

Sign In to the Chromebook

Enter Student's Google Apps Email and Click **Next**

Enter **student's Wylie ISD password** (generic campus password grades K-2; student unique password grades 3-12)

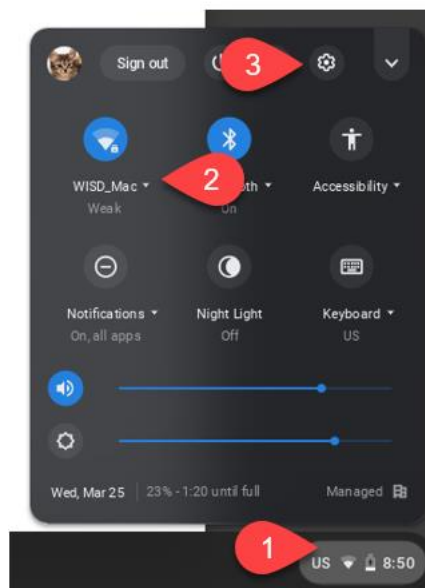

Joining the Chromebook to your home wireless network

Click on the **Settings** box in the bottom right hand corner of the Chromebook Click on the **drop down arrow** next to the **Network icon**

Select your **home wireless network** and join as you would normally connect to home wireless

Once Chromebook joins the home network, you'll want to fix the settings so it automatically joins the home network.

Click the **Gear icon** on the Settings box

Click **Network**

Click the **toggle switch** next to ***Automatically connect to this network***
