1. Direct the work of its employees.
2. Hire, promote, demote, discipline, dismiss, and retain its employees.
3. Maintain the efficiency of school district operations.
4. Exercise its powers and duties in respect to assignment of personnel.
5. Prepare, adopt, and administer its budget.

6. Nothing contained in this Agreement may be construed to divest the District of its management rights, duties, or responsibilities, except as may be specifically limited by terms and conditions of this Agreement.

#### Section C. Organizational Rights

1. The CSEA shall have the right of access at reasonable times to areas in which employees work.
2. In addition, the CSEA shall have the right to use bulletin boards designated for such use by the supervisor or building principal and to use existing mailboxes for delivery of CSEA communications.
3. In addition, the CSEA shall have the right to hold meetings subject to applicable facility use regulations.
4. The District shall provide a copy of this contract and any amendments to every employee in the bargaining unit.
5. The District shall not discriminate against any employee represented by CSEA on the basis of race, color, creed, age, sex, physical handicap, membership in any employee organization, or participation in the activities of an employee organization.
6. Two delegates from CSEA, if those delegates are 12-month employees, shall be granted paid release time of up to five days each per year for the purpose of attending the CSEA annual state conference.

If one or both of those delegates are employees who work less than 12 months, then they will be granted paid release time only if the conference falls during their regularly scheduled work year.

When choosing conference delegates, CSEA shall make every effort to minimally impact the workload at one particular site and/or department.

7. Classified bargaining unit employees shall have the right to representation on all district and site councils, committees, and leadership groups which involve shared decision making, issues which affect classified employees or issues which are of interest to classified employees. Classified employees have the right to vote and to participate in discussion. In weighted votes, each classified employee shall have one (1) vote. This right excludes cabinet meetings and management team meetings.

Classified representatives on uncompensated district and site councils, committees and leadership groups will be appointed by CSEA or elected by classified employees at the site.

Classified representatives on compensated district and site councils, committees and leadership groups will be selected according to Article X, Section H of this agreement.

8. Whenever a local option (i.e. schedule change) of the certificated bargaining unit involves an issue which impacts classified work year, work week, work day, work load or working conditions, the District shall meet with the CSEA bargaining team to assess the impact of that decision on classified bargaining unit members and provide the opportunity to negotiate any changes resulting from that decision.

9. The District shall provide the CSEA President with one copy of the complete Board of Trustees meeting agenda, except for materials that are for closed sessions.
10. Classified bargaining unit employees shall be included in the administrator evaluation process. CSEA unit employees shall be afforded the opportunity to confidentially and anonymously provide input on their own administrator/supervisor using a mutually-developed evaluation process.
11. When modifying current positions or creating new positions, the District will negotiate such modifications and the salary placement of new positions with CSEA. A District committee shall be established to develop and negotiate a school district calendar for the following year. The committee shall meet no later than April 1 of each year. CSEA shall have proportional representation on that school district calendar committee.
12. The District will ensure that CSEA is provided the opportunity to have their membership vote on their preferred proposed school district calendar prior to the District making a final recommendation to the Board.
13. The District and CSEA shall meet and negotiate the classified work calendars for the following year. The committee shall meet no later than April 1 of each year.
14. CSEA shall have the right to conduct quarterly orientation sessions on this Agreement and the rights and privileges of employees in the work site for bargaining unit employees during regular working hours at a time established by mutual agreement between CSEA and the District. These orientation sessions will be jointly with the District when appropriate.

#### Section D. Organizational Security

1. It is the mutual intention of the parties that the provisions of this Article protect the rights of individual workers without restricting CSEA's right to require every bargaining unit employee, except those exempt from these provisions, to pay a fair share of the cost of collective bargaining activities.
2. Except as expressly exempted herein, all employees in the bargaining unit who do not maintain membership in good standing in CSEA are required, as a condition of continued employment, to pay service fees to CSEA, in amounts that do not exceed the periodic dues of CSEA, for the duration of this agreement.
3. No employee shall be obligated to pay dues or services fees to CSEA until the first of the month following 30 calendar days after the employee first comes into the bargaining unit.
4. Any employee who is a member of a religious body whose traditional tenets of teachings include objections to joining or paying service fees to employee organizations shall not be required to join, maintain membership in, or pay service fees to CSEA as a condition of employment. However, such an employee shall be required, in lieu of a service fee required by this agreement, to pay sums equal to such service fee to one of the following nonreligious, nonlabor organization, charitable funds exempt from taxation under Section 5019 (c) (3) or Title 26 of the Internal Revenue Code:
  - a) The Marin Chapter of the United Way
  - b) Marin County Shelter for Battered Women
  - c) Make a Wish Foundation

5. Any employee claiming this religious exemption must file a written request for exemption with CSEA, Legal Department, San Jose, CA. If the request is granted, the employee shall, as a condition of continued exemption from the requirement of paying service fees to CSEA, furnish CSEA with copies of receipts from the charity selected, as proof that such payments have been made, or shall authorize payroll deduction of such payment.

#### Section E. Dues and Service Fee Deductions

1. CSEA has the sole and exclusive right to have employee organization membership dues and service fees deducted by the employer for employees in the bargaining unit.
2. The employer shall deduct, in accordance with the CSEA dues and service fee schedule, dues, service fees or payments to charity in lieu of service fees from the wages of all employees who are members of the bargaining unit and who have submitted payroll deduction authorization forms to the district. Such authorization shall remain in effect until expressly revoked in writing by the employee.
3. The employer shall, without charge, pay to CSEA within 15 days of the deduction all sums so deducted, except that the employer shall pay to the designated charity sums deducted in lieu of service fees from the wages of employees whose requests for religious exemption pursuant to this agreement have been approved by CSEA.
4. Along with each monthly payment to CSEA, the employer shall, without charge, furnish CSEA with an alphabetical list of all workers in the bargaining unit, identifying them by name, social security number, months per year in paid status and annual salary, and indicating the amount deducted, if any, and whether such deduction is for dues, service fees or charitable contributions.
5. Nothing contained herein shall prohibit an employee from paying service fees directly to CSEA.
6. The employer shall immediately notify the CSEA chapter treasurer if any employee in the bargaining unit revokes a dues, service fee or payment in lieu of service fee deduction authorization.
7. The employer shall deduct and pay to CSEA service fees for each bargaining unit employee who is not a CSEA member in good standing and who is obligated to pay such fees, pursuant to this agreement, unless CSEA notifies the employer that the employee is paying such fees directly to CSEA. A payroll deduction authorizations form shall not be required for such deductions.
8. CSEA will furnish all service fee payers with an adequate explanation of the basis for the fee and the calculation of that portion of the fee which is chargeable to activities related to collective bargaining. CSEA will provide all service fee payers with a reasonably prompt opportunity to challenge this calculation before an impartial decision maker and will deposit into an interest-bearing escrow account all amounts reasonably in dispute while such challenges are pending.

#### Section F. Hold Harmless

1. CSEA agrees to reimburse the employer, its officers and agents for reasonable attorney's fees and legal costs incurred after notice to CSEA in defending against any court or

administrative action challenging the legality of the organizational security provisions of this agreement or the implementation thereof.

2. CSEA agrees to reimburse the employer, its officers and agents for any award or compromise of damages or liability arising out of any court or administrative action challenging the legality of the organizational security provisions of this agreement or the implementation thereof, provided the employer has complied with the terms of the Article and has promptly notified CSEA of its awareness of such an action.
3. CSEA shall have the exclusive right to decide and determine whether any such action shall be compromised, resisted, defended, tried or appealed.

## ARTICLE II WORKING CONDITIONS

### Section A. Hours of Employment

1. The normal workweek shall consist of five (5) consecutive days, Monday through Friday, and forty (40) hours except for Adult Education paraeducators. The workday for full time employees shall be eight (8) consecutive hours exclusive of lunch periods. The length of the workday shall be designated by the District for each employee. Each employee shall be assigned a fixed, regular number of hours. Any changes in regular hours shall be the subject of negotiations between the District and CSEA.

Employees' regular hours may be temporarily rescheduled in case of an emergency. Employees shall have the right to refuse, for good cause. An emergency is defined as a condition that cannot be reasonably foreseen and is threatening to the health or safety of students or staff, or to District property. This provision shall not be used by the District to circumvent the overtime section of this Agreement nor to deny an employee any other rights.

2. All 6, 7 and 8 hour employees shall be entitled to a scheduled, uninterrupted lunch period. The length of the lunch period shall be no longer than one hour nor less than one half hour and shall be scheduled insofar as it is practicable at or about the midpoint of the work shift.
3. Employees shall be entitled to rest periods which, insofar as it is practicable, shall be scheduled in the middle of each work period. The rest periods are granted at the rate of fifteen (15) minutes per four (4) hours worked.
4. Adjustment of Assigned Time (Part Time Employees)  
Employees who are assigned a minimum of thirty (30) minutes per day in excess of their part time assignments for a period of twenty (20) consecutive working days or more, shall have their basic assignments changed to reflect the longer hours, in order to acquire all benefits on a properly prorated basis, effective with the next pay period.
5. A night shift differential of 2.5% (equal to .5 of a step) shall be paid to employees who commence work at noon (12:00 P.M.) or after and who also work after 5:00 P.M. This differential is already reflected in salary ranges for the following job classifications: 1. Night Custodian, 2. Program Assistant, and 3. Senior Program Assistant. Subject to Education Code section 45185, employees shall retain their night shift differential rate of pay when temporarily assigned to a non-differential shift as defined in this section.
6. From six up to eight hour positions can be increased without opening except in those cases where there is a senior person in the same job classification or on a bona fide re-employment list.
7. Special Activity Days - i.e. Staff Development, Instructional Improvement, District Back to School. Employees who attend special activity day functions and are not scheduled to work during that day, shall be compensated at their hourly rate of pay for the time that they attend the special activity. If the special activity occurs outside the employee's normal work hours and the employee works 40 hours during that week, the employee shall be compensated at the overtime rate that he/she spends at the special activity.

