*****Note regarding Preschool Snacks*****

We want to encourage healthy snacks for our students. If you are able to provide fresh fruit or vegetables a few times during the school year, please let the teacher know. This would be greatly appreciated!

It is requested that all packaged items are nut free. Many of our students have allergies and/or do not tolerate food dyes, so please keep that in mind when shopping for snacks for school. Some healthier snack options are graham crackers, cheese sticks, yogurt, fruit cups, pretzels, crackers, applesauce, unsweetened cereal, granola, raisins, etc.
