Greater Ohio Virtual Student Wellness and Success Plan

The School is developing a plan for the use of Student Wellness and Success Funds received pursuant to ORC 3314.088 to fund the following initiative(s):

Mentoring programs

The school will provide the program in coordination with the following community partners:

Warren County Educational Service Center

The Funds will be utilized to further the program in the following manner:

The expansion of the Greater Ohio Virtual School Mentoring Program to allow for more student contact and student engagement throughout the year.

The School will collect data on the program that includes the dates the program was offered, the time the program was offered (before school, after school, weekends, etc.); individuals who participated in the program, the use of the funds expended itemized by date, and the outcomes of the program including whether the program was successful. The school will use the data collected to provide the required annual report by June 30 to the Ohio Department of Education in the form and format requested.
