

AP Psychology Summer 2024 Work

Happy summer and welcome to AP Psychology! In order to prepare for the AP exam it is imperative that we get started as soon as possible with Unit 1 of the AP psychology course. The best way to do that is with summer assignments.

Please note that your assignment consists of two parts. You **MUST COMPLETE BOTH** parts. Assignments are due the first day of class.

To help you complete these assignments, please make use of the resources below:

<https://library.fiveable.me/ap-psych/unit-1/intro-psychology/study-guide/otxzARc5V0Z9ABNEG3jI> (Study Aid for AP exam)

<https://www.apa.org/> (American Psychology Association)

<https://www.barronseduc.com/blogs/ap/post/ap-psychology/unit-1-notes> (Barron's AP resources)

<https://www.youtube.com/watch?v=fLL0nBfq3oY> (AP Psychology Review Videos)

<https://www.verywellmind.com/> (Very Well Mind)

Lastly, please feel free to email me any questions that you have at ashaffery@saintjohnsprep.org.

Part I:

Pick one of the historical figures from the list below and create an “impact web.” Your web should consist of 3 major contributions of the individual you have chosen and the outcome of their contributions. Please be specific. You may use the web provided below and refer to the example for guidance.

Purpose: the purpose of this activity is to introduce you to the main historical figures in psychology and how they have impacted the field as we know it today. One the first day of class, we will share who we chose for the project and out web. We will do this first in small groups, then as a larger group.

Figures to choose from:

