INFORMATION TO BIDDERS

SPED HOME TO SCHOOL
TRANSPORTATION SERVICES
BID NO. TRA-097-05-24-658

It is extremely important that all bidders READ and ADHERE to the terms and conditions, instructions, requirements, specifications and all bid documents included herein. Failure to do so may disqualify your bid.

WHERE TO OBTAIN A COPY OF THE BID

Prospective bidders may secure bid documents from the Oak Grove School District website <https://www.ogsd.net/departments/business/purchasingwarehouse> or by emailing the Oak Grove School District Purchasing Department @ purchasing@ogsd.net

INSPECTION OF BID DOCUMENTS

Each bidder receiving forms prepared by the District is responsible for inspection of the District documents for missing or illegible pages, including addenda or other indication of incomplete information provided to the Bidder.

The failure or neglect of any Bidder to receive or examine any bid documents, addendum, or other documents shall in no way relieve any Bidder from obligations with respect to his or her bid. The submission of the bid shall be taken as prima facie evidence of compliance with this section.

BID FORM

The District Bid Form included in this bid must be used for submission of the Bid. The Bid must be type written or in ink. Numbers must be stated in U.S. currency figures. The Bid Form signature page must be signed in ink and included with your bid submission.

SIGNATURE

A person duly authorized to bond the Bidder to the bid must sign the bid. By signing, the authorized person is agreeing to all the bid terms, conditions, instructions, specifications and requirements of this bid document, including all amendments and attachments.

TIME FOR OPENING

Bids and all required documents must be submitted to the Purchasing Department, 6578 Santa Teresa Blvd., San Jose, CA 95119 no later than 2:00 PM on Friday, June 07th. Bids received in the first minute of the two o'clock hour will be deemed late and not accepted. The District will not be responsible for late deliveries by U.S. mail or any other means.

All questions regarding bid, the terms and conditions shall be submitted via email to purchasing@ogsd.net no later than Friday, May 31, 2024 @ 3:00 p.m. All answers will be sent via email to all bidders no later than 4:00 p.m., Wednesday, June 05, 2024.

MODIFICATIONS

Changes in or additions to the bid form, recapitulations of the work bid upon, alternative proposals, or any other modifications of the bid form which is not specifically called for in the contract documents may result in the District's rejection of the bid as not being responsive to the invitation to bid.

ERASURES

The bid submitted must not contain any erasures, or correction unless each such correction is suitably authenticated by affixing in the margin adjacent to the correction surname or surnames of the person or persons signing the bid. In the case of an error in an extension, the unit price upon which the extension is based shall take precedence.

EXAMINATION OF CONTRACT DOCUMENTS

The failure or omission of any bidder to receive or examine any contract document, form, instrument, addendum, or other document or to visit the site and acquaint himself with the conditions there existing shall in no way relieve any bidder from any obligation with respect to his bid or contract. The submission of a bid shall be taken as prima facie evidence of compliance with this section.

WITHDRAWAL OF BIDS

Any bidder may withdraw his bid either personally, by written request, or by telephonic request confirmed in the manner specified above any time prior to the scheduled closing time for receipt of bids. Thereafter, all bids received shall become the property of the District.

BID SECURITIES, PERFORMANCE BONDS, PAYMENT BONDS

No bonds are required for this contract. If any other bonds or guarantees are required by the District of the bidders or the successful bidders, those bonds or guarantees are so stated in the Specifications of these bid documents.

INTERPRETATION OF DOCUMENTS

If any person contemplating submitting a bid for the proposed project is in doubt as to the true meaning of any part of the drawing, specifications or other contract documents, or finds discrepancies in, or omissions from the drawings, specifications, or documents, he may submit a to the District a written request for an interpretation or correction thereof. The person submitting the request will be responsible for its delivery. Any interpretation or correction of the contract documents will be made only by addendum duly issued and a copy of such addendum will be mailed or delivered to each person receiving a set of the contract documents.

