9th grade- 42 11th grade- 141

10th grade- 52 12th grade- 157

2023 AP Results: 305 students took 395 exams with 73% receiving a 3 or higher

College Courses

Through a partnership with Colorado Mountain College, students can take college courses as a part of their high school schedule.

Only the college courses that meet the concurrent enrollment agreement are placed on the high school transcripts, these are not weighted courses. The 2021/2022 school year ended with 338 students earning 2553 college credits at CMC

Diploma with Emphasis:

Students may earn a Diploma with Emphasis in Business, Information Technology, Engineering technology, Fine Arts, Language Arts, Mathematics, Science, Social Studies, and World Language. For this achievement, students must: take a rigorous series of classes, maintain a certain GPA in the discipline, and meet other specific requirements.
