SUBJECT: FUEL/DIESEL BID 2024-2025

DATE: May 1, 2024

The Pulaski County Board of Education accepted bids for fuel and diesel. Bids were due on April 26, 2024 at 2pm at the Pulaski Board of Education Office.

Responses included:

Estopp Energy at \$2.893 per gallon on diesel and \$2.691 per gallon on gas

Premier Energy at \$2.9525 per gallon on diesel and \$2.90 per gallon on gas

White Oil Company at \$2.9628 (\$2.9928 net 30 days) on diesel and \$2.8736 (\$2.9036 net 30 days) on gas

The Pulaski County School System awards based on best value to our District. This includes price, service, quality, reliability and availability. Considering all of these things, we recommend awarding the 2024-2025 Fuel Bid to Estopp Energy. They are local and can provide quick turn around and were the lowest bid in both gas and diesel.

The contract will be from July 1, 2024-June 30, 2025 with the option to renew for 2 additional one year periods if it is agreeable between both parties.
