

Wellness Policy Assessment Tool

Form 357 Rev 8/17

This template provides information on wellness policy goals and practices within the SFA. Use this tool to track progress and gather ideas on ways to create a healthier school environment. A separate assessment should be completed for each school, or at a minimum, each school level. The wellness policy and completed assessment must be available to the public. Triennial assessment is required by USDA, annual assessments are strongly encouraged in New Jersey.

VI. Additional Info: Indicate any additional wellness practices and/or future goals used to establish a school environment that promotes students' health, well-being, and ability to learn. Describe progress made in attaining these goals.

*We posted age-appropriate posters on the walls where food and beverages are served to students highlighting and encouraging the value of good nutrition.

*The school lunch program has promotional days during the school year where at least one new nutritional alternative menu item will be featured as part of the menu pattern meal component. The food service staff members have promoted this nutritional alternative during meal service with posters, flyers, and/or hand-outs regarding the nutritional menu item alternative.

*Food service staff have placed healthier food items in the service line where students are more likely to choose them.

*Parents have been provided the nutritional standards of the HHFKA and encouraged to pack lunches and snacks that meet the HHFKA nutrition standards.

*The Principal or School Wellness Policy Coordinator have ensured each student receives at least one presentation per school