Mary Whiton Calkins

Charles Darwin

Dorothea Dix

Sigmund Freud

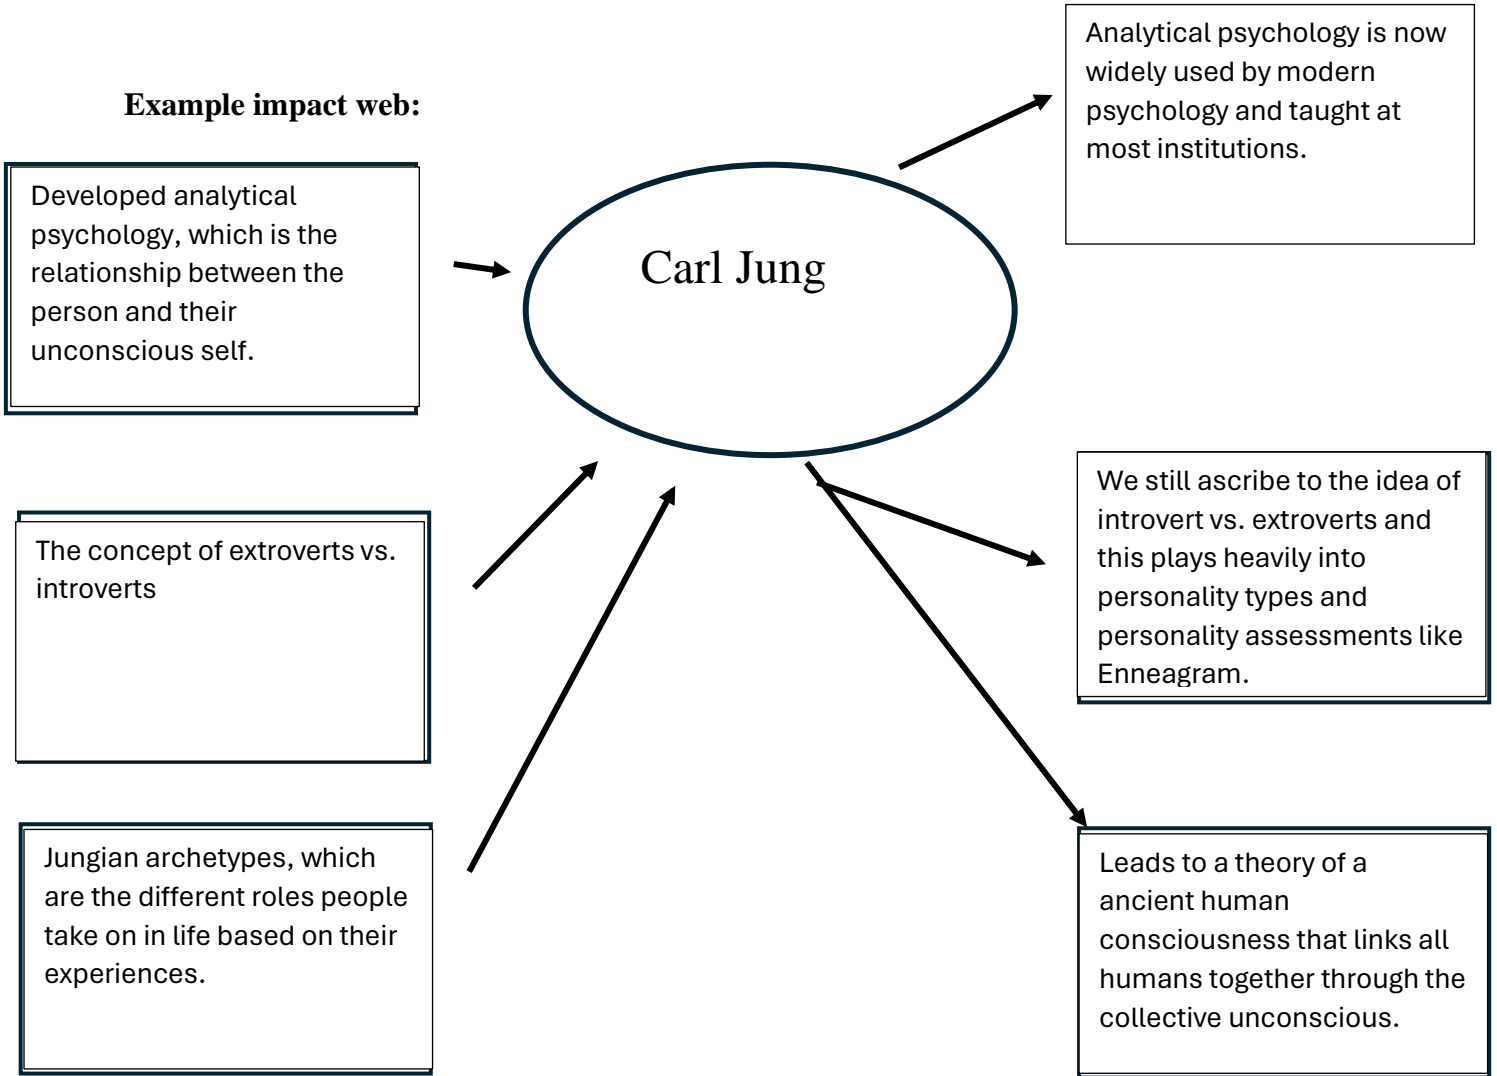

G. Stanley Hall

William James

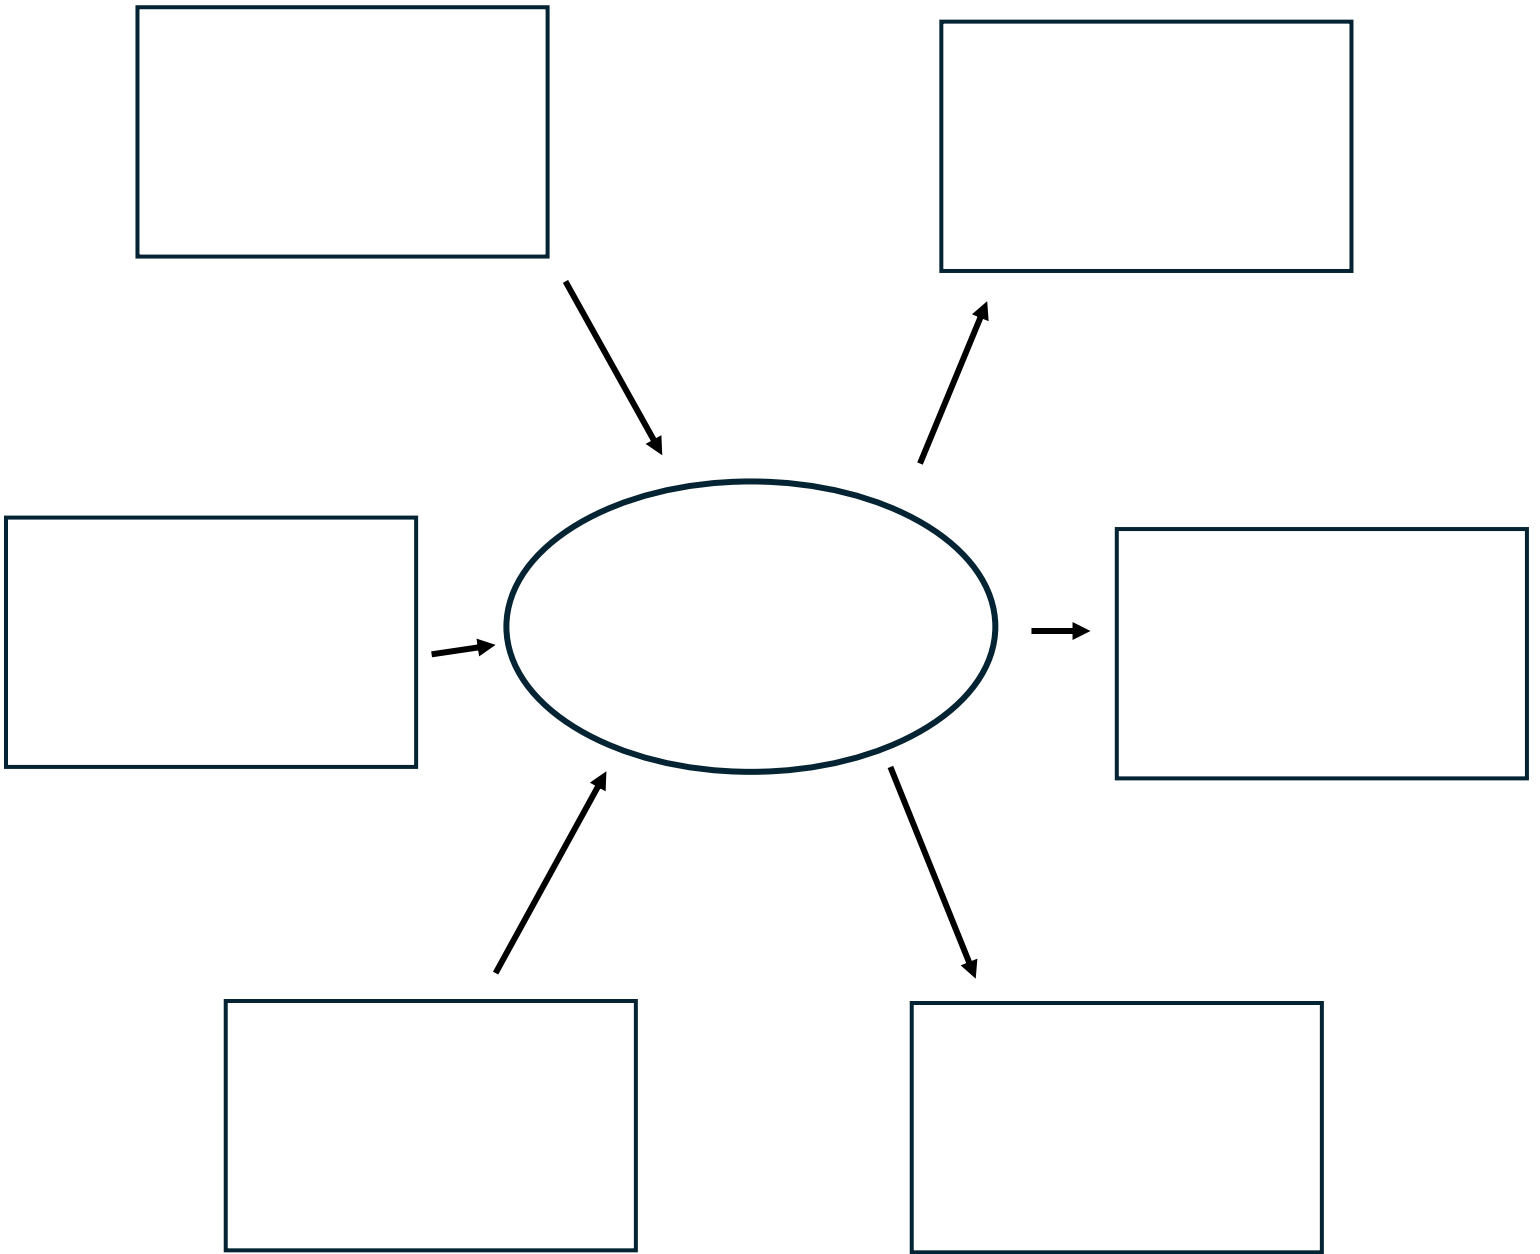

Ivan Pavolv

Jean Piaget
Carl Rogers
B. F. Skinner
Margaret Floy Washburn
John B. Watson
Wilhelm Wundt

Example impact web:

Impact web worksheet: You may either type this or handwrite it. Note if you choose to type it, you will need to insert a text box into each shape.

Part II:

Define: using the resources provided in the directions on the first page, define the following terms on flashcards:

Structuralism

Functionalism

Early Behaviorism

Gestalt

Psychoanalytic/psychodynamic

Humanistic

Evolutionary approach

Biological approach

Cognitive approach

Biopsychosocial approaches

Sociocultural

Purpose: these are terms that will be appearing again and again throughout the course and creating flashcards this summer will help you immensely in this course.
