Motioned: Trustee Reimondo
Seconded: Trustee Mitchell - Marell
Result: Unanimous
Yea: Trustee Jerome, Trustee Mitchell-Marell, Trustee Goodrich, Trustee Hemingway Lynch, Trustee Reimondo, Trustee Storey, Trustee Bishop

3. Welcome

3.01 Assistant Superintendent for Curriculum and Instruction, Stephanie Laffin, will read an update from High School Principal, Lance Edelman

- Mr. Edelman was unable to attend the meeting tonight, but provided an update to be read on his behalf

We are getting to the most exciting part of school year. I encourage everyone to check the high school's website, especially our calendar, for the most up-to-date information.

Please note that we have changed the date of our Spring Concert to Monday, May 20th at 7 p.m. due to a conflict that some of our student-athletes had between sectionals and the original concert date.

Testing season is upon us.

Over the next few weeks, 125 students will take a total of 193 Advanced Placement exams. We wish these students the best of luck.
The June Exam schedule is posted on our website.
As a reminder, our high school offers a significant amount of after-school Regents preparation. The after-school academic support schedule/calendar has been updated and can be found on our website.

I would like to highlight our Seal of Biliteracy program. In 2012 New York state established the Seal of Biliteracy to understand the importance of multilingualism and multiliteracy amongst our students. The Seal recognizes high school graduates who have attained a "high level of proficiency in listening, speaking, reading, and writing in one or more languages, in addition to English."

Onteora was one of the first schools in our county to establish the Seal in 2018. For the past six years we have awarded this achievement to over one hundred students. These students receive a NYS Seal of biliteracy stamp affixed to their diplomas and official college transcripts, along with a medallion to wear at graduation.

This year we will be awarding sixteen Seals. Our recipients consist of ten Spanish students, five French students, one ELL learner, and a junior who presented in Japanese. Our junior will then present in French next year for a dual Seal of Biliteracy. For this particular presentation we invited three Japanese speaking members of our community to watch the presentation and use our school generated rubric to assess. This was a great moment of collaboration with our community to help assist us in the achievement of this gifted student.

This year presentations in Spanish included such topics as tennis player Carlos Alcaraz, surfing in El Salvador, and medicinal plants in Latin America, to name a few. In French, students presented on such topics as French writer Albert Camus and French art films. Our Japanese presentation was on the topic of the Traditional Tea Ceremony.

The Seal is more than just a “high school” achievement. It is an identifier of accomplishment for post-secondary schools and future employers. At Onteora the establishment of the Seal has enabled us to demonstrate that our district values diversity and culture. Even with the decline in student population, we have continued to award Seals through the dedication and hard work of our World Language and English departments.

I am also pleased to report that we anticipate awarding 34 seniors with the Seal of Civic Readiness this year. This is our second year awarding the Seal of Civic Readiness to our graduating seniors. To earn the Seal of Civic Readiness students must earn points in two categories: civic knowledge and civic participation. Students can earn points toward the civic knowledge requirement through demonstrating proficiency or mastery on the Global Studies and United States History Regents exams, taking advanced social studies courses, and/or successfully earning 4 credits in social studies while in high school. To earn points toward the civic participation requirement, students must complete a high school civics project and also do a community service project or tie their work experience, extracurricular experience, or experience in an elective to their understanding of civic engagement.

The high school civics project is a requirement for the AP Government and Civics courses at Onteora. Students each choose a problem that they believe the United States government or New York State government should address and propose a bill or constitutional amendment that would address that problem. Students research the history of the problem—both how it came to be a problem and what attempts have been made to address the problem so far, whether through prior bills or laws or by citizen action. The students then explore the lawmaking process by discussing what would happen when their bill reaches a committee in the House or the Senate (or New York State legislature), how interest groups and public opinion would affect the political process, and how the issue would be reported on in the media. Finally, students imagine that their bill becomes law and make a plan for the executive branch implementation, explore the economic costs and benefits of implementing the new law, and address any anticipated court challenges to their law.

The high school students, faculty, staff, and administration greatly appreciate everything that the Board does for our district. We hope to see you at many of our end-of-year celebrations.

