

Instructions: Please use the following link for the website Seterra to quiz yourselves on the location of specific countries around the world. Your goal should be to get roughly an 80% on all of the map quizzes for the following sections:

- North America and South America
- Europe
- Asia
- Africa

The goal of this quiz is to prepare you for the school year in AP Human Geography. Many of the topics, concepts, and challenges we discuss in class will be from all around the world. As a result, having a strong understanding of locations around the world will help with your individual success in AP Human Geography. Best of luck!
