PHILOSOPHY AND GOALS

The School-Age Child Care Program is governed by the Upper Arlington Board of Education.

The Board of Education does not discriminate on the basis of race, color, national origin, sex, disability, age, religion, military status, ancestry, genetic information (collectively, "Protected Classes"), or any other legally protected category, in its programs and activities, including employment opportunities.

The SACC program does not discriminate on the basis of cultural heritage, political beliefs, or marital status.

GOALS:

- To offer a curriculum that is carefully designed to provide enriching activities by supporting the social development and emotional well being of all students in the program and teaching recreational health and safety skills.
- To offer a safe and nurturing environment where students are shown the value of embracing diversity and making positive choices. To empower students to learn problem solving skills to better prepare them as adults and citizens to handle the conflicts of tomorrow.
- To provide professional experienced staff to supervise and interact with students to ensure their safety and well-being.
- To encourage and support family involvement for good open communication for a successful program.

If the Superintendent dismisses school early because of inclement weather or other emergency situations, there will be no SACC that day, and parents are requested to pick up their student as soon as possible.

ENROLLMENT POLICIES

REGISTRATION

- The Upper Arlington School-Age Child Care Program will be available only to children in the Upper Arlington Board of Education's K-5 program and SACC employee's school-agers.
- Registration procedures and deadlines must be adhered to in order to provide efficient and fair administration of the program.

To ensure the safety of the students and the quality of the program, the staff and space available at each site will control enrollment. The maximum number of students in attendance at one time at a program site should not exceed the number recommended by the Board of Education. After priority registration takes place a lottery system will be used to fill any openings. The SACC office will regulate waiting lists, which can vary from school to school. Once on the waiting list, if a family declines or does not respond to contact regarding an opening, the opening will go to the next family on the list and the declining/nonresponsive family will be removed from the waiting list.

- A \$35.00, non-refundable, registration fee per family is required at the time of registration.
- Admission to SACC is complete when all required forms are submitted to the SACC office. Telephone and cellular phone numbers must be accurate and constantly updated for home, work (both parents/guardians) and three nearest relatives and/or neighbors to be contacted in case of an emergency. This information is required by law.
- Once a student is enrolled in the SACC program, parents are responsible for informing the SACC staff of any special medical, physical, or emotional needs and/or custodial arrangements that will assist the staff in the supervision of the student.
- Families must be current in payment when registering for the next school year, and pay any overdue tuition balance, including additional fees, from the previous year before they can return to the program.
- Families must pay the first month's tuition when registering their child for the upcoming school year. If there is a financial problem the Director will be happy to discuss a payment plan. Failure to comply with payment and deadlines will result in losing your space.

Changes in the enrollment category may only be made at the beginning of any month beginning October 1st if there is an open spot in the category requested. (Only one change per year)

WITHDRAWAL FROM PROGRAM

- One week's notice, in writing or by phone call to the SACC office, is required before withdrawing from the program.
- You may request the first month's tuition refunded if you withdraw from the program before the school year begins.

TERMINATION OF ENROLLMENT*

- Your child's enrollment may be terminated for any of the following reasons:
 1. Failure to comply with tuition agreement.
 2. If your account is not paid in full by the end of the school year.
 3. Continual late payment of tuition.
 4. Continual late pickup.
 5. If your child's behavior is unmanageable or unsafe.
 6. Parents are unable or unwilling to work with Site staff to resolve a problem.
 7. It is determined by the Site staff that our program is unable to meet your child's needs.

*If the Director determines that a child's participation in SACC should discontinue, the parent/guardian will be contacted. A meeting can take place to review the situation giving all parties involved the opportunity to express opinions.

SPECIAL NEEDS

Students with special needs are welcome to participate in the SACC program. SACC does not discriminate on the basis of disability. SACC will afford otherwise qualified persons with disabilities an equal opportunity for participation in the program. However, SACC is a program servicing students in a group child care setting. Registration policies and procedures apply equally to all students. In order to participate, students must be able to independently tend to their toileting needs and be toilet trained.

