Long-Term Facilities Planning Update

Dr. David Glasner, Superintendent

March 20, 2023

Reasons for a Master Facilities Plan (SP 3.4)

- Provide modern, safe and comfortable learning and teaching environments
- Improve educational experiences by creating collaborative and flexible spaces
- Reduce transitions for students
- Provide increased safety with new and/or renovated facilities

Shaker Heights Schools

- **July 11:** Board Meeting, Resolution to Proceed for ballot issue
- **August 1:** Deadline for filing ballot issue with Board of Elections

Shaker Heights Schools

Decision Point

- Which school buildings should be included in which segment?

Shaker Heights Schools

Segmenting Options

Shaker Heights Schools

Segmenting Scenario B1

Segment 1

- Ludlow
- Woodbury
- Boulevard, Lomond, Mercer, Onaway
- Fernway (addition)

Segment 2

- High School

Order within segments does not necessarily reflect the order of construction.

Shaker Heights Schools

Segmenting Scenario B2

Segment 1

- Ludlow
- Woodbury
- 2 elementaries - Decision point
- Fernway (addition)

Segment 2

- High School
- 2 elementaries - Decision point

Shaker Heights Schools

Order within segments does not necessarily reflect the order of construction.

Segmenting Scenario C

Segment 1

- Ludlow
- Woodbury
- High School
- Fernway (addition)

Segment 2

- Boulevard, Lomond, Mercer, Onaway

Order within segments does not necessarily reflect the order of construction.

Shaker Heights Schools

Next Steps

- Continue to develop Long-Term Facilities Plan
- Plan for future Board meetings
- Continue to send regular informational emails
- Maintain updates on the Master Facilities Planning webpage on shaker.org