## Section B. Overtime

### 1. Compensation, Definition, Categories

All overtime hours as defined in this section shall be compensated at a rate of pay equal to time and one half the regular pay of the employee.

- a) For a full time employee, overtime is defined to include any time worked in excess of eight (8) hours on any one shift, or in excess of forty (40) hours in any calendar week.
- b) For employees who work at least four (4) hours but less than eight (8) hours per day, all hours worked beyond the work week of five (5) consecutive days shall be compensated at the overtime rate commencing on the sixth consecutive day of work.
- c) For employees who work less than four (4) hours per day, all hours worked beyond the work week of five consecutive days shall be compensated at the overtime rate commencing on the seventh consecutive day of work.
- d) Overtime work shall be divided into two categories:
  1. Overtime requested by a supervisor/administrator which is necessary to complete an employee's regular assignment/duties and is not subject to rotation.
  2. All other tasks determined by a supervisor/administrator arising out of special needs of the District.

As defined in #2, overtime shall be rotated within site/classification among qualified employees on a strict rotation basis during each employee's regular work year. Employees shall have the right to reject any offer of overtime, providing it is not an emergency situation. Rejected overtime will rotate the employee to the bottom of the list.
- e) The employee is responsible for submitting a monthly time sheet to their supervisor for all overtime accrued and/or used. The supervisor shall submit all such time sheets monthly to the District Business Office for tracking and payment purposes.
- f) The District may hire outside the District only if there are no qualified bargaining unit employees available to work overtime.
- g) The District will compile a list of custodians and other M&O personnel who wish to work overtime. This list will be used to hire employees for custodial and other M&O overtime assignments if there are no employees available to work as stated in 2 above. The Human Resources and M&O Offices shall compile the list during the month of August, and again at the end of the first semester, by circulating as form to all custodians and other M&O personnel. The list will be distributed to the Senior Director of Maintenance, Director of Custodial Services, assistant principals, and Lead Custodians, who will make a reasonable effort to rotate the distribution of overtime among employees on the list.
- h) Refer to Appendix O (Supervision) for overtime compensation regarding supervision of games and activities.

2. Holidays

All hours worked on holidays designated by this Agreement shall be compensated at 2 times the regular rate of pay. Additionally, the employee shall receive 50 percent of the time worked in the form of compensatory time off.

3. Compensatory Time Off

As of January 1, 2018, the balance of all individual classified employee compensation hours will be reported to the Business Office on a monthly basis throughout the fiscal year. The employee is responsible for submitting a monthly timesheet to their supervisor for all compensatory time accrued and/or use. The supervisor shall submit all such time sheets monthly to the Business Office for tracking and payment purposes. An employee in the bargaining unit shall have the option of compensatory time off in lieu of cash compensation for overtime work. Such election shall be mutually agreed upon by the employee and the immediate supervisor prior to the time the overtime is to be worked.

If the District can only grant compensatory time off because of lack of money and the employee does not wish compensatory time off, it will be the same as rejecting overtime. Employees shall have an option on or before June 30th of each fiscal year to be paid out for part or all compensatory time earned during the fiscal year. Alternatively, compensatory time not taken within one (1) year in which it was earned shall be paid to the employee within 30 days after the expiration of the one (1) year. Only 240 hours of compensatory time off may be accumulated by an individual employee in accordance with the Fair Labor Standards Act.

Earned compensatory time shall be taken at a time that is mutually agreed upon by the employee and the supervisor.

For employees on split assignment or employees who earned compensatory time at one site and have transferred or been promoted to a position at another site, compensatory time earned at one site may be taken at another site by mutual agreement between the employee and the supervisors at both sites.

4. Minimum Call-In Time

Any employee called back to work, either before or after normal working hours or on a day not worked, shall receive not less than two (2) hours of pay at applicable rate, irrespective of the actual time worked.

Section C. Scheduling of Summer Work Days for Clerical Employees

1. For clerical employees working more than 215 days but less than 12 months, every effort shall be made to grant employees their requested non-work days, consistent with the needs of the district.
2. In case of insufficient coverage due to employees requesting the same time period off, allow for mutual discussion. Recognize seniority and allow for trade or rotation of first choice in successive years.

Guidelines for this section can be found in the Classified Employees Handbook.

#### Section D. Alternative Summer Work Week

1. All 11 and 12 month employees shall have the option of working a four day week of ten hours per day.
2. No employee or group of employees will be forced to work a four day work week.
3. It is the responsibility of the administration to have coverage for five days a week during normal business hours.
4. For any employee or group of employees, participation in this option is subject to approval of administration.
5. This is allowable by Section 45132 of the California Education Code:  
*"Notwithstanding the provisions of Section 45131, a governing board of a district may establish a 10 hours per day, 40 hour, four consecutive day workweek for all, or certain classes of its employees, or for employees within a class when, by reason of the work location and duties actually performed by such employees, their services are not required for a workweek of five consecutive days, provided the establishment of such a workweek has the concurrence of the concerned employee, class of employees, or classes of employees as ascertained through the employee organization representing a majority of the concerned employees or class or classes, of employees as determined by the payroll deduction authorizations for dues in classified employee organizations on file with the district on the last day of the month preceding the date the board action was taken."*
6. For this section, the summer shall be defined as beginning the Monday after the last day of the regular school year and ending the Friday before the start of the following school year.
7. Staffing will be structured to provide coverage on all weekdays except the July 4<sup>th</sup> holiday. We want to make sure that schools are not in a vulnerable position because of lack of coverage. Schedules of coverage will be provided to the appropriate administrators.
8. The above requires that some employees will work Monday through Thursday, and others will work Tuesday through Friday. This schedule may be rotated among employees at a site.
9. Sick leave and other leaves will be deducted based on hours an employee would have been expected to work on any given day. Lead custodians or appropriate employees will be responsible that timesheets correctly reflect the four day schedule.
10. Employees will be encouraged not to use single vacation days.
11. Although it is anticipated that little or no overtime will be required of the employees concerned, it is agreed that the overtime rate will be paid for all hours worked in excess of ten hours per day, as well as work performed on the fifth, sixth or seventh day.
12. July 4 will be a paid holiday for employees affected. If the July 4 holiday falls on an employee's regularly scheduled day off, then the employee shall receive a substitute day off. (Ed Code 45206)
13. This section shall apply to 11 and 12 month positions only. Employees will have the option of the four day week.
14. Work schedules will be determined by site. The Administration reserves the right to revert to a five day week at any time, if the four day week is not working.

#### Section E. Summer Work

The District & CSEA agree to incorporate the provisions of Section 45102 of the Calif. Education Code in the application of assignments at times other than the regular work year (e.g., summer work).

An employee who accepts a summer school assignment shall receive, on a prorated basis, no less than the compensation and benefits (sick leave, vacation, holidays) applicable to that classification during the regular academic year.

#### Section F. Work Year for 12-Month Employees

The work year for 12-month employees shall be 260 workdays including holidays and paid vacation days. Commencing with 2001-2002, in any fiscal year when the number of weekdays exceeds 260, the day(s) in excess of 260 shall be unpaid, non-workdays.

Unless the employee and their supervisor otherwise mutually agree in writing to another day or days within the same fiscal year, the unpaid non-workday(s) shall be the weekday(s) immediately preceding the New Year's Eve holiday.

## ARTICLE III HOLIDAYS-CALENDAR

### Section A. Declared Holidays

The District agrees to observe the following holidays:

1. New Year's Day, January 1

(10 days per year)
- B. Commencing with their fifth year of service, classified employees shall earn  $1\frac{1}{4}$  working days of vacation for each month worked.  
(15 days per year)
- C. Commencing with their ninth year of service, classified employees shall earn  $1\frac{1}{3}$  working days of vacation for each month worked.  
(16 days per year)
- D. Commencing with their eleventh year of service, classified employees shall earn  $1\frac{5}{12}$  working days of vacation for each month worked.

- I. Employees terminating employment with less than six (6) months of service shall receive no vacation allowance.
- J. Vacation allowances shall be based on full calendar months and prorated for less than full months.
- K. Vacations for all employees shall be granted based on the needs of the district. A request by an employee may be granted when, in the determination of the district or immediate supervisor, the request is consistent with the needs of the district. Employees shall use the classified vacation request forms agreed to by the District and CSEA. (Appendix B)

School site employees who work less than twelve months shall not be allowed to take earned vacation on days schools are in session or on other days when they are assigned to work. However, any employee may request to be absent on vacation (rather than for illness) in the event of an emergency or other special occasion on any of the above days.

If the request is approved, the absence would be treated as leave without pay since the employee's monthly salary computation included payment for all assigned work days plus vacation plus holidays and longevity.

