Tuition and fees or documentation from your funding agency are due by the first day of class each semester. Students who are enrolled in a program for more than 10 scheduled school days will be responsible for the full semester's tuition and fees, regardless of enrollment or funding status. Out-of-district adult students will pay in-district tuition plus \$1000 for an "out-of-district" fee. Tuition and fees will not change while a student is enrolled in the program.
