Paving the way to the future . . . **One brick at a time!**

In August of 2003, Normal Community High School opened a new campus in northeast Normal. The tradition of almost 100 years has moved to this new, state-of-the-art facility.

Landscape plans utilize engraved paving bricks to create the **Traditions Walkway**. To date, this walkway includes over 500 commemorative bricks.

Wouldn't it be wonderful to honor every NCHS alumni (over 22,000 strong) with a brick on the Traditions Walkway? Become a part of this memorable tradition – purchase your commemorative brick(s) today!