- L. Vacation time is earned by June 30 of one fiscal year and should be taken by June 30 of the following fiscal year. The District and CSEA encourage employees to take all vacation earned in one fiscal year by June 30 of the following fiscal year. However, under certain circumstances, the employee may carry over vacation into the second fiscal year following the year that it was earned. Effective July 1, 2005, employees may not accrue more than two (2) years worth of vacation, except as allowed below. These circumstances are limited to the following:
- 1) If an illness or injury prevents an employee from using up vacation prior to the June 30 deadline, that unused vacation shall be carried over into the next fiscal year.
  - 2) If the District has denied an employee's vacation request due to work load demands, the employee shall be able to carry over all unused vacation into the following fiscal year.
  - 3) If an employee's written request is approved by the supervisor, an employee may, under special circumstances, carry over up to 15 days earned vacation to the next fiscal year.
- M. An employee who is unable to use earned vacation due to L1 or L2 (above) may request one of two options:
- 1) Carry over the earned vacation to the following fiscal year.
  - 2) Be paid for earned vacation days. The employee will be compensated at his/her rate of pay. The employee must declare this option in writing to his/her supervisor and the Payroll Department prior to the June 30 deadline. If the supervisor denies the request for pay in lieu of vacation days, a written appeal may be made to the Superintendent or designee for final decision.
- N. If an employee, while on vacation, becomes ill the days of the illness shall be taken from accumulated sick leave and not counted as vacation. Before this sick leave is granted, the District may request, at employee expense, verification of the illness.
- O. If a holiday, already granted under the terms of this Agreement, occurs during the vacation period of the employee, the holiday will not be counted as a vacation day.
- P. Effective July 1, 1981, for the purpose of this Article, years of service shall be determined by the period of time between an employee's date of hire and each succeeding anniversary of that date.
- If an employee has a break(s) in service, years of service shall be determined by adding the years and fractions of years for each period of service.
- Q. Each classified employee shall be granted one (1) additional day of vacation annually, the date to be determined by mutual agreement between the employee and the supervisor. No substitutes shall be hired for this extra day. Less than 12-month employees shall get an actual day off, not payment for the additional vacation day.

Because of the nature of cafeteria duties, it will be necessary to add one day's pay in lieu of vacation. The additional vacation day will be added by the Payroll Coordinator to the worksheet that is prepared for cafeteria workers at the beginning of each school year.

Use of such unearned sick leave shall not exceed that which can be credited for one year of employment.
5. If an absence exceeds three (3) days, a supervisor may request verification of the illness from a physician either during the illness or subsequent to the illness. If the District requires verification of the illness which is less than three (3) days, the cost of the medical examination and verification will be borne by the District.
6. When an employee is absent from his/her duties on account of illness or accident for a period of five (5) months or less, the amount deducted from salary due him/her for any month in which the absence occurs shall not exceed the sum which is actually paid a substitute employee employed to fill his/her position during his/her absence.

Additional members of the family may be included at the discretion of the Superintendent or designee.

Section E. Leave of Absence for Maternity, Family Care, Serious Health Condition, Child Rearing or Adoption

1. **Maternity Sick Leave**

Unit members who are pregnant or disabled because of pregnancy, childbirth or related serious illness and recovery therefrom may use sick leave as provided in this Agreement. The period of actual disability shall be supported by written statement from the employees' physician, provided, however, that the District may, at its option and expense, obtain another medical opinion. The District may require that the verification be updated every thirty days during the period of disability.

This article shall not be construed so as to deprive employees of leave rights mandated by the Education Code for absence due to illness resulting from pregnancy.

2. **Family Care & Medical Leave**

The District will be in compliance with the State Family Care & Medical Leave Act and the Federal Family & Medical Leave Act. (Refer to Board Policy 4161.8.)

This leave shall be consecutive to other leaves in this article.

An employee may take accrued vacation time during the period of his or her Family Care & Medical Leave entitlement.

Employees who intend to take such leaves shall notify the Superintendent or his/her designee at least ten work days prior to the beginning of the unpaid leave. This advanced notification

No compensation, paid leave, or paid employee benefits will be granted during the unpaid leave.

Employees on parental leave must file with the Superintendent or his/her designee, four (4) weeks prior to the termination of the leave, a written statement of their intention to return at the end of the leave.

6. When entitlement to industrial accident or illness leave has been exhausted, entitlement to other sick leave will then be used; but if an employee is receiving workers' compensation, the person shall be entitled to use only so much of the person's accumulated or available sick leave which, when added to the workers' compensation award, provides for a full day's wage or salary.

7. During all paid leave of absence, under this section, whether industrial accident leave, sick leave, vacation, compensated time off or other available leave provided by law or the action of a governing board, the employee shall endorse to the District wage loss benefit checks received under the workers' compensation laws of this state.

Employees on leave or on vacation may authorize their Job Representatives or CSEA Chapter President to file for a transfer on their behalf. Vacancy notices shall be posted at all work sites for at least five workdays before the interview for the vacancy is held. A waiver of the 5-day requirement may be granted by mutual consent of the District and CSEA if all employees eligible for transfer have been contacted and have declined the transfer opportunity.
  - c. If there is a single applicant for a lateral transfer, that employee shall be granted the transfer provided their most recent evaluation Meets Expectations or better. An employee who transfers may choose to return to their previous position within 3 months of the date they start work in the new position. Transferring employees will be evaluated within 3 months in the new position and may be returned to the previous position if the evaluation is overall less than Meets Expectations. For purposes of this Article only, "seniority" is defined as length of service in the employee's job classification. The appointing supervisor may select a committee (as specified in Section E-2) to act in an advisory capacity.
  - f. If there are no requests for voluntary transfer, then a separate vacancy notice shall be sent to the work locations of other District employees.
3. A probationary employee who has transferred shall have their next regular evaluation done collaboratively by both the current and former supervisors.

## Section C. Promotions

1. The District and CSEA are committed to providing first consideration to bargaining unit members in any promotional opportunity and we are committed to hiring candidates with the education, experience, knowledge and potential to be successful in the position. 10. Salary Placement: Employees temporarily or permanently promoted to a position of a range higher on the salary schedule shall receive the salary of the new position. Placement on the appropriate step of the new range shall be at a point which is closest to 5%, but not less than 4.9%, above that received in the former position.

## ARTICLE VIII EVALUATION PROCEDURES

### Section A. Purpose

The purpose of an evaluation is to assess, critique, commend, and improve performance.

### Section B. Procedure

1. Probationary employees shall be evaluated by their immediate supervisors no later than the end of their third and sixth months of service in their positions, on the report form agreed upon between the District and CSEA and furnished by the Human Resources Office. The performance rating completed at the end of eight months of service must indicate at least overall satisfactory job performance in order for employees to successfully complete their six month probationary period and achieve permanency in the District. The anniversary date is the first day of permanent status at the end of the probationary period.

For the purpose of this article, the anniversary date for promoted employees shall be the first day in paid status in the new position.

A probationary employee applying for promotion prior to his/her first evaluation shall have an evaluation written immediately by their supervisor. This evaluation shall be completed prior to the interview for the promotion.

2. For the second year of employment, a permanent employee shall be evaluated by his/her supervisor during the month of January, except as specified in 7 below. Employees who become permanent after September 1 of any year shall receive their first annual evaluation the second January after permanence. At the end of the second year at the evaluation conference, a permanent employee and his/her supervisor may mutually agree to evaluate on a two-year cycle. Either party has the right to return to the one-year cycle with notice by November 1 preceding the January evaluation.
3. The immediate supervisor is one who has direct knowledge of the employees' work performance and duties, and is not a member of the CSEA bargaining unit.
4. The following shall be subject to evaluation: quality of work performed, quantity of work performed, attitude, attention to duty, attention to safety, cooperation, dependability and initiative. The evaluation form shall provide for a statement of commendations and recommendations.
5. The immediate supervisor shall present the evaluation to the employee being evaluated and discuss with the employee the evaluation, including the criteria, evaluation goals, job description, and any written material used as a basis for the evaluation. A copy of the evaluation shall be given to the employee at this meeting. The employee's signature on the form indicates receipt of a copy and review of the evaluation, not necessarily agreement with its contents. The employee may request a representative to be present at such a meeting to discuss an unsatisfactory evaluation.
6. The completed evaluation shall not be entered in the employee's personnel file until the employee has been given thirty calendar days to prepare a response. The employee's response, if any, shall be attached to the evaluation report.
7. If an employee receives an unsatisfactory evaluation, there shall be an additional formal written evaluation within a six month period.

8. If the workload is increased due to absences or resignations, employees shall not be negatively evaluated if it is not reasonably possible to complete the work at the previous standard due to the increased workload.
9. Scheduled evaluations of employees who have been assigned significant new duties as result of layoffs will give due consideration to the employee's experience and training received in performing the assigned duties.

#### Section C. Appeal

Within ten workdays of receipt of any overall less than satisfactory evaluation, an employee may appeal to the Superintendent or their designee for a review. When a review is requested, an appeal panel shall be constituted to make a recommendation to the Superintendent or designee. The panel shall consist of a member appointed by the Superintendent or their designee, a member appointed by CSEA and a member mutually appointed by the CSEA President and the Superintendent or designee to serve as chair. No member of the panel shall be from the site/department of the employee appealing.

The employee and his/her representative shall be given an opportunity to present the appeal. The evaluator shall have an opportunity to present and clarify his/her position.

The recommendation of the panel shall be made to the Superintendent or designee in writing. The Superintendent or designee shall review the recommendation and make a decision. The Superintendent or designee's decision is final. All appeal matters are confidential. It is the intent that the process take no more than 30 working days from initial receipt of the appeal.

