*Because each student at SRRMS is issued an iPad for academic work, wired headphones have become an important tool for students to utilize during their school day. They are on the supply list to allow families to make a preferred choice about fit and comfort. The new iPads that students will be issued in 2024-2025 will not have a “regular” headphone jack. **The headphones must have a USB-C plug-in to be compatible.** Bluetooth headphones/earbuds will not be allowed.

**Donations are appreciated (give to Advisory teacher): markers, colored pencils, sharpies, pencils, scissors, rulers, glue sticks, erasers, expo markers
