Partnerships

Cougar OPS staff partner with families, the community, and other school staff to ensure student success. Multiple modes of communication are used to best meet students' and families' needs.

Our Child and Youth Single Point of Access Coordinator, and our Social Worker help students and families identify services that may be provided by outside agencies.

Cougar OPS maintains relationships with local employers, and we support students with job searches, work permits, applying, and interviewing for jobs.

We strive to be visible in the community, and likewise seek to provide suspended students with the opportunity to be visible and stay current in school.

COUGAR OPS
OPPORTUNITIES FOR PERSONAL SUCCESS

About Us

The Cougar OPS program at North Rose-Wolcott High School started in 2022. Our program is comprised of two components: Credit Recovery and Tutoring for suspended students.

Our tutoring center is staffed by a full-time teacher and teaching assistant.

In addition to academic services, Cougar OPS places an emphasis on social and emotional learning and mental health, including:

- IEP counseling services and Wayne Behavioral Health Counseling.
- Restorative practices.
- Transition services through our Child and Youth Single Point of Access Coordinator.
- The Steady Work program.
- Youth Mental Health First Aid.

Tutoring

Any student in grades 7-12 who is suspended for more than five days can participate in tutoring through Cougar OPS.

We offer three 3-hour, in-person sessions per day.

Session 1-7:30-10:30

Session 2-11:20-2:20

Session 3-12:10-3:10

Students enrolled in our program receive breakfast and/or lunch. They also receive support from the social worker and two tutors, who provide current assignments and are trained in restorative practices.

Academic support, transition services, and relationship restoration support a seamless transition back to the student's regular program.

Partner with Us

We welcome suspended students from area districts to enroll in our program.

If you are interested in partnering with us, complete the Tutoring Registration Form on our web site.

We do not accept students into our program who are suspended for or have a history of significant violence, threats, weapons, or sexual misconduct.

Communication is key. We require a contact person who will communicate with our tutors, help coordinate the transport of hard-copy materials needed for instruction and serve as a liaison between our program and your school.

If you have further questions, please contact Mark Mathews using the information in this brochure.