BIDDERS INTERESTED IN MORE THAN ONE BID

No person, firm or corporation shall be allowed to make, or file, or be interested in more than one bid for the same work unless alternate bids are specifically called for. A person, firm or corporation that has submitted a sub-proposal to a bidder, or that has quoted prices of materials to a bidder, is not thereby disqualified from submitting a proposal or quoting prices to other bidders or make a prime proposal.

WAIVER OF IRREGULARITIES OR INFORMALITIES

The District reserves the right to reject any or all bids, or to waive any irregularities or informalities in any bids, or in the bidding.

AWARD OF CONTRACT

The District intends to award contracts to the responsive and responsible bidder(s) for the services described.

PAYMENT FOR SERVICES

On or about the first (1st) business day of each month, the Bidder shall submit invoices, in the form and number required by the District, for all services under this contract. Subject to acceptance and approval by the District, payment for such services will be made within thirty (30) days of billing.

TERMINATION OF CONTRACT

If the Bidder, at any time during the period of this contract, fails to perform satisfactorily, or to furnish safe and adequate equipment or personnel, or otherwise fails to comply with its terms, the District may, upon thirty (30) days written notice, cancel the contract in its entirety or in part, and may procure services elsewhere.

EVIDENCE OF RESPONSIBILITY

Upon the request of the District, a bidder whose bid is under consideration for the award of the contract shall submit promptly to the District's satisfactory evidence showing the bidder's financial resources, his experience in the field, and his organization or other factors contributing to the successful execution and completion of the contract.

FORFEITURE FOR FAILURE TO EXECUTE CONTRACT

In the event the bidder to whom an award is made fails or refuses to execute the contract within five (5) calendar days from the date receiving notification that he is the bidder to whom the contract is awarded, the District may declare bidder's bid deposit or bond forfeited as damages caused by the failure of the bidder to enter the contract and may award the work to the next lowest bidder, or may call for new bids.

ANTI-DISCRIMINATION

It is the policy of the District that in connection with all work performed, materials purchased or supplies provided under any contracts, there be no discrimination against any prospective or active employees engaged in the work because of race, color, ancestry, national origin, religious creed, sex, age, or marital status. The supplier agrees to comply with applicable Federal and California laws including, but not limited to, the California Fair Employment Practice Act, beginning with Labor Code section 1410 and Labor Code 1735. In addition, the supplier agrees to require like compliance by any sub-suppliers employed on the work by him.

ADDENDA

Addenda or changes to the project specifications, if necessary, will be issued by the District prior to bid opening and any addenda so issued must be included in the bidder's proposal submitted against the project.

COMMENCEMENT OF WORK

Work on the property may not begin without the District having received the required bonds, certificates of insurance, signed agreement and purchase order acknowledgment.

REFERENCES AND BID SUBMISSION

All submittals shall include client references. Failure to provide three (3) successful references shall be considered to be non-responsive to this specification. All references shall reflect installations that have been successfully completed with K-8 educational institutions, and preferably for systems of the same type and size as bid, and in the local geographical area (within 100 miles). References shall include:

- Customer names, contract and title
- Address and telephone number
- Project and date completed

EVALUATION PROCESS
 SPED HOME TO SCHOOL
 TRANSPORTATION SERVICES
 BID NO. TRA-097-05-24-658

Selection of the successful proposal shall be generally based on the information provided by the Contractor in response to the Request for Proposals and any subsequent interview that may be conducted. The process for selection shall occur in the following sequence:

1. Review and acceptance/rejection decision of proposals
2. Interviews (interviews will be held purely at the District’s discretion)
3. Identification of best qualified firm
4. Award of contract

Evaluation Criteria

Selection of qualified Contractors will be based on the following criteria:

- Quality and completeness of submitted proposal
- Understanding of project objectives
- Project approach
- Experience and expertise with school districts
- References
- Pricing

Award will be made to the Contractor offering the most advantageous proposal after consideration of the evaluation criteria set forth below. The District is not obligated to accept the lowest priced proposal, but will make an award that is in the best interest of the District after all factors have been evaluated.

