Dear Educator,

We're thrilled to announce the 42nd Agents of Change Live-In Camp of the National Federation for Just Communities of Western New York, Inc (NFJC). This unique opportunity for young leaders aged 14-18 will be held from August 19th to 23rd. This free five-day residential program is designed to foster community-building and personal growth in a unique setting.

The camp features presentations by the Erie County Sheriff's Department, FBI, and other community leaders fostering honest dialogue about youth and law enforcement misconceptions. Campers and law enforcement discover common ground through demonstrations, activities, and discussions led by our experienced NFJC staff.

At our camp, it's not all about serious discussions. We believe in the power of fun and bonding. Campers will get to enjoy hiking, team sports, crafts, and campfire conversations, creating lasting bonds and unforgettable memories. Did we also mention that it is FREE!

Please share our [camp flyer](#) and nominate students using the QR code below by June 14th. Space is limited, and admission isn't guaranteed. Accepted students will receive details, including transportation arrangements.

Thank you for supporting our programs. We're eager to collaborate with your students! Further information can be found at [www.nfjcwny.org](http://www.nfjcwny.org) or by calling 716.853.9596.

With appreciation,

Dr. Kristy Tyson, MBA.DM  
Director of Diversity Education
