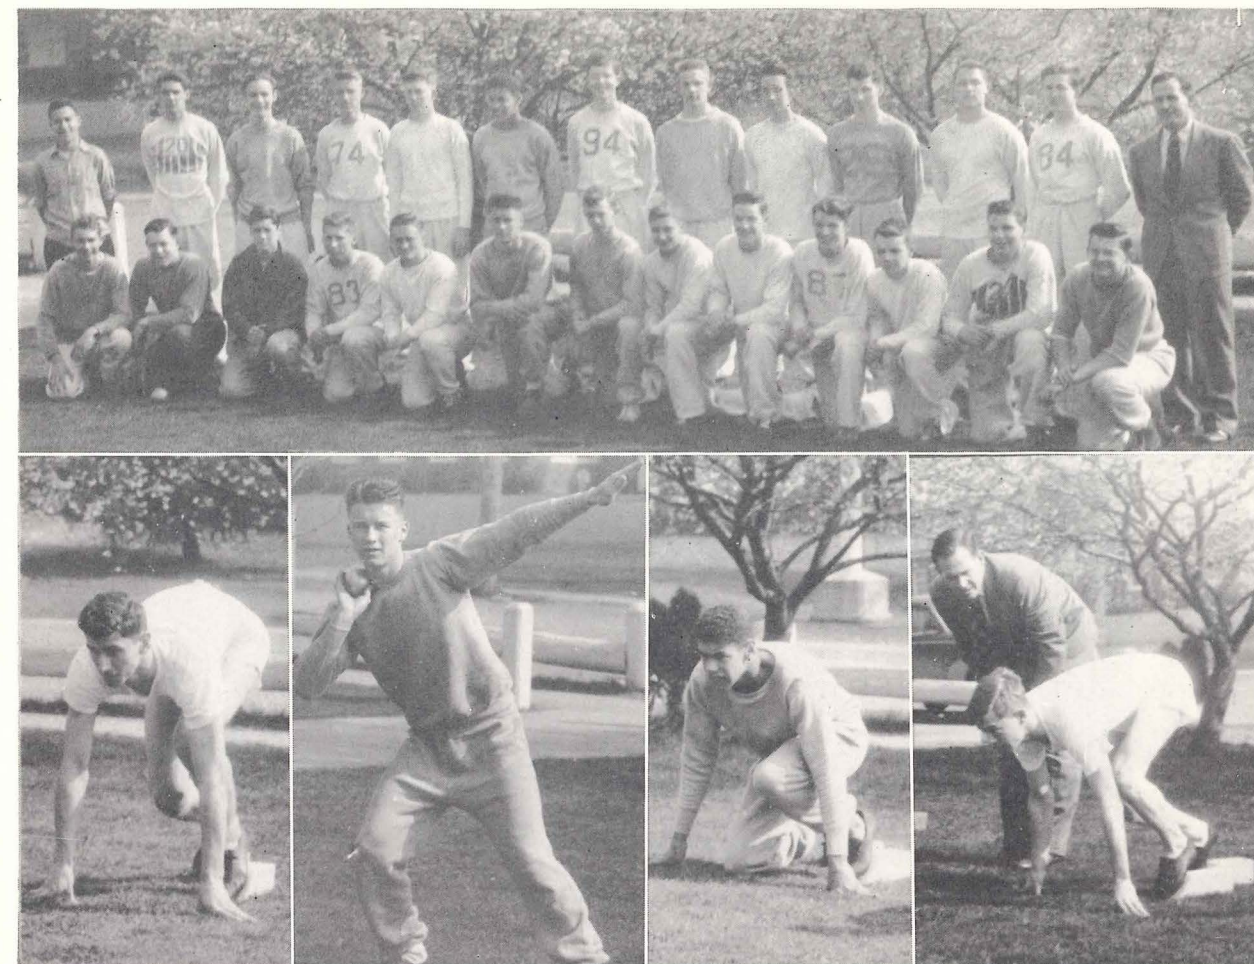

Although the field wasn't too strong in the league opener, a loss to Tahoma, the boys showed plenty of hitting power at the plate. Coach Means and the boys are going to try to bring home a championship this year.

GOLF

This year Mr. Means is coaching Overlake's first golf team. This is going to give a lot of boys a chance to participate in a different type of high school sport.

The boys who are turning out for golf are Grant Winther, Barclay Tollefson, Clarence Wright, Dave Angell, Alan Bartee, and Dick Briggs. Of these six boys, four will be chosen for the team.

They will have matches with Lakeside, Foster, Kirkland, and other schools. In May there will be a league play-off in which they will take part.

Coach Gardner's track team is composed of about 16 boys. There are still a lot of things to be taken care of before the track team will be settled.

The boys are entering meets at Bothell, which includes Foster and Tolt; Port Angeles, which will include five or six other teams; Lakeside, and Enumclaw, a night meet. The winners of this meet and relay race will each receive a trophy. The winner of each event will receive a medal and 2nd and 3rd place will receive ribbons. Then there will be the Lakeside League meet, in which those who place 1st, 2nd and 3rd will go to the district meet at University of Washington.

Some of the boys who are placing in meets are: Fred Butterworth, 100 and 200 yd. dashes; Bob Peet, shot put and 880; John Hartley, 440; Walter Vik, low hurdles and broad jump; Lon McLean, high jump; Jack Bernier, 100 yard dash and broad jump; Gordon Douglass, 200 and 440 yd. dashes; Tim Akers, dash runner; Ladd Delkin, 440 yd. dash; and Grant Winther, distance runner. The following boys are turning out, mostly to improve their speed for football: John Heinz, Bill Grant, Sam Andrews, Leonard Martin, Woody Leonard and Marston Nauman.

TENNIS

The prospects of a tennis team this year are rather indefinite, but Mrs. Million, who has undertaken the duties of tennis coach, hopes to develop a group for competitive play. At this time there are twenty to thirty students turning out for the sport on the cement courts at the Overlake Elementary School. Whether or not they enter league competition, we have many enthusiastic tennis players who are enjoying their after-school turnouts.