Criteria	Weight	Score	Weighted Score
Quality and completeness of submitted proposal	15		
Understanding of project objectives	15		
Project approach	15		
Experience and expertise with school districts	20		
References	15		
Pricing Overview	20		

The above weights show the relative importance of individual criteria.

Proposals Evaluation and Award Process

Preliminary Evaluation: The proposals will first be reviewed to verify if the mandatory requirements of this RFP have been met. Proposal Scoring: Accepted proposals will be reviewed and scored against the stated criteria. The evaluation process will also include a review of the references and a detailed analysis of all the information contained in the proposals.

Compliance With or Deviation from Specifications

Contractor agrees that the services offered will meet all the requirements of the specifications in this solicitation unless deviations from them are clearly indicated in the Contractor's response. Contractor may submit an attachment with their proposal indicating deviations and/or exceptions. An explanation must be made for each item in which an exception is taken, giving in detail the extent of the exception and the reason for which it is taken.

SPECIFICATIONS
SPED HOME TO SCHOOL
TRANSPORTATION SERVICES
BID NO. TRA-097-05-24-658

Introduction & Scope

The Oak Grove School District serves the communities of South San Jose. The District has three comprehensive junior high schools, and sixteen elementary schools serving over 8,600 students.

The District seeks a supplemental transportation Contractor to provide transportation services district wide and out of district, as deemed necessary by the District. The District requires that the Contractor provide the management expertise, the necessary regular and standby drivers, vehicle mechanics, and driver training and safety personnel and all vehicles and special needs equipment. The Contractor shall be responsible for all costs associated with the operation of their vehicles. The District wants qualified bidders to provide transportation in 7 or fewer capacity vehicles. There will be approximately 3-5 routes daily and the district would like to have 5 vehicles ready when needed as backup. **The contractors start date will be September 16th 2022.**

Contractors responding to the Request for Proposal are advised that if successful bid is assigned to them, the District has the right to withdraw from any subsequent contract with written notice of 30 days for sub-standard performance.

Scope of Work / Expectations

Contractor is responsible for furnishing all transportation vehicles, equipment, labor, and safety devices to provide specialized transportation services, and completely supervise and direct the work specified in this bid. The Contractor agrees that he is fully responsible for the acts and omissions of his subcontractors and of all persons employed by the Contractor.

Contractor will take all precautions necessary to protect health, life, and property.

Contractor to provide passenger direct rides and shared rides (riders with different destinations may be picked up and/or dropped off along the way of other rider's destinations).

Contractor to provide transportation services between the hours of 5:45 a.m. – 6:00 p.m. (or until services are complete for the day), Monday through Friday.

Contractor to provide transportation services within the District and/or outside the District with other School Districts.

Contractor to provide a reservation and scheduling service that can take calls or messages 24 hours a day, 7 days a week.

On an emergency basis, at a minimum, Contractor must provide a fleet of vehicles comprehensive enough to provide service to all riders within a 30-minute pick-up window from the requested time of service. This means the vehicle will pick-up a rider at any time within the 30-minute pick-up window.

Contractor to provide at a minimum, service that goes from rider's pickup location to his or her destination point.

Contractor to accept cancellations from District's route scheduler and/or student's parent/guardian.

Contractor to provide immediate notification of any and all accidents when a District student is on board by contacting District Transportation Department.

All Contractor vehicles must possess the applicable class of driving permit in each vehicle.

Contractor will allow a Personal Care Attendant (PCA) to ride with the District's eligible passenger.

Per ADA requirements, Contractor will allow a passenger to bring a guide dog or other acceptable service animal that has been trained to help the passenger with their functional limitations.

