2024-2025 College Credit Plus (CCP) Program - New Philadelphia High School

INTENT TO PARTICIPATE FORM - Important Information For Students and Parents

The College or University, not the High School, determines acceptance into the CCP program.

Students enrolled in CCP must, no matter their chronological age, be mature, independent, and responsible enough to handle the role of "college student." There is a high expectation of study time outside the classroom. Additionally, there will be times during the school day when students will not be at NPHS or at college (travel time, no college classes on Friday, etc.) and therefore on their own without supervision. No transportation is provided.

Students can not earn more than the equivalent of 30 total sem. hours per academic year.

A minimum high school 3.0 cumulative G.P.A. is recommended, but this varies by college. Probation and/or dismissal thresholds are determined by the college so you are strongly advised to become well- informed on their policies, as this could jeopardize progress toward graduation. Students/parents are responsible for paying the cost of books and tuition for any failed college courses and for courses dropped after the college's deadline.

Athletes are responsible for providing their CCP grades to the Athletic Department at the end of the first and third nine-weeks. Official college grades are only available to the high school at the end of each semester.

Parents do not necessarily have access to their child's college information.

There may be schedule conflicts between NPHS and the college, so there is no guarantee that a student will be able to take all requested courses.

*****Students and parents are *strongly encouraged* to attend a CCP Information Session.**

Informational Sessions will be offered at Kent Tusc. on Thursday, October 26th and Tuesday, March 19th, and at Dover High School on Wednesday, January 31st.

******Student and parent must sign this form and submit it to the Guidance Office by April 1, 2024.***
