

# HOSA

## (Health Occupations Students of America)

**Eligibility Requirements:**

Any student interested in exploring careers in the Healthcare Industry.

**Description:**

Joining Southwest HOSA is an opportunity for students to learn more about health career choices, to help them seek successful employment in the healthcare field. Students are encouraged to participate in individual and group competitive event projects, to develop an understanding of current healthcare issues, as well as career exploration. Southwest HOSA students participate in community service projects, tour medical facilities, and host medical career speakers. Members can also attend the State Leadership conference in the Fall and Spring.

**Time Commitment:**

Two meetings a month as well as participating in HOSA community service projects, and health education.

**Procedures for Joining:**

Member forms are available from the advisors or email Rachel Johnson at [rjohnson@gbaps.org](mailto:rjohnson@gbaps.org)  
\$17.00 HOSA State and National membership fee required.

**Activity Time Period:**

September to May
