WITNESSTH:

1

Effective immediately and continuing through the school year ending June 30, 2026, at which time this Agreement will terminate, students residing in Zone 5¹ of WCSD, as defined in Exhibit A²

¹ Zone 5 as used herein refers to that geographic area designated and/or treated as Zone 5 in the Action.

² The Zone 5 line is the "Revised Boundary Line" shown in blue on Exhibit A.

attached hereto, whose parents or guardians so desire, shall be entitled to attend SCSD schools pursuant to this Agreement under the following terms and conditions:

- A. Students residing in Zone 5 shall have the option of attending school in either the SCSD or WCSD. For students who elect to attend SCSD schools, WCSD shall compensate SCSD therefore pursuant to Section 2 below.
- B. For the 2021 – 22 and subsequent school years governed by this Agreement, a parent or guardian of a minor student who is currently³ or hereafter during the term of this Agreement becomes a resident in the area designated as Zone 5 will be permitted to make an election regarding whether their child or children will attend school in WCSD or SCSD as follows:
 - (1) The election must be made in writing for each child on a form to be developed by the Superintendents of WCSD and SCSD in consultation with each other. The election may be revisited after the child completes the 5th grade and then the 8th grade.
 - (2) Any election made must apply to all children in the family unit of the parent or guardian, including children who are not yet enrolled in school and children who are born or adopted after the date of the election.
 - (3) For each year governed by this Agreement, the election must be made not later than May 30th. The election may be revisited after the child completes the 5th grade and then the 8th grade. Students who enroll after May 30th, must make their election at the time of enrollment.
 - (4) Once made, the election contemplated by this subsection may not be revoked or withdrawn for that school year.
- C. With respect to (1) a student who, at any time during the term of this Agreement resides in Zone 5; (2) for whom an election to attend SCSD schools has been made; and (3) who thereafter ceases to be a resident of Zone 5: SCSD will no longer be required to educate the student pursuant to this Agreement, and WCSD will no longer be obligated to make payments to SCSD for the student to attend school in SCSD as provided in Paragraph 2.
- D. During the term of this Agreement, WCSD will pay SCSD, as set forth in Section 2 below, for every student for whom election to attend SCSD schools has been made pursuant hereto.
- E. WCSD and SCSD will develop transportation plans for the transportation of Zone 5 students to their respective schools, based on the election made as provided herein, which meets the needs of those students and families who elect to attend their school district.
- F. A decision on where a student residing in Zone 5 and attending SCSD pursuant to this

³ On the date of execution of this 2021 IGA.

Agreement, who ceases to be a resident of Zone 5 by becoming a resident elsewhere within WCSD, shall attend school for the remainder of the school year during which the change in residence takes place shall be made on a case-by-case basis by the Superintendents of SCSD and WCSD in consultation with one another.

During the term of this Agreement, WCSD shall make annual payments to SCSD for educating those Zone 5 students whose families elect to attend school in the SCSD calculated as follows:

- A. Determine the *ad valorem* tax revenue budgeted by SCSD by fiscal year from the then current tax digest advertisement placed in the *Walton Tribune* (as reflected in the section labeled "Taxes Levied") and subtract the 2.5 % fee for collection costs.
- B. Determine the number of students in the SCSD (i.e., those students attending school in the SCSD but not including any Zone 5 students) as per the October FTE count as reported to the State Department of Education.
- C. Divide total local tax revenue determined in (A) by the number of students counted in (B) to calculate the SCSD per-pupil local tax revenue.
- D. Multiply the SCSD per-pupil local tax revenue by the number of students residing in Zone 5 who have elected to attend school in the SCSD (or, for the 2021 – 22 school year, who attend school in the SCSD) to determine the amount of each annual payment.
- E. The amount calculated in (D) shall be paid by WCSD to SCSD before the end of each fiscal year and after SCSD sends the annual list of names and addresses to WCSD for those students who live in zone 5 and choose to attend school with SCSD and no later than March 1 of each fiscal year.
- F. In the event that the WCSD per-pupil local tax revenue as calculated using the methodology set forth in (A), (B) and (C) above should, during any school year subject to this Agreement, be less than the SCSD per-pupil local tax revenue, the annual payment due pursuant to this paragraph 2 shall be based on the WCSD per-pupil local tax revenue.

3.

It shall be the responsibility of SCSD to educate all WCSD resident students assigned to SCSD in the same manner as it educates SCSD resident students.

WCSD and SCSD agree that any claims for either underpayment or overpayment under prior Agreements, including without limitation the 2007 Agreement, are resolved and extinguished, and each releases and covenants not to sue the other in connection with any claims for either underpayment or overpayment by WCSD to SCSD with respect to the education of students residing in Zone 5.

6.

The Term of this Agreement shall commence on the date set forth next above and shall continue through June 30, 2026, at which time it will terminate. During the 2025 - 26 school year, and no later than January 15, 2026, the parties shall, through their school superintendents, Board Chairs or otherwise as they deem appropriate, meet to cooperatively discuss what actions, if any, should be considered regarding the status of students following the termination of this Agreement.

7.

This 2021 IGA shall constitute the entire Agreement between the parties with respect to the subject matter hereof and shall supersede any and all other agreements or amendments, whether oral or in writing, between the parties with respect to the subject matter hereof. This 2021 IGA may only be modified in writing, which modification must be approved by the Boards of Education of both WCSD and SCSD.

IN WITNESS WHEREOF, this Agreement has been executed in duplicate by the authorized chairperson of each Board of Education; attested by the Secretary of each Board of Education; and the Seal of the respective Boards of Education have been affixed hereon.