4. Budget Hearing

4.01 The Board President will open the Hearing on the Budget

4.02 Assistant Superintendent for Business, Monica LaClair will present the Budget Hearing (duration 20 min)

4.03 The Board President will close the Hearing on the Budget

5. Acceptance of Minutes

5.01 Acceptance of Minutes

Recommended Action: The Board of Education hereby accepts minutes of the April 16, 2024

Motioned: Trustee Storey
Seconded: Trustee Goodrich
Result: Unanimous
Yea: Trustee Jerome, Trustee Mitchell-Marell, Trustee Goodrich, Trustee Hemingway Lynch, Trustee Reimondo, Trustee Storey, Trustee Bishop

6. Superintendent News

6.01 The Superintendent will report on District News

Teacher Appreciation Week/Day
Today is Teacher Appreciation Day and this week is Teacher Appreciation Week. I shared a message of gratitude today and I'd like to reiterate that I value our faculty and all that they do to educate, nurture, guide, and inspire our students every day. We all have memories of the teachers that truly touched our lives during our years in school and these are the individuals that make those memories for all of our students.

Meet, Greet, and Eat
Our Meet, Greet, and Eat was a wonderful and triumphant return. I want to recognize the incredible work that was done by so many people: the Health and Wellness Committee, the Phoenicia PTA, the Booster Club, the talented musicians who performed for us, the young artists whose work was displayed, our buildings and grounds crew who set everything up, our students who assisted all night long, all of the restaurants and our own school lunch Manager Christine Downs and her staff, Marybeth Mills who coordinated with all of the restaurants, and Amanda Allison who worked tirelessly to ensure that this event was such a success! I understand that $2,665 was raised just in ticket sales, and it was another opportunity for our community to come together! Thank you to all!

Meet the Candidates
We want to thank the League of Women Voters for hosting the Meet the Candidates event on Thursday. I would encourage everyone to attend if you are able, but also please know that we will live-stream and record the event as well. This is always a good opportunity to get to know the candidates a little better than you can just from reading the bios.

Community Gatherings
As a reminder, we have the first of our community gatherings next week. The in-person meeting is on Monday, May 13th and the virtual meeting is on Tuesday, May 14th. As a reminder, these sessions are being facilitated by Sharon Lipovsky. We have asked that anyone interested in attending please RSVP on the website so that we can ensure the room is arranged appropriately and so that we can send the link to join. We will send a reminder email as well as social media posts to encourage participation.

MHAL Track Meet message from Dennis Burkett - MHAL Athletic Coordinator
We received an email from the Mid-Hudson Athletic League reminding us to discuss the situation concerning the MHAL Track Meet with all our community.

The conflicts with AP exams, proms and availability of officials caused the MHAL to move the start of the event back to 5pm.

Mr. Burkett let us know that this is a one-time occurrence, and under the circumstances he feels that it was unavoidable. He wanted us to know that it is possible that students will be returning home around midnight from this competition. The event chair, Eric McLaud and the coaches have done all that is possible to streamline the event and get our student-athletes home as early as possible.

Student and Parent K-4 Orientation at Bennett
Our incoming Bennett students and families are being invited to orientation events in the first week of June. Each grade level is being given a day in which they will be brought to Bennett and get to know the building and they will also be provided with an opportunity to participate in painting the mural while they are there. In addition to the student visits, there will be a parent orientation during the first week of June in the evening. Invitations are going directly to families with all of the details from Principal Buono.

Playground Build at Bennett
Our Director of Facilities has asked that we wait until all of the playground equipment arrives before we release the form for volunteers to sign up for the build. We expect the equipment to arrive next week, so please be on the lookout for the sign-up form. There will be a limited opportunity for volunteers on Friday, May 31st, but we will be looking for volunteers for the morning and the afternoon on Saturday, June 1st.