#### Section D. Commendation

Special Evaluation: An employee's supervisor may at any time prepare a notice of commendation. The completed form is to be signed by the employee to indicate receipt and the employee shall be given a signed copy.

#### Section E. Personnel Files

1. An employee shall be permitted to review and obtain a copy of the materials in his/her personnel file which may serve as a basis for affecting his/her evaluation or which may serve as a basis for affecting the status of his/her employment.
2. This material is not to include ratings, reports or records that were obtained prior to the employment of the person involved, were prepared by identifiable selection committee members, or were obtained in connection with a promotional selection process. However, an employee shall have access to his/her numerical scores obtained as a result of a written examination.
3. An employee shall have the right to inspect such materials upon request and permission shall be granted provided that the request is made during regular office hours at a time when the employee is not actually required to render services to the District.
4. An employee shall be provided any negative or derogatory material before it is placed in his/her personnel file. He/she shall also be given an opportunity during the school day and with compensated release time to review the material and to prepare a written response to such material. The written response shall be attached to the material.

5. Derogatory materials in an employee's personnel file that are at least four (4) years old and which are not required to be permanently maintained, may be removed from the personnel file at the employee's request.
6. An employee may have a CSEA representative present when he/she inspects his/her file or may authorize, in writing, a CSEA representative to review and/or obtain copies of the materials in his/her personnel file.
7. The person or persons who prepare material to be placed in an employee's personnel file shall sign and date the material and shall indicate in writing that the material is to be placed in the employee's personnel file.
8. Upon request, an employee shall have the right to have materials placed in his/her personnel file.
9. Except for the employee and the employee's authorized CSEA representative, access to personnel files shall be limited to the members of the District administration on a need-to-know basis. Board of Trustees members may request the review of an employee's file in preparation for a personnel session of the Board of Trustees.
10. The contents of all personnel files shall be kept in the strictest confidence.

## ARTICLE IX GRIEVANCE PROCEDURES

### Section A. Definition

1. A grievance is an allegation by a grievant that they have been adversely and directly affected by a misapplication, misinterpretation, or violation of this Agreement, or of the District Disciplinary Action Procedure Policy.
2. As used in this section, the term "grievant" shall mean an employee or group of employees of the bargaining unit or the CSEA.
3. A working day shall be defined as a regular workday for the District Office.

### Section B. Procedure: Employee Grievance

A grievance shall be presented and adjusted in accordance with the following procedures:

1. Level I Informal Discussion with Supervisor
  - a. Within 20 working days after the occurrence or knowledge of the occurrence which forms the basis of a grievance, grievant may go to his/her supervisor either (1) individually or (2) accompanied by a representative with the objective of resolving the matter informally. If the problem is solved, or if the grievant does not wish to take further steps, the grievance shall be judged to be resolved and no further steps shall be taken.
2. Level II Formal Discussion with Supervisor
  - a. If the problem is still unresolved after Level I, the grievant shall within ten (10) working days from failure to resolve at Level I, present a statement of grievance in writing to his/her supervisor. If the grievance involves more than one employee and with different supervisors, it may be filed at Level III.
  - b. The written grievance shall include:
    - 1) A citation of the portion of this contract, or of the Disciplinary Action Procedure policy.
    - 2) A description of the grounds of the grievance, including date(s) of event(s) leading to it, and including date(s) and outcome of any informal attempts at resolution of the grievance.
    - 3) A statement of the reasons why the specific actions identified above are an issue.
    - 4) A listing of the specific remedies which the grievant desires.
  - c. After the grievance has been presented, it may be discussed with the supervisor:
    - 1) By grievant on his/her own behalf
    - 2) By grievant accompanied by another employee who is a member of the bargaining unit.

- 3) By grievant accompanied by a representative of the CSEA, if the grievant so requests.
  - 4) By CSEA on behalf of the employee(s).
- d. The supervisor shall communicate his/her decision to the grievant and his/her representative, if any, within ten (10) days after receiving the written notice.
  - e. Either party to the grievance shall have the right to request a conference in order to resolve the grievance.
  - f. If the problem is resolved or if the grievant does not wish to take further steps, the case is closed.
3. Level III Superintendent or Designee
- a. Within ten (10) working days after receiving the decision of the supervisor, the grievant, or his/her representative, may appeal the decision to the Superintendent or his designee. The appeal shall be accompanied by a copy of the decision reached at Level II. A grievance involving more than one employee and more than one supervisor may be filed at this level.
  - b. Within ten (10) working days after delivery of the appeal, the Superintendent or his designee shall investigate the grievance, giving all persons who participated in Level II and representatives, if any, an opportunity to be heard. Upon request of the Superintendent or his designee, or the employee and his/her representative, the parties will meet together.
  - c. Within twenty (20) working days after delivery of the appeal, the Superintendent or his designee shall communicate the decision in writing, together with supporting reasons, to the grievant and, if any, to the representative of the employee who participated at this level, to the supervisor/administrator. The decision of the Superintendent or his designee shall be final, unless appealed to the next level.
4. Level IV Advisory Arbitration
- a. If the grievance is not resolved satisfactorily, the CSEA may request that the grievance be submitted to arbitration, within twenty (20) working days of receipt of the Superintendent or his designee's decision, by informing the District and requesting from the State Conciliation/Mediation Service a list of five (5) arbitrators.
  - b. Within five (5) working days of receipt of the list, the parties' designated representatives shall alternately strike names to arrive at the "agreed to arbitrator."
  - c. The decision and award of the arbitrator shall be in writing and shall set forth opinions and conclusions on the issues submitted at the time of the hearing and in writing (if post-hearing briefs are submitted).
  - d. The decision of the arbitrator, if made in accordance with his/her jurisdiction and authority under this Agreement, shall be accepted or rejected by a vote of the Board of Trustees of the District. If the decision is rejected by the Board, it shall be rejected by at least four members of the Board.

- e. Each party shall bear its own costs of advocacy and the expenses of fees of the arbitrator and court reporter, if any, shall be shared equally. Should the District Board of Trustees reject the arbitrator's decision, the District shall then bear the full costs of the arbitrator, including the expenses and fees, of a court reporter if a court reporter is utilized.
- f. Nothing in the foregoing shall be construed to empower the arbitrator to make any decision amending, changing, subtracting from, or adding to the provisions of this Agreement.

Section C. General Provisions: Grievance

- 1. Whenever a conference involving a supervisor/administrator and a grievant is held as part of the grievance procedure during the grievant's normal assigned work day, the grievant shall be provided released time for attendance at that conference.
- 2. If the grievant requests a representative present at such a conference, and the representative also requires released time in order to be present, such released time shall be granted by the supervisor.
- 3. Any written preparation for the grievance or any part of the procedure shall be done at times other than during working hours.
- 4. If an employee does not request representation by the CSEA, the CSEA shall receive a copy of the written grievance filed at Level II.

Overtime pay shall be paid to employees on the 15th day of the month following the month that the overtime was earned.
3. As governed by law, the District will calculate supplemental wage taxes by adding the supplemental and regular wages for the most recent payroll period together, then figuring the income tax withholding as if the total were a single payment, subtracting the tax already withheld from the regular wages, and withholding the remaining tax from the supplemental wages.
4. Any paycheck which is lost after issuance shall be replaced by the next regular pay date if the employee's request for replacement is made in time to allow inclusion of the replacement check among those being processed for payment on that pay date.
5. Employees who are required to use their vehicles as part of their assignment shall be reimbursed at the current District approved rate.
6. Employees who are required as part of their assignments to have meals or take lodging away from the District may file a claim and be reimbursed for their actual and necessary travel expenses within current District policies, rules and regulations.

9. Computations for employees who work less than twelve months a year: bargaining unit employees who work less than twelve months a year shall have their annual salaries computed as follows:

  - b. The established hourly rate of pay is multiplied first by the number of work hours each day, and then by the total days determined in D.9.,a. above with longevity pay added, if required.
  - c. These computations shall not result in any loss of pay (when compared to previous computation methods) for any affected employees. Any reduction in the annual number of workdays shall be subject to negotiations with CSEA.
  - d. No later than September 30 of each school year, employees shall be furnished with a copy of the computation described above. This applies only to unpaid parental and general leaves.
5. Longevity steps are granted in accordance with completed years of service from the hiring date of an employee.
6. Upon voluntary demotion, or in lieu of layoff assignment to a lower classification, the salary of the demoted employee shall be adjusted to the step on the salary range of the lower position which corresponds most closely to the salary received by the employee, provided such salary does not exceed the present salary or the maximum step of the lower classification.

## ARTICLE XV LAYOFF PROCEDURES

### Section A. Definition

A layoff for the purpose of this Article shall be considered as an involuntary separation of a permanent or probationary classified employee from active service due to lack of funds and/or lack of work as a result of a bona fide reduction or elimination of the service performed by any department or when reemployment, reassignment or displacement (bumping) rights of an employee cause such an action. Any reduction in regularly assigned time (reduction of hours) shall be considered a layoff under the provisions of this Article and shall be subject to the District's duty to bargain.

A voluntary layoff may occur as designated in Section C. below.

### Section B. Seniority & Seniority Roster

1. Seniority (length of service) shall be determined by date of hire, as a probationary or permanent employee in a particular classification.
2. Employee seniority list - see Article XVII.

