

TCSS Wellness Program: Year-End Report
SY 2023-24
Callaway Middle School

Year-end Wellness reports are due to Diane Pain by Friday, May 17.
Reports should include the following information:

- Have the goals for Physical Education been met? **Yes. More than 90% of physically able students in PE have completed the required assessment, AND 90% will take both PE and Health in middle school.**

(Reminder: Goal 1: 90% of physically-able students enrolled in PE will complete the Fitness Gram physical fitness assessment; AND Goal 2: 90% of students will take both a Health Education class and a Physical Education class as an elective course during middle school in order to be educated on overall physical and mental wellness.)

- Did you have a school garden and did students have the ability to participate in this activity. **Yes.**
- If any of the goals have not been met as outlined in the Wellness Policy, that principal will need to provide a corrective action to ensure that the goal is met next year. **N/A**
- Each principal should provide a copy of their Smart Snack and Fundraising logs. **N/A**
