Spotlight on 2023 HHS Ex Students Jack Neal Scholarship Winner...

Jennifer Salvador

The HHS Ex Students Association is very proud to introduce to you our 2023 Memorial Jack Neal Scholarship recipient...Miss Jennifer Salvador. She is nearing the completion of her first year at Hill College, and so we thought that we would check in on her and see how college life is treating her. Here's her message:

"My experience at Hill College has been great so far! Spring semester is far more stressful than the fall semester. After this spring semester I will have completed my first year of college.

All of my professors have been great at teaching. My advisor has helped me a lot

along the way as well as other mentors that I have met like Rocio. She has been extremely helpful! Everyone is willing to help you out as long as you speak up and ask.

Going to Hill College means I get to stay close to home and that's what I like the most. I can't wait to see how my summer semester will be! And with the help of HHS Ex Students Association, I have been able to continue my studies here at Hill College."

And that is what GIVING BACK is all about, folks! Your contributions to the HHS Ex Students Association Scholarship funds make great adventures happen for young adults like Jennifer. And with your continued support, we can provide more opportunities for future HHS graduates.

Want to help out? Send your donation to HHS Ex Students Association, PO Box 612, Hillsboro, TX 76645.
