

3rd Grade **SUMMER READING**

The purpose of summer reading is to encourage all students to read over the summer, to enrich learning, and provoke thought while fostering a love for reading. Variety of genres chosen by students will promote a diversity of interests within our community of learners.

Due the first day of school

Welcome to 3rd Grade!

Dr. Seuss said, "The more that you read, the more things you will know. The more that you learn, the more places you'll go." We want our third graders to know that reading is a fun adventure always awaiting them. Please encourage your child to keep reading this summer by completing the third grade reading challenges. You can do these as a family or encourage them to read independently.

We cannot wait to hear all of the reading adventures that took place this summer! It will be a great way to start our year.

Have a great summer!
