OPERATING REFERENDUM LEVY - WHAT IS IT?

An operating levy (otherwise known as a referendum revenue request or excess operating levy referendum) is a procedure which allows school districts to raise additional funds to supplement regular state education funding.

The State of Minnesota equalizes many educational levies based upon the district's ability to pay (Equalization Aid). This is one of those levies.

Flexible Revenue Source – can be used for Operations, Supplies, Technology, Facilities Improvements, etc..

Spread on Referendum Market Value tax base of School District (different property types with same market value will pay the same amount of property taxes for this levy)

Exempt Properties – Seasonal/Recreational and Ag. Land beyond the dwelling value (home, garage and one-acre)