To better care for a student we need all pertinent information regarding special needs. This could include information regarding physical, emotional, or behavioral needs, medications, allergies, or any other special circumstances.

The Student's IEP/Section 504 plan from school personnel may be shared to provide consistency of care.

A determination that a particular accommodation/modification/intervention would constitute an undue burden must be made by the Director after considering all resources available for use in the funding and operation of SACC, and will be accompanied by a written statement of the reasons for reaching that conclusion. In the event the Director determines that an undue burden would result, the District will take any other action that would not result in such burden but would still allow, to the maximum extent possible, individuals with disabilities to receive the benefits of the program on an equal basis as individuals without disabilities. After careful consideration, if a request cannot be accommodated in the group setting of the program, a student may be dismissed from the program. Before a student is dismissed from the program, the parent/guardian will be provided with an opportunity to meet with SACC personnel to discuss the reasons for the intended dismissal. The parent/guardian will be notified of any decision to dismiss a student from the program.

All students must follow the SACC rules and adhere to the SACC Discipline Policy, and the ability to do so is a qualification for enrollment in the SACC program. If at any time during the SACC Program the SACC staff feels the student enrolled in the program and/or the staff, and/or the student himself, are endangered by a student's failure to follow program rules, the student involved may be expelled from the program.

The student folder of each student shall include, but not be limited to:

PROGRAM HOURS

- Before School (A.M.) program hours are 7:00 a.m. – 8:00 a.m.(Tremont, Wickliffe, Windermere). Parents may not bring their student to the program site before 7:00 a.m. Continental breakfast is available until shortly before 7:50 a.m. At 8:00 a.m. students will be dismissed to an area supervised by a building aide.
- After School (P.M.) program hours are from 2:50 p.m. – 6:00 p.m.
- Early Dismissal Days are determined by the SACC Director based on available staff. Early Dismissal days are held at each site. Hours of operation are 1:00 p.m. – 6:00 p.m. Reservations required, first come-first served. Late payment for these days will not be accepted for your student to attend.

SIGN-IN/SIGN-OUT

- In the morning, students must be accompanied into the building and signed in by their parent/guardian. After school, students should immediately report to the SACC site and sign in. The site cannot assume responsibility for your student until he/she is properly checked in.
- Parents, or other designated person, must sign the student out with initials and time when picking them up. They must be willing to show ID upon request. Legal documentation on file is necessary to restrict a parent/guardian from picking up a student. The SACC program cannot assume responsibility for students once they are signed out, either by their parent/guardian or themselves with parental permission, and remain on school property.
- Parents must take their student out of the building once they are signed out.
- Written permission is necessary for your student to leave the SACC program to attend enrichment/intramural activities in the building. Your student must sign in to SACC prior to attending the activity if he/she is returning to SACC afterwards.
- Written, or verbal permission by the parent/guardian is also required to allow a student to leave with someone not listed on your release form. Any person **not** allowed to pick-up or sign-out your student should be listed in writing, and given to the SACC staff.

CUSTODY ARRANGEMENTS

- All parents/guardians listed on the student's release form shall be authorized to pick up his/her student unless SACC is provided the required court order or decree documentation. Parents/guardians are permitted to designate others for pick-up unless the proper legal documentation restricts parental rights and the site supervisor is apprised of the court order of decree. Parents with joint custody should agree to the release list, before the completion of the parent packet. Both parents will be permitted to pick up the student and to designate others to pick up. If one parent has legal custody of the student, they have the right to designate others to pick up, as long as they provide staff with the required court papers.

ABSENCES

- If a student is going to be absent from SACC for some reason other than illness, you are required to notify the Site Supervisor as much in advance as possible. Each site has email availability and a phone with voicemail. (See page 11 for emails and phone numbers).

If a student is absent from school they may not attend SACC.