### Section C. Notification of Layoff or Reduction of Hours

1. When a layoff of classified employees is anticipated by the administration and at least seventy-two (72) hours before any Board action is taken on layoff of classified employees, the District shall notify CSEA Chapter President and Labor Relations Representative in writing by District mail of the proposed action. With such notification, the District will provide CSEA with an updated seniority roster for all classifications affected by the anticipated layoff, a list of positions and/or hours to be reduced or eliminated and any documents supporting the need for layoff. Upon request, the District shall meet with CSEA to negotiate on the effects of the proposed layoff.
2. Prior to the effective date of layoff, employees may challenge their place on the seniority roster by making objections to the Superintendent or designee who shall review the objections and conduct an audit if requested and make the results of such audit known to CSEA and the employee(s) prior to the effective dates of any layoff(s) involving such employee(s).
3. After a Board action on elimination of a position, employees whose positions are being eliminated shall receive such notice by personal delivery or certified mail as soon as possible. An employee whose position has been eliminated due to lack of funds and/or lack of work as a result of a bona fide reduction or elimination of the service performed by any department may elect to be laid off instead of displacing another less senior employee or electing to fill a vacant position.
4. After a Board action has been taken on a layoff, a written notice of layoff shall be sent by certified mail to affected employees, to their last address given to the District, as required by current law (Ed Code 45117). Such notice shall indicate the layoff effective date and inform the employee of his/her displacement rights, if any, hearing rights, reemployment rights, and termination benefits. A copy of each notice shall be concurrently sent by District mail to the President of the CSEA local chapter or designee.

#### Section D. Layoff/Reduction of Hours by Seniority.

1. Layoff/reduction of hours shall be conducted on a District-wide basis, in reverse order of seniority in the job classification in which the layoff occurs.
2. The employee who has been employed the shortest time in the class plus higher classes, shall be laid off first, except in the case of a voluntary layoff.
3. After the Board of Trustees Resolution for Layoff, parties will meet to determine the implementation of the bumping process and the effects of layoff.
4. If two (2) or more employees subject to layoff have equal seniority, the determination as to who shall be laid off shall be made by lot.

#### Section E. Displacement (“Bumping”) Rights within a Classification

1. An employee whose position is eliminated or reduced in hours shall have the right to displace an employee with less seniority in the same job classification. Employees displaced by senior employees have the same rights to displace less senior employees as described above.
2. The displacement process outlined above shall be conducted in a timely manner and completed on a day mutually agreed between CSEA and the District.

#### Section F. Displacement (“Bumping”) Rights into a Lateral or Lower Classification

Note: this provision supersedes classified agreement Article VI, Transfers.

1. A permanent or probationary employee who is laid off and who has previous service in any classification shall have the right to displace (bump) an employee with less seniority in any classification previously held by the laid off employee. In order to bump into a higher classification the employee must have a most recent overall Meets Expectations evaluation.
2. Seniority, for the purpose of bumping, shall include the total of the previous service in any classification. In order to exercise his/her bumping rights, the employee must notify the District within ten (10) working days of receipt of the layoff notice.
3. A permanent or probationary employee who has been laid off for lack of work or lack of funds and who has no bumping rights, or does not wish to exercise his or her bumping rights, shall be granted a voluntary demotion to a vacant position in a lower classification or transfer to an equal classification, provided that the employee is qualified to perform the duties thereof. Such employee shall maintain his/her reemployment rights as defined in this Article. Interviews for displaced employees will be conducted in accordance with Article VI, Section A.2.e.
4. Laid off employees shall not be compelled to accept a vacant position.

#### G. Demoted Employees

1. Upon voluntary demotion or in lieu of layoff assignment to a lower classification, the salary shall be adjusted to the step on the salary range of the lower position which corresponds most closely to the salary received by the employee, provided such salary does not exceed the present salary or the maximum step of the lower classification.

#### H. Substitute or ShortTerm Employees

1. No regular employee shall be laid off from any position while employees serving in a substitute or short-term capacity in positions of the same classification are retained, unless the employee to be laid off declines the substitute or short term assignment.
2. Any employee laid off or reduced in work hours will be given first opportunity for needed extra hire and substitute work within classifications for which they are reasonably qualified based on current job descriptions.

#### I. Reemployment Rights

Note: This provision shall take precedence over the classified Agreement Article VI, Transfers.

1. Laid off employees are eligible for reemployment in the classification from which laid off for a thirty nine (39) month period from the effective date of layoff and shall be reemployed in the reverse order of seniority, as vacancies become available.
2. Employees who, at the time of layoff, took voluntary demotions or voluntary reductions in assigned time in lieu of being laid off shall be at the employee's option returned to a position in their former classification or to a position with increased assigned time as vacancies become available, and for a period of sixtythree (63) months from the effective date of layoff. Such employees shall be ranked in accordance with their seniority on the reemployment list(s).
3. An employee on the reemployment list, who at the time of layoff was working less than six hours per day in the classification from which that employee was laid off, shall be reemployed when a vacancy occurs in that classification, provided that employee is at the top of the reemployment list, as follows: The vacant position shall first be offered to current employees who are working more hours per day than the laid off employee was working in the classification, in accordance with Article VI, Section A, Voluntary Transfers.
4. When the hiring process for voluntary transfers has been completed, then the remaining vacancy shall be offered to the employee on the reemployment list who worked less than six hours.
5. An employee who is laid off and is subsequently eligible for reemployment shall be notified in writing by the District of opening(s). Such notice shall be sent by certified mail to the last address given to the District by the employee. A copy of each notice shall be sent concurrently by District mail to the President of the CSEA local chapter.
6. An employee on a reemployment list shall have ten (10) calendar days to respond to an offer of reemployment from the date of its receipt. Any acceptance by such employee of an assignment to a classification lower than the classification from which he/she was laid off or to the same classification but with fewer hours shall not affect his/her original thirtynine (39) month rights to reemployment in his/her former classification and with the same number of hours.
7. An employee given an offer of employment does not need to accept reemployment to maintain his/her eligibility on the reemployment list provided the employee notifies the District of his/her refusal of reemployment within ten (10) calendar days from receipt of the reemployment offer. If the employee accepts reemployment, he/she must report to work

within fifteen (15) calendar days following receipt of the reemployment offer unless a later reporting date is indicated on the reemployment offer.

8. Seniority earned to and including the effective date of layoff shall be reinstated to the employee who is subsequently reemployed by the District. Credit shall be given through the layoff effective date for the purpose of step placement on the salary schedule upon reemployment.
9. Sick leave hours earned and unused at time of layoff shall be restored upon reemployment.

#### I. Termination Interview & Benefits

1. A laid off employee may request a termination interview with the Superintendent or designee to be scheduled during normal working hours.
2. The District shall pay all existing health benefits for any laid off employee for a total of three (3) months from the effective date of layoff, or until the laid off employee obtains other employment with comparable benefits, whichever comes first.

#### J. Related Contracting (No Contracting Out)

## ARTICLE XVI CONTRACTING OUT

- A. The District will follow all legal requirements regarding contracting out including meeting and negotiating any impact.

Criteria for determining seniority are as follows:

2. Paid or unpaid leaves of absence or time spent on a re-employment list shall not affect an employee's seniority.
3. Night Custodian and Day Custodian shall be considered the same classification for seniority lists purposes.
4. Out of class, short term or substitute employment shall not be included on the seniority list.
5. If two (2) or more employees have the same date of hire, the determination of seniority shall be made by lot.

Training, where appropriate, will be provided to assist the employee in meeting the requirements of the job. Timelines for improvement to occur will be provided. MEMORANDUM OF AGREEMENT  
between  
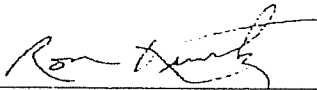

TAMALPAIS UNION HIGH SCHOOL DISTRICT  
and  
CALIFORNIA SCHOOL EMPLOYEES ASSOCIATION #549

IRC 125 PLAN - DISTRICT CONTRIBUTION

Notwithstanding the completion of the current contract negotiations and in order for employees of the Tamalpais Union High School District who are members of the California School Employees Association to fully participate, beginning November 1, 1997, in the district IRC 125 Plan with the \$25 per full time employee per month (\$300 per year) contribution, it is agreed to by CSEA and District to allow each employee to meet with the insurance company representative during the enrollment period of September/October 1997 to designate how they would like the \$25 per month to be used. The District and CSEA agreed to the following:

The District IRC 125 Plan contribution shall be \$25 per month for each full time unit member. The employer contribution may be designated by the employee for any appropriate IRC 125 benefit, including the payment of medical insurance costs not covered by the district or may be taken in cash. The employer's \$25 per month compensation is not creditable compensation for PERS purposes. Part time employees shall receive the proportional amount of the \$25 per month as defined in the existing contract between CSEA and the District.

The above understanding supercedes any previously adopted understandings and/or side letters on these matters. This memorandum is effective from the date of execution until such time as equivalent language is crafted, approved by the CSEA membership and approved by the Board of Trustees in the 1997 - 2000 CSEA/TUHSD bargaining unit agreement.

## Classified Supervision – Interest Survey

Each year there may be opportunities for classified personnel to supervise games and activities at the three comprehensive high schools in the district. The district is committed to providing the highest standard of supervision and safety which may entail the employment of added personnel to staff events (*time clock/score keeper staff are exempt from this process due to a detailed training requirement*).

