Fargo Public School District #1

FIFTH GRADERS TO PERFORM WEATHER-INSPIRED MUSICAL

Clara Barton Elementary School fifth graders are taking the stage and looking to the sky as they prepare for a weather-inspired musical performance.

WHAT: “The Weather Show” Performance
WHEN: **Thursday, May 23** at 10:30 a.m. (Mrs. Larson’s class)
Friday, May 24 at 10:30 a.m. (Miss Sigurdson’s class)
WHERE: Clara Barton Elementary School, 1417 6th Street South, Fargo
CONTACT: **Janelle Sigurdson**, Clara Barton fifth grade teacher, sigurdj@fargo.k12.nd.us or 701.446.4430 for more information.

Fifth graders at Clara Barton will be getting atmospheric inspiration as they perform the musical “The Weather Show” on Thursday and Friday. Families have been invited to witness the performances, which are the culmination of the fifth grade unit on weather. Miss Sigurdson’s class will perform Thursday and Mrs. Larson’s will perform Friday.

“The Weather Show” follows Dr. Emma, who loves to measure weather. She loves weather so much that it is rumored she owns 16 weathervanes. It follows Emma’s exciting adventure across the land and through weather of every sort in search of a very special barometer. She faces singing climatic obstacles, such as threatening clouds, competing air masses, the Wind sisters, and a shower of cats and dogs. With the help of the Weather Dog and a Groundhog who loves tongue twisters, she learns the significance of the water cycle, how weather affects the earth, and how the elements of weather are all connected.