TRACKING

- A “Tracker” fee of \$10.00 will be charged to the parent/guardian’s tuition bill if a student has not checked in by 3:05 p.m. and/or each time a staff member needs to locate a student who has not reported in advance a reason for his/her absence, or who leaves the SACC area without permission. Parents of part-time students should pay particular attention to reporting to the staff which days their student will be in attendance. A student who is reported ill at school is exempt from this rule.

LATE PICK-UP

- After 6:00 p.m. parents will be charged a late pickup fee of \$15.00 for the first fifteen (15) minute period or fraction of period, and \$25.00 for every fifteen (15) minute period or fraction of period thereafter. Persistent late pickup will result in dismissal from the program at the discretion of the director. If a student has not been picked up by 7:00 p.m., and no contact has been made with the parent, or other person(s) designated to pick up, the Upper Arlington police will be called. SACC staff cannot transport children. SACC reserves the right to suspend and/or terminate enrollment to recurrent late pick-ups.

- Occasional Cards are designed for families who are faced with unanticipated student care needs. There are two choices – 10 mornings and/or 10 afternoons. This card is non-refundable and non-transferable to the next school year. This card may be used anytime school is normally in session during the year. Occasional Cards are not to be used on Early Dismissal Days, Extra Days. They can be used in conjunction with Part Time care. Only one card may be purchased for the school year. Siblings cannot share cards.
- Advance notice is required if your student is going to attend P.M. SACC through the use of an Occasional Card. The staff will not know to look for your student if they do not know in advance to expect him/her on any given day. A.M. Occasional Card users need not notify the site in advance because you must sign your student in prior to leaving them at the program. **Occasional cardholders will not receive any priority registration.**

EMERGENCY CLOSINGS

- If school is announced closed prior to the beginning of the school day, there will be no SACC that day. If the opening of school is delayed, there will be no A.M. SACC. STUDENT POLICY AND PROCEDURES

STUDENT BEHAVIOR/BEHAVIORAL EXPECTATIONS

There are specific behavior guidelines for students enrolled in SACC. Students are expected to participate in, and enjoy activities without disrupting or preventing other student's enjoyment and participation. Staff will have ongoing communication with school personnel and parents/guardians to provide consistent guidance. To develop within a student a respect for self, others, and the environment, the following guidelines are needed.

Students are expected to follow the directions of staff. Site rules will be posted and reviewed with all the students. They are to show respect for others and not fight, kick, pinch, bite, or do anything which would hurt, frighten, or humiliate another student. Threats to other students and adults are taken seriously and considered grounds for suspension. Students are to use a normal tone of voice indoors and use acceptable language at all times. Students are to use furnishings and materials properly, and carefully, and return all items to their designated place when they finish using them.

Parents need to work with the staff in a positive, respectful manner to help resolve any problems. Students must stay within the designated program space, both indoor and outside. Students may not ride their bicycles, roller blades, or skateboards on school grounds during SACC hours unless a special activity is planned. Electronic games are not permitted unless authorized by the Site Supervisor. Cell phones are to remain in back packs. Students will be responsible for cleaning their space after snack, after play, and before leaving with their parents at the time of sign-out.

A student who is having problems playing within the guidelines of the program will be removed from the group to a designated chill area until he/she is able to act in an appropriate manner. Students who have repeatedly violated the SACC rules may be suspended or expelled from the program, and may not be accepted into the program the next year, and may not be permitted to attend SACC on extra days.

CONSEQUENCES

- A discipline slip will be issued when a student repeatedly does not follow the behavioral guidelines of SACC, or for a severe infraction or deliberate violation of the rules.
- Three discipline slips will result in a conference with the supervisor, parent/guardian, and SACC director, and suspension from the program. Tuition payment continues during suspension.
- After suspension, if a student's behavior warrants another discipline slip, the student will be dismissed permanently. Also, if the student's behavior warrants permanent dismissal, he may be dismissed permanently without the usual 4 discipline slips. In such cases, a parent conference will be called.
- If a student is suspended during the normal school day, the child cannot attend SACC until the school suspension is over.

