Kindergarten student online registration forms will be available beginning (May 7, 2024). HEB ISD Registration

You will be asked to upload the following:

- Valid proof of residency (current gas water or electric bill or signed lease agreement - any form of residency must include the parent/guardian name and HEB ISD address)
- Student birth certificate
- Parent/legal guardian government issued photo identification
- Student immunization record Required Immunizations
- Student Social Security card (if available)

Missing items will delay the registration process for your student.

To complete registration, the campus will contact the guardian to schedule a time for them to present the original/certified birth certificate for the student and provide any of the above documents that were not uploaded.

Kindergarten Report Card and Reading 3D Inform

- Students in Kindergarten participate in the Reading 3D assessment which measures their literacy skills, including phonics and comprehension. This is a one-on-one assessment that gives teachers and families data to better support our young learners.
- Report cards in Kindergarten are skills-based. Students receive a 1, 2, or 3 on learning objectives in content areas, social skills, and work habits. Students who earn 2.5 or better in reading and math are promoted to Grade 1.
Home School Connection

- We strive for a partnership with all families. Your support of your child’s education greatly impacts his/her progress. Reading with your child every night is a great way to grow your young learner.
- Families and the school communicate through multiple means, including emails, newsletters, notes home, and through our MOOSE planner.
- We ask that families check the MOOSE planner each night for information from your child’s teacher.
The Nurse is a resource to help with the following:

- Provide first response medical assistance.
- Routine health checks as mandated by the state.
- Administer doctor prescribed medication with official medical paperwork on file. Documents located on our [Health Services Forms webpage](https://www.hebisd.edu/HealthServicesForms)
- Included in online registration is a health inventory. Please fill it out carefully and fully so the campus can support your child’s health needs.

A Day in the Life of a Kindergarten Student

Some things your child can expect:

- Language Arts and Reading class
- STRIPE - Reading Intervention Time
- Math class
- Science and Social Studies class
- Lunch/Recess
- Music, Art, and PE class
Breakfast and Lunch at School

Eating at school is an exciting time for a Kindergarten student. Here are some skills to have your child practice before school begins.

- Opening items such as lunch boxes, baggies, plastic containers, and straw packets independently
- Eating a meal in a 30 minute time period, while talking with others
- Making choices about what food will be eaten first

Discuss not sharing food with friends and how to clean up the eating area.

Breakfast and lunch can be purchased at school or students can bring food from home. Apply online this summer for free and reduced meal benefits.
Extended Day Academy (EDA)

- EDA is on each of the 21 elementary campuses.
- EDA provides the children with a safe and fun environment from 3:00 p.m. to 6:00 p.m. on each regular school day.
- EDA provides time to work on homework assignments, participate in computer activities, craft activities, science experiments, along with physical activities both in the gymnasium and on the outdoor playground.
- EDA has one site manager, and the number of workers that will maintain a 15 to 1 ratio with the students.
- A $25.00 non-refundable registration fee is due at the time of registration.
- Monthly tuition is $200.00 a month per child.
- First month's tuition is due by the first day of student attendance. Tuition for all other months is due on the 1st of each month.
- To register go to the HEB ISD Website, under Extended Day Academy.
We can’t wait to see you!