**Supervisors at events may be required to do the following:** mediate differences between individuals, deal with challenging people, provide general crowd control, ensure that school rules are being adhered to, be watchful for students who may be under the influence of drugs or alcohol, de-escalate situations that may arise, and perform other duties as assigned. Supervisors will be expected to be able to handle any situation that may arise in support of having safe and orderly events. *Supervisors will attend training session(s) as required by each site to qualify for these opportunities.*

Campus Assistants will be the first classified employees asked at each school site if they would like to supervise at any event. If there is more than one employee in either of these positions at a site, employees will be asked on a rotating basis. An administrator at each site will coordinate, prepare, and implement this rotating process.

Other interested classified employees at each site may then be asked on a rotating basis if they would like to supervise at any event. If there is an inadequate number of classified employees needed at a school's event, classified employees from other sites may be offered the opportunity to supervise.

*The employee will be compensated at the rate of time and one half of the Campus Staff Assistant classification at top step.*

Please complete this interest survey below if you would like to be contacted to supervise at school events. Return this form to the Personnel Office by \_\_\_\_\_.

Thank you.

### STAR TESTING GUIDELINES

Due to the impact of STAR testing on the workload of some classified employees, CSEA and the District agree the following guidelines are suggested.

- Each site is requested to create a team composed of team leaders and support people. In addition to other tasks, the team will determine a site calendar for effective administration of the STAR test.
- Request that the District Office testing coordinator work with the site administration testing coordinators to improve the distribution of the workload so one person is not greatly impacted.
- Due to the STAR testing needs, opportunity for employees to work overtime will be offered before hiring short term personnel.
- If the overtime needs are not met by current employees, short term help may be hired.
- Recommend the District create a STAR testing budget to support site needs regarding staffing and supplies.

This MOU will affect the following employees, who will each receive a memorandum specifying the correction to the PERS date. A copy of the memorandum to the employee will be placed in the employee's personnel file.

MEMORANDUM OF UNDERSTANDING

between CSEA Chapter 549

and

TAMALPAIS UNION HIGH SCHOOL DISTRICT  
Larkspur, California

Temporary Vacation Positions

The optimum times for completion of custodial and maintenance work, other than that performed on a regular basis by district employees, are periods when school is not in session, i.e., school vacations and holidays.

During these periods, the District may employ qualified temporary workers to provide support for regular classified staff. It is understood that the persons doing the work under this memorandum shall be functioning below a journey level of skill. Individuals employed in these positions are not entitled to any benefits of a permanent or probationary employee including credit towards permanent status.

There shall be two (2) such temporary job classifications:

- 1) Maintenance/Operations Helper - job description attached, shall be placed on Step 1, Range 17.0 of the classified salary schedule.
- 2) Vacation Crew Supervisor - job description attached, shall be placed on Step 1, Range 23.5 of the classified salary schedule.

The process used to fill these positions shall be as follows:

Applicants who meet the qualifications identified in the job description for this position shall be considered in the following order:

M & O Helper

- 1) Employees who were laid off and who are on the 39 month rehire list, and
- 2) Ten (10) and eleven (11) month employees, provided the assignment will not interfere with the employee's regular assignment, and
- 3) All other applicants.

over---

Vacation Crew Supervisor

- 1) Employees who were laid off and who are on the 39 month rehire list, and
- 2) Bargaining unit employees, and
- 3) All other applicants.

In the event that the Board of Trustees declares a lack of funds and/or a lack of work and implements layoffs or reductions in hours of classified employees, the parties agree to hold this agreement in abeyance for a sufficient time period to allow the parties to meet and confer. The meet and confer process will include discussion of the need for layoffs, including which classifications will be affected, and the need to institute additional temporary vacation work. Agreements from the meet and confer process may encompass:

- 1) Not employing temporary vacation workers and utilizing available funds to minimize classified layoffs.
- 2) That the need for classified layoffs is unrelated to the need for temporary vacation work. In this case, both layoffs and temporary vacation work will be implemented, and the above procedure may be followed or modified according to the meet and confer agreement reached.
- 3) Not reaching agreement when there is a relationship between the work performed by laid off employees and the temporary workers (i.e., maintenance or custodial layoff), or the parties disagree about the existence of a relationship, then PERB rules regarding negotiations will govern.

## Memorandum of Understanding Regarding Compensation of Classified Employees During Closure of Drake High School (September 16-19, 2002)

A major failure of the electrical system at Drake High School necessitated the closing of the school to students for four days, September 16-19, 2002. Most classified employees were told to stay home. Several were required to work.

CSEA and the District agreed to the following compensation guidelines:

- Employees who stayed home will receive their regular pay for the days of closure. There will be no loss of pay for any employee.
- Employees who worked during the days of closure, whether at the school or at home, will receive overtime pay for the hours they worked or compensatory time off for the hours they worked (their choice) in addition to their regular pay. The compensatory time off must be taken at a time mutually agreeable between the employee and his/her supervisor.
- If any additional days are scheduled to make up for the days of closure, ten and eleven month employees who are required to work outside their work year will be paid according to the CSEA contract for the additional days worked. Those employees who are unable to work the additional days shall not be required to work. CSEA shall be included in discussions regarding the scheduling of additional days.

CSEA and the District agree that this MOU is non-precedent setting. In the same manner, the MOU in Appendix J of the CSEA contract is not considered a precedent for other emergency situations. ## Memorandum of Understanding regarding the District Modernization Program and Guidelines for Relocation of Classified Employees

Due to the multiyear district modernization program, it is expected that many classified employees will be required to participate in the relocation of their work area to temporary or permanent locations. It is also expected that some employees may be asked to participate in their relocation on days or at times that they would not normally work. The District and CSEA agree that modernization moves are extraordinary circumstances and have developed the following guidelines in order to facilitate the success of the modernization program.

This MOU is in effect until the modernization process is complete.

1. Notification – Employees will be given a minimum of 30 days notice of their relocation dates.
2. Consultation – If possible, at least two (2) weeks prior to moving, employees will be shown their new work area. In agreement with their supervisor, employees may designate the location of the furniture, file cabinets, office machinery, or other items relevant to their work at their new work area.
3. Moving/Storage Supplies – Every attempt will be made to provide employees with the appropriate containers, labels, tape, etc. within one (1) week after notification of the move allowing three (3) weeks minimum for packing.
4. Relocation Tasks – For most employees relocation tasks include 1) packing and unpacking personal and work related materials from in and around their desk, workstation, or work area and 2) the labeling of boxes, desks, office furniture, file cabinets, computers, printers, office machines or vocational equipment. The District will provide assistance to employees who are unable to perform any of these tasks due to a disability or limited physical abilities.
5. Dedicated Time – Employees will be given a reasonable amount of time to perform the tasks needed to relocate. Normal job duties may be adjusted by the supervisor to incorporate tasks needed to relocate. Overtime hours, either to perform normal job duties or relocation tasks, may be authorized in advance by the supervisor, as needed.
6. Compensation & Conditions
  - a. Any employee required to perform relocation tasks on a weekend will receive pay equal to time and one half at their current pay rate for these hours. The employee's supervisor must approve the overtime hours in advance.

- b. In most cases, total overtime hours for an employee's own relocation shall not exceed eight (8) hours except as stated in (h) below.
  - c. Full time and part time employees who are employed less than 260 days and are required to perform relocation tasks on days that they would not normally be required to work will be compensated at their current pay rate and will not be required to work more than 8 hours per day. The employee's supervisor must approve the extra hours in advance.
  - d. The District will attempt to provide employees with two (2) weeks notice if relocation tasks must be performed outside the employee's regular work hours.
  - e. Relocation tasks outside regular work hours will not be assigned to an employee at times when the employee may be obligated to another employer or required to attend to family obligations, such as child care, or other significant personal commitments.
  - f. Employees will not be required to perform relocation tasks on holidays specified in the collective bargaining agreement, except in emergency circumstances. In case of such emergencies, employees who work on holidays specified in the collective bargaining agreement shall be paid triple time for the hours they work.
  - g. No compensatory time shall be authorized for overtime hours related to relocation tasks.
  - h. For unusual circumstances, the principal or site administrator in charge of facilities, supervisor or Modernization Move Coordinator may authorize additional hours in advance of the additional work.
7. Evaluation: If the workload is increased due to modernization, employees shall not be negatively evaluated if it is not reasonably possible to complete the work at the previous standard due to the increased workload.
8. Custodial issues: Custodians are the classified group which will be most impacted by modernization/relocation tasks. To address their possible workload issues:
- a. During the custodian's regular work day, the custodian will perform relocation tasks for modernization based on work orders. Those work orders will be authorized by a supervisor, principal or designee.
  - b. A supervisor may excuse a custodian from regular job duties to make time available for relocation tasks during regular work hours.
  - c. Overtime shall be authorized in advance, as needed, to complete the requested relocation tasks or to complete regular job duties.

A log will be kept at each school of students in need of health-related services when the health specialist is not present.

#### G. Effects of Layoff of 1 FTE Health Specialist

The two (2) designated positions shall be the receptionist (Clerk II) and the attendance clerk (Clerk III).

*Minor first aid care* shall be defined as care that does not involve contact with bodily fluids. Minor first aid includes, but is not limited to, the dispensing of band-aids, tampons, approved medications in pill or liquid form, ice packs, and/or home phone calls to parent or guardian. Injections or invasive procedures will not be required of classified staff outside the classification of Health Specialist, except as required of an instructional assistant by an IEP.

