**Administrative Procedure - Local Debt Recovery Program Implementation Procedures**

The following procedure implements the **Delinquent Debt Recovery** section in policy 4:45, *Insufficient Fund Checks and Debt Recovery*. The Superintendent must ensure that individuals or entities owing money to the District receive notice and due process before the debt is certified to the Illinois Office of the Comptroller (IOC) for an offset. The District cannot use the services of the IOC without first entering into an Intergovernmental Agreement (IGA) with it.

Implementing a uniform District-wide delinquent debt recovery process requires consultation with the Board Attorney. Making determinations about which delinquent debts to recover through the IOC’s Local Debt Recovery Program has not been litigated and raises many complex legal and practical issues.

Modify this procedure based upon the District’s specific implementation needs. It relies heavily upon Building Principals to (1) be uniformly trained and (2) train their building-level staff members who are responsible for collecting money owed to the school and/or the District.
