### **Maintaining Student Discipline**

**Please refer to the current “Agreement between the Special Education District of Lake County, Illinois and the SEDOL Teacher’s Union, a Council of the Lake County Federation of Teachers, Local No. 504, IFT-AFT/AFL-CIO.”**

Maintaining an orderly learning environment is an essential part of each teacher's instructional responsibilities. A teacher's ability to foster appropriate student behavior is an important factor in the teacher's educational effectiveness. The Superintendent shall ensure that all teachers, other [licensed] educational staff, and any other school personnel (except for individuals employed as paraprofessional educators) when students are under his or her charge: (1) maintain discipline in the schools as required in the School Code; and (2) follow the Board policies and administrative procedures on student conduct, behavior, and discipline.

When a student's behavior is unacceptable, the teacher should first discuss the matter with the student, if appropriate. If the unacceptable behavior continues, the teacher should consult with the Building Principal and/or discuss the problem with the parent(s)/guardian(s). A teacher may remove any student from the learning setting whose behavior interferes with the lessons or participation of fellow students; a student's removal must be in accordance with Board policy and administrative procedures.

Teachers shall not use disciplinary methods that may be damaging to students, such as ridicule, sarcasm or excessive temper displays. Corporal punishment (including slapping, paddling, or prolonged maintenance of a student in physically painful positions, and intentional infliction of bodily harm) may not be used. Teachers may use reasonable force as needed to keep students, school personnel, and others safe, or for self-defense or defense of property.

School officials shall consider forms of non-exclusionary discipline before using out-of-school suspensions or expulsions. The number and duration of suspensions/expulsions shall be limited. The resident district of a student has legal jurisdiction in matters of suspension and expulsion.