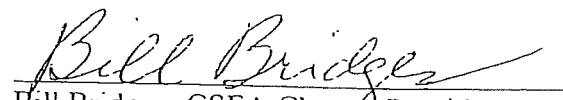

2. When a Health Specialist is absent from his/her position for any reason, the District will seek coverage by a substitute employee beginning with the first (1<sup>st</sup>) day of absence.
3. In the absence of a Health Specialist, the primary student contact employees for minor first aid at Drake and Tam shall receive an annual stipend of \$1500. The primary contact person at Redwood shall receive an annual stipend of \$750. The secondary contact employees at Drake and Tam shall receive an annual stipend of \$500. The secondary contact person at Redwood shall receive an annual stipend of \$300. These stipends shall not be pro-rated for the 2003-04

## Memorandum of Understanding Between Tamalpais Union High School District and CSEA Chapter 549 Regarding Effects of Layoffs for the Following Positions:

**Custodian, Staff Assistants, Clerk IV – Personnel,  
Clerk II – Receptionists, Secretary – DJSC and Food Service**

The District and CSEA agree to the following and recommend that the Board review all the layoffs and reductions in this Memorandum of Understanding:

### I. Custodian

#### Tamalpais

- *Reduction of one full-time position:* CSEA and the District recommend that this position be reviewed for possible reinstatement in January 2004.
- Custodial routes will be revised as needed.
- Custodians shall take immediate direction from the lead custodian regarding teachers' requests. Staff members shall be asked to direct requests to the lead custodian.
- During evaluations, consideration shall be given to the fact that cleaning expectations have been revised due to the reduction in custodial staffing.
- Community Education will begin charging community groups who use TUHSD facilities for custodial services with a minimum charge of two hours per use.
- Community Education personnel will attend the weekly administrative meeting to coordinate facilities use with school and custodial personnel.
- Custodians are not responsible for or expected to open doors for Community Education evening instructors.

### II. Staff Assistants

#### Tamalpais

- *Reduction of one position from 12 to 11 months:* Work (job coaching) normally done during the twelfth month will not be done.
- *Elimination of one full-time position:* 75-80 students in the program will now have the services of one staff assistant who has had her workload reconfigured by the AP. The students in the program will not have the same level of service that they enjoyed in past years. The AP will review the workload of the position with the staff assistant in June 2004.

#### San Andreas

- *Reduction of one hour per day:* Work such as receiving packages and helping the principal with assorted tasks will be undertaken by the principal's secretary.

### III. Clerk IV – Personnel

#### District Office

- *Reduction of two hours per day:* CSEA and the District will re-evaluate the impact of the reduction in May 2004 during the spring hiring months and after receiving benefits work from Payroll which may be shifted to Personnel in January 2004.
- Continue to look for ways to streamline the work in Personnel.

### IV. Clerk II – Receptionists

#### Drake, Redwood and Tamalpais

- *Reduction of position from 11 to 10 months:* Keep the receptionists at 10 months.
- Close schools to the public in July again. Outgoing school phone messages will state that the schools are closed with an emergency referral to the principal's secretary (during certain dates).
- Phone calls in July go to the respective comprehensive sites while the principal's secretary (and/or another clerical/secretarial employee) is on duty; walk-ins (emergencies) will be helped also if possible.
- When there is no clerical/secretarial employee in the office during July at the schools, phone calls will be forwarded to the District Office.
- The principal's secretary or another secretary/clerk will process transcript requests when they are on duty in July at the schools.
- When there is no one on duty at the school, secretaries at the DO will process transcript requests using Power School only. All other transcripts (non-Power School) will be completed by school personnel when they return to the sites.
- Work permits will be handled at the DO in July from the Personnel Office. (When employees in Personnel are on vacation, work permits will be handled by another office in the DO. This will also be indicated on the outgoing phone message at each site.)

### V. Secretary – DISC

#### Drake

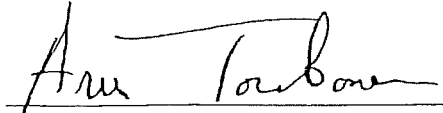

- *Reduction of approximately two hours per day:* Administrators and secretaries will meet periodically to assess workload for each position affected by the DISC reduction in secretarial hours.
- Shifting of some administrators' and secretaries' duties are occurring as a response to this reduction.
- Employees are encouraged to give honest feedback to supervisors regarding work load issues.
- CSEA and the District will re-evaluate the impact of this reduction and distribution of duties in May 2004.

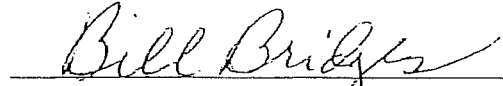

### VI. Food Service

#### Drake and Redwood

- *Reduction of one two-hour position at each of the above sites:* The District will gather data on services, catering, contracts and staffing currently in place.
- If areas of workload increase, CSEA and the District will discuss growth possibilities in food service positions.

- Staffing hours will be reviewed at Drake. Agreement was originally reached to split the Drake position due to the necessity of overlapping hours in the two positions. Confirmation is needed that this necessity exists.
- By June 2004, CSEA and the District agree to review the number of food and drink machines on each campus and their locations. Discussion should ensue regarding the revenue from these machines.

### **Community Education Program Assistant & Senior Program Assistant Food Service Workers & Delivery/Warehouse Person**

#### Spring 2007 Layoffs

- Loss of one full time Community Education Program Assistant position (216 days)
- Loss of one half-time Senior Program Assistant (216 days)
- Reduction of one Program Assistant position at Tam from 25 to 24 hours per week and from 216 to 154 days
- Reduction of one Program Assistant position at Drake from 40 to 20 hours per week split between two sites (Drake and Redwood) and reduction from 216 to 154 days
- Elimination of 1.375 FTE Food Service Workers
- Elimination of .8125 FTE in Delivery/Warehouse

#### Community Education Program

- Management does not wish to regularly perform bargaining unit work, and the District will follow all labor laws regarding layoffs.
- The hours of the current .5 FTE Program Assistant assigned to Drake High and Redwood High are: Monday through Thursday – 4:15 - 9:15 p.m. The .5 FTE Program Assistant will have a consistent work schedule each quarterly session and will be notified of that schedule when the draft brochure is created for the following session.
- The hours of the .6 FTE Program Assistant assigned to Tamalpais High are: Monday through Thursday – 2:30 - 8:30 p.m.
- The District and CSEA will meet in early November 2007 to review a draft of the Community Education brochure for the Winter Quarter classes to identify any remaining layoff issues.
- Upon request from CSEA, the District will provide a list of hours worked in excess of regularly-scheduled hours for Community Education and Food Service employees.
- During evaluations, consideration shall be given to the fact that work expectations have been revised due to reductions in staffing.
- The .5 FTE Program Assistant will be fully covered for health benefits through November 30, 2007.
- The Program Assistants, now 154-day employees, will be eligible for health benefits based on hours worked per week as stated in Article XI of the District-CSEA bargaining unit agreement.
- Management will recommend that the Board of Trustees review the Program Assistant staffing level at the annual Adult & Community Education report to the Board in spring 2008.

Food Service Program

- For USDA commodities deliveries, the District will offer the commodities warehousing and delivery work first to the laid-off Food Service worker and then to District employees for overtime in accordance with the bargaining agreement. If the laid-off worker declines the work and no bargaining unit member elects to work overtime, the District will offer the hours to an extra hire.
- All other food service deliveries will be performed in accordance with the TUHSD work order system.

Employees of the Community Education and Food Service programs will be reminded of extra hour, overtime and compensation time approval and accrual processes. The Assistant Superintendent - Human Resources will send such a memo to the employees of those programs. Employees working beyond their assigned time will be compensated.

## Memorandum of Understanding between the Tamalpais Union High School District and the California School Employees Association, Chapter 549, regarding a Paraeducator Position for English Learners at Redwood High School

The District and CSEA agree that:

- The District will create a paraeducator position for English Learners (EL) at Redwood which will start at 14 hours/week during the 2007-08 school year.
- In 2007-08, the workdays will be Monday, Tuesday and Friday.
- With a workweek of Monday, Tuesday and Friday, the work year for this position shall be 110 days.
- In 2007-08, the hours of the position will be 8:50 a.m. to 1:30 p.m. which will include one 15-minute break each day.
- In subsequent years, with growth in the number of EL students at Redwood and growth in the categorical funding for this position, this position may increase as follows:
  - a. A growth of 25 % additional EL students in ELD and/or sheltered classes (as determined on CBEDS day each year) and an increase in categorical funding for EL students will prompt the District to formally evaluate the need for more paraeducator assistance for EL students at Redwood.
  - b. Per Article I, Section C. 11. of the bargaining unit agreement, CSEA will be consulted regarding any modifications the District may propose to this position.
- The District agrees to place the first additional 1.5 hours of increase in this position on a Wednesday or Thursday and the second increase in hours for this position on the remaining day of the work week that the paraeducator is not working (either Wednesday or Thursday).
- As a result of increased hours or a change in the scheduling of ELD and/or sheltered classes, the daily work hours for this position shall remain consecutive.
- The intent of both parties is that this EL paraeducator position at Redwood become a Monday – Friday position as the number of EL students and funding increases to serve more EL students at Redwood.

- An increase in days or hours worked shall not require reopening the position.
- This position is an exception to Article II, Section A.1. This exception shall not be considered precedent-setting.