Middle School Trip to Washington DC
Our students, Principal, and Chaperones will be departing Onteora at 6am tomorrow morning. They have an incredible trip planned that will include visits to important sites such as the Museum of Natural History, the World War II - Vietnam War - Lincoln - Korean War Memorials, the Arlington Cemetery, the National Zoo, the White House, FDR - Thomas Jefferson - Martin Luther King Memorials, a tour of the Capitol, and a dinner cruise on the Potomac River. I'm excited for the students to experience this and I'm grateful to the chaperones for providing this trip - I'm sure the chaperones will be exhausted by the time they return on Friday night.

7. Student Representative Report

7.01 The Student Representative on the Board, Sophia Odato, will give a report

- Ms. Odato was unable to be present at the meeting tonight, but did provide an update to be read on her behalf

  Latest in student government news – one of our outdoor classrooms is now usable! There are 8 benches that have recently been installed in one of the corners of our courtyard, and for the past two weeks teachers have been experimenting with them, reconfiguring the seats to best suit their classes.

Teacher's should keep their eyes peeled for instructions to reserve the classroom, which will be sent out soon.

Throughout the High School, students will be taking AP exams during the next two weeks. So far, AP Government and Politics, and AP Human Geography exams have already been administered. Sculpture and Physics classes had fun on their field trips to Storm King and Six Flags 3 Fridays ago. Congratulations to all of the foreign language students who received their Seals of Biliteracy last Monday. Last week, High School students wore pajamas, western clothes, soccer mom outfits and more to show their school spirit. Seniors proved to have the most spirit, winning the week's events by an incredible margin. Great job to our boy's tennis team! They are on a 10-0 winning streak! The track team is hosting a fundraiser at Santa Fe as we speak, if you are hungry tonight, go support them! Thank you to all that made last night's Meet, Eat, and Greet successful! Lastly, our High School Spring concert will be Monday, May 20th!

8. Board District News

8.01 The Board will report District News

- Trustee Reimondo attended the Second Annual Michael Perkins Award Ceremony and Poetry reading on April 20th hosted by the Friends of the Woodstock Library
    - 8 school districts participated
- Trustee Hemingway Lynch participated in the Olive Town Comprehensive Workshop last week and wanted to grab attention to indicate that they will be hosting 5 workshops.
    - One will be held in the High School this Saturday at 12pm.
        - A lot of data being done with land usage
        - Wishes, wants and worries
- Last week, Trustee Storey had the opportunity to help at the class wars and wanted to thank the community for their donations and participation for that event and the Meet, Greet, and Eat.
- Trustee Bishop reiterated how wonderful the Meet, Greet, and Eat was and also thanked the community and students for coming together to make the event a success.
- Trustee Bishop attended the grand opening of the Boiceville Fire House and described the events that took place while she was there.
    - All firefighters worked on the construction in some way
- Trustee Jerome wanted to acknowledge the hand painting signage made by the senior class at the Meet, Greet and Eat.
- Trustee Mitchell-Marell attended the Woodstock Elementary Yard Sale on Saturday which was well attended all day

- Trustee Hemingway Lynch wanted to thank the partnership between the Phoenicia PTA and the Administration to bring the Center of Creative Education to Phoenicia last week.

9. Acknowledge Public Be Heard Comments

9.01 The Board will acknowledge the public be heard comments from the last meeting

no one spoke

10. Public and Student Comment

10.01 Public and Students may comment on any agenda or non-agenda item

The Board appreciates hearing from the public, including students, on any agenda or non- agenda item. Please understand that by our adopted parliamentary procedure, the Board can't engage in discussion or answer questions during Public Be Heard. Please know that we hear you and take all your comments into consideration. The Board does reserve the right to correct any inaccuracies or misinformation during Public Be Heard. Please limit your comments to 3 minutes, be civil, and do not name any particular individuals or promote any commercial ventures or products. People wishing to express individual student or personnel concerns can bring them to the Superintendent's attention in private.

- Lindsay Shands
- Rick Wolff
- Rick Knutsen

11. **Break**

11.01 The Board will take a 5-minute break at 7:45 pm

12. Discussion and Possible Action

12.01 Approve Board of Registration for 2024 Budget Vote & Election

Recommended Action: The Board of Education hereby approves the updated Board of Registration for the 2024 Budget Vote & Election

Motioned: Trustee Reimondo