PROHIBITED DISCIPLINE

The following restrictions apply to discipline in the SACC Program:

There shall be no cruel, harsh, or corporal punishment, or any unusual punishments such as, but not limited to, punching, pinching, shaking, spanking, or biting.

Discipline shall not be delegated to a student nor intended to humiliate, shame or frighten a student.

No physical restraints shall be used to confine a student by any means other than holding a student for a short period of time, such as in a protective hug, so that the student may regain control.

No student shall be placed in a locked room or otherwise confined in an enclosed area such as a closet, box, or similar cubicle.

No student shall be subjected to profane language, threats, derogatory remarks about himself/herself or his/her family, or any other verbal abuse.

Discipline shall not be imposed on a student for failure to eat or sleep, or for toileting accidents nor withholding of food, rest or toilet use.

Separation shall be brief in duration, and age and developmentally-appropriate. The student shall be within sight and hearing of a SACC staff member, and in a safe, lighted, and well ventilated space.

HEALTH & SAFETY PROCEDURES

EMERGENCY CARE

- If a student is injured and we deem necessary, an emergency squad will be called for treatment and/or transport to the hospital. We will make every effort to notify the parents as quickly as possible, but the immediate care of the student is our primary concern.

EMERGENCY FORM

- Every student must have an emergency information card on file with the Site Supervisor.

ILLNESS

- SACC personnel cannot be left responsible to care for sick students. Students who are ill, exhibiting symptoms of a communicable disease, and/or running a temperature cannot be left at a SACC site. Parents will be called and requested to pick up their sick student as soon as possible. If absent from school, the student cannot attend SACC.

MEDICATION

- Medication, both prescription and over the counter, will be administered to your student only with your written permission and after you have completed the appropriate authorization form which is signed by your physician. The form is kept at the SACC site, along with a log of when medication is administered.
- All prescription medication must be current within the last twelve months, kept in its original container, and have a legible label containing the student's name and written instructions for use from a licensed physician, nurse practitioner, or dentist. All medicines will be kept in a place that is inaccessible to students.
- Parents are responsible for notifying staff of any medicine that needs to be administered on the extended days.

ACCIDENTS

Since accidents can occur without the knowledge of the Supervisor, students are advised to report any accidents to the SACC staff.

- A SACC staff member will report any injury that he/she determines may need medical or dental attention. An incident report will be completed within a 24-hour period from the time of the incident and provided to the parent when they pick up their student. The parent/guardian will be asked to sign the form, along with the SACC Supervisor and the person reporting the incident. A copy will be placed in the student's file and also forwarded to the Director. SACC will give the school nurse a copy. She will send it to the Treasurer, Safety Coordinator, and the Student Health Record Keeper.

SCHOOL-AGE CHILD CARE CRISIS MANAGEMENT

What To Do First In An Emergency

There are guidelines the SACC staff will follow during an emergency. They will CALL 911 if applicable...police, fire, and emergency squad. Parents should be notified before pick up. The Director should be notified of the crisis situation. Staff will gather information that will be useful to the parties who will assist in resolving the crisis. Student's file/medical information.

Drills - Students shall practice an emergency drill once a month during the school year to demonstrate appropriate procedures and appropriate behavior in accordance with the program's policies and procedures. Tornado safe place and Fire evacuation routes are posted in the SACC space as well as the SACC office.

Accidents - Since accidents can occur without the knowledge of the Supervisor, students are advised to report any accidents to the SACC staff.

A SACC staff member will report any injury that he/she determines may need medical or dental attention. An incident report will be completed within a 24-hour period from the time of the incident and provided to the parent when they pick up their student. The parent/guardian will be asked to sign the form, along with the SACC Supervisor and the person reporting the incident. A copy will be placed in the student's file.