The Parties agree as follows:

1. Employees affected by the reduction in force as defined in Board of Trustees Resolution #20, May 11, 2010, shall be offered the first opportunity to fill any temporary, short-term, and substitute positions that become available if they meet the minimum qualifications as defined in the job descriptions for those positions.

The TUHSD Governing Board adopted Board Resolution #18-14 on November 13, 2018, approving the SRP. The SRP is generally described in the November 13, 2018 Staff Report to the Board regarding the PARS program. The overall goal of implementation of the SRP is to generate savings, or at a minimum, no cost to the District, and an adequate reduction in staff through increased retirement.

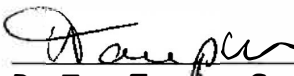

Agreement

1. Eligibility: a CSEA unit member must be a District employee on November 13, 2018, must be 50 years of age with 5 years of District service as of June 30, 2019.

3. Enrollment packets will be mailed to eligible CSEA unit members on November 14, 2018.
4. PARS will conduct an employee orientation during the week of November 26 or December 3, 2018.
5. PARS will conduct an employee workshop during the week of January 21, 2019.
6. Enrollees must submit with their enrollment packet a written resignation effective no later than June 30, 2019.
7. After the enrollment window closes, PARS will conduct a fiscal analysis to determine the fiscal projections and feasibility of implementation of the SRP.
8. Based on the PARS analysis, the District will determine whether to implement the SRP and will notify CSEA and the enrollees of its decision by February 1, 2019.
9. If the District decision is to proceed with the SRP, enrollees' resignations are irrevocable. If the decision is not to proceed, enrollees may rescind their resignations.
10. SRP benefits commence on August 1, 2019.
11. This Agreement is non-precedent setting and nothing except what is expressly stated in this Agreement is offered or implied.

 November 29, 2017**

The Tamalpais Union High School District (“District”) and the California School Employees Association and its Tamalpais Chapter #549 (“CSEA”), together referred to as the “Parties”, hereby agree to the following to meet the requirements of AB 119 (2017).

**1. DISTRICT NOTICE TO CSEA OF NEW HIRES**

- a) Provide CSEA With Notice of New Hires: The District shall provide the CSEA Labor Relations Representative and the Tamalpais Chapter #549 Chapter President notice of any newly hired employee at the end of each calendar month, via electronic mail. The notice shall include full legal name, date of hire, classification, and site.
- b) Definition of a Newly Hired Employee: “Newly hired employee” or “new hire” means any employee, whether permanent, full time, part time, hired by the District. It also includes all employees who are or have been previously employed by the District and whose current position has placed them in the bargaining unit represented by CSEA. For those latter employees, for purposes of this agreement only, the “date of hire” is the date upon which the employee’s employee status changed such that the employee was placed in the CSEA unit.

**2. EMPLOYEE INFORMATION**

- a) Provide CSEA With New Hire Contact Information: On the last workday of each month, the District shall provide to CSEA, via a mutually agreeable secure FTP site or service, the name and contact information on the new hires. This information shall be provided to CSEA regardless of whether the newly hired employee was previously employed by the District.

The information shall be provided electronically via a mutually agreeable secure FTP format and shall include the following items, with each field in its own column:

- i. First Name;
- ii. Middle initial;
- iii. Last name;
- iv. Suffix (e.g. Jr., III)
- v. Job Title;
- vi. Department;
- vii. Primary worksite name;

- viii. Work telephone number;
- ix. Work Extension
- x. Home Street address (incl. apartment #)
- xi. City
- xii. State
- xiii. ZIP Code (5 or 9 digits)

- xvi. Personal email address of the employee if provided to employer;
- xvii. Last four numbers of the social security number;
- xviii. Birth date;

- xx. CalPERS status ("Y" if in CalPERS; "N" if not in CalPERS);
- xxi. Hire date.

In the event no one is hired on any particular month, the District shall send an e-mail to CSEA confirming they did not hire any new staff that month.

- b) Provide CSEA With Periodic Update of Unit Member Contact Information: The District shall provide CSEA, via a mutually agreeable secure FTP site or service, complete bargaining unit member information and work locations on the last working day of September, January, and May. The specific employee information to be provided and the method of reporting shall be that same as the information described above in section 2(a) of this agreement.

### 3. NEW EMPLOYEE ORIENTATION

- a) Definition of New Employee Orientation: "New employee orientation" means the onboarding process of a newly hired public employee, whether in person, online, or through other means or mediums, in which employees are advised of their employment status, rights, benefits, duties and responsibilities, or any other employment-related matters.
- b) Provide CSEA With Access to New Employee Orientations: The District shall provide CSEA mandatory access to its new employee orientations. CSEA shall receive not less than ten (10) days' notice in advance of an orientation, except that a shorter notice may be provided in a specific instance where there is an urgent need critical to the District's operations that was not reasonably foreseeable. As an alternative to the ten (10) days' notice, the parties may establish an annual schedule for such new employee orientations. Orientation sessions may include individual (one-on-one) new hire meetings with a Human Resources representative, a site administrator and/or group orientation sessions.
  - i. Group Orientations: In the event the District conducts a group orientation, CSEA shall have a minimum of one (1) hour, including travel time, of paid release time for two (2) CSEA representatives to conduct the orientation session. Said release time shall not be counted against the total release time contained elsewhere in the

collective bargaining agreement. The CSEA Labor Relations Representative may also attend the orientation session.

- ii. Individual Orientations: In the event the District conducts one-on-one orientations with new employees, CSEA shall have a minimum of thirty (30) minutes of paid release time, including travel time, for one (1) CSEA representative to conduct the orientation session. Said release time shall not be counted against the total release time contained elsewhere in the collective bargaining agreement. The CSEA Labor Relations Representative may also attend the orientation session.
  - iii. The orientation session shall be held on District property during the workday of the employee(s), who shall be on paid time.
- c) New Hire Information Packet: The District shall include the CSEA membership application and a link for an electronic application in the new employee orientation packet.

#### **4. GRIEVANCE AND ARBITRATION PROCEDURE**

Any alleged violation, misinterpretation, or misapplication of the terms of this Agreement shall be subject to the grievance provisions of Article 16 Grievance Procedure of the Collective Bargaining Agreement, except as follows.

- a) Definition of a "Grievant": For the purposes of this Agreement, the "Grievant" shall only be CSEA and its Tamalpais Chapter #549. If the parties cannot mutually agree on an arbitrator, the parties will obtain a list of seven (7) arbitrators from the State Mediation and Conciliation Service and strike names alternately until only one name remains. The arbitration shall be held within thirty (30) days of the grievance filing or such other period as is mutually-agreed upon.

#### **5. DURATION OF AGREEMENT**

- a) Term: This Agreement shall remain in full force and effect from the date this Agreement is signed, through June 30, 2020 and shall be automatically renewed from year to year unless either party serves written notice upon the other between March 1 and April 1, 2019, or any subsequent anniversary date, of its desire to modify the Agreement. If negotiations for a subsequent Agreement continue after June 30, 2020, the provisions of this Agreement shall remain in effect until the negotiation of a new Agreement is completed.
- i. Unless mutually agreed to by the Parties, there shall be no reopening of negotiations on this during the life of the Agreement from the date this Agreement is signed, through June 30, 2020.
- b) Savings Clause: If during the life of the Agreement there exists any applicable law, rule, regulation or order issued by governmental authority, other than the District, which shall render invalid or restrain compliance with or enforcement of any provision contained within this Agreement, it shall not invalidate any unaffected remaining portion(s). The remaining portion(s) shall continue in full force and effect. Upon written notification by one of the Parties to the other, any portion of the Agreement that is invalidated in accordance with this Article shall be opened for negotiations within thirty (30) days of the invalidation.

Classroom Monitors serve Tuesday through Friday in a seven-hour shift providing supervision to students in a classroom setting and ensuring COVID-19 safety protocols are enforced, including disinfecting of common touch surfaces, mask wearing, and social distancing. Classroom Monitors are paid the Marin County minimum hourly wage of \$15.25 (without medical benefits) for each block in which they are hired.

**Classroom Monitor Hiring Requirements:**

**Timeline:** Classroom monitors will be hired for the following time period: **January 4, 2021 through June 10, 2021**. No Classroom Monitor will be permitted to work more than 195 days in the designated time period. When COVID-19 restrictions are reduced and certificated staff can return to sites, the Classroom Monitor position will be eliminated.

If the school district is unable to open per the aforementioned timeline, no compensation will be awarded prior to the actual opening of in-person instruction.

**Location, Hours:** Classroom Monitors report to a designated TUHSD high school classroom by 8 a.m. and their day concludes at 3:00 p.m. Periodic breaks are scheduled throughout the day. Classroom Monitors are assigned to a single school site and are expected to supervise classrooms between 8am-3pm on each of the four-days within the block/s in which they are hired.

**Classroom Monitors must be available between 8am-3pm, Tuesday-Friday, in the block/s in which they hired.**

- Block 5: 4/12-4/30
- Block 6: 5/3-5/21
- Block 7: 5/24-6/10

Training/orientation will occur for those hired to work the above blocks prior to commencement of the block and will be compensated at the same hourly rate.

The parties agree that time is of the essence in filling positions within this classification by January 4, 2021. To that end, the Tamalpais Union High School District and CSEA, Chapter #549 agree that the process of securing persons to fill the classroom monitor positions will commence concurrent to the CSEA 610 process and subsequent ratification vote by CSEA membership.