Contractor will allow a passenger to bring a respirator, portable oxygen (attached to the rider's wheelchair if available), or other life support equipment as long as it does not violate laws or rules related to the transportation of hazardous materials. The equipment must be small enough to fit in the vehicle and be managed by the rider.

Contractor's vehicles must be fitted with GPS tracking. Upon request, tracking reports must be promptly provided to the District.

The Contractor must contact the parent / guardian of the student to introduce the driver and establish a pick-up and drop-off schedule.

The Contractor will provide a consistent driver for each student.

SUPPLEMENTAL SPECIFICATIONS

SPED HOME TO SCHOOL
TRANSPORTATION SERVICES
BID NO. TRA-097-05-24-658

Program Description

This program provides to and from school, routed, scheduled specialized transportation services to special education students with or without physical disabilities. The transportation services needed may be within the District and/or outside the District boundaries.

Contractor Experience

Bids shall be accepted only from Contractors with at least five (5) years of experience providing pupil transportation for school districts with similar size, transportation operations and with demonstrated ability in starting up operations of this scope.

Term

The period of performance under this Contract will be from date of award through June 30, 2025. The term of this agreement may be extended by four (4) additional one (1) year increments, which the District may exercise at its sole discretion. Request for price increase/decrease must be negotiated sixty (60) days before Contract renewal date.

Service Description

Transportation services include both fixed-route and on-call service, and in some cases may need to be provided per the requirements outlined in the Americans with Disabilities Act (ADA). Trips may be one way or round trip. Service coverage hours are from approximately 5:45 a.m. through approximately 6:00 p.m., or whenever last trip is to be served.

The basic service policy is curb-to-curb. This type of service requires the rider to be at the curb in front of their home address within five (5) minutes of the pickup time.

Ride Arrangements

The District Transportation Department is responsible for making trip reservations and arrangements. At no time will the Contractor transport a student of the District without receiving direction from the District to do so. The District will not pay for transportation not authorized by the District. The Contractor will not transport a passenger(s) who has not been authorized by the District while a student(s) of the District is on board the vehicle.

Service Scheduling

Scheduling requirements are defined by the District's Transportation Department. The Contractor must comply with daily routing and scheduling needs. The District may request, as necessary, changes to routing, pick-up and drop-off times to accommodate routing efficiencies and reduce costs. The District may request transportation services verbally or in writing. Verbal orders must be acknowledged by the Contractor within five (5) calendar days from the date of the order on the Contractor's standard order confirmation form.

Execution of Routes

The District shall provide the Contractor with information pertinent to transportation of students. Said information shall include the students requiring transportation and their respective addresses, pickup/drop-off locations, school name, bell times and special equipment needed (i.e. car seats, safety vests/harnesses and wheel chairs) and Student Aid details (if applicable). Additionally, the District will provide details regarding District Specific Requirements and the addresses for each school in the District for which transportation services will apply.

The Contractor shall ensure that all vehicles assigned for student pickup shall arrive at the pick-up location on-time; Contractor to define methodology for verification of in time performance and monitoring overall trip performance. If the student is not ready for pick-up at the scheduled pick-up time, the Contractor is to wait two (2) minutes past the regular scheduled pick up time. If the student(s) are still not ready, the Contractor is to designate the pick-up as a no-show and go to the next location. The Contractor is to detail the current no- show procedure. If the District or a parent has called the Contractor at least twenty-four (24) hours before pick-up time to cancel the ride, the Contractor is to designate it as a cancellation.

If, when returning a student to home, the parent(s) or other previously arranged responsible party is not available to receive the student, the Contractor shall attempt to contact the parent(s) by phone for instructions. If the parent is unreachable or unavailable, or if the parent instructs the Contractor to take actions that the Contractor finds objectionable, the Contractor shall contact the District for instructions. If the Contractor is directed to return the student to school, or if the Contractor is unable to reach either the parent(s) or the District, the Contractor shall attempt to return the student to a District employee at the student's school after returning all other students on the route to their homes. If no District employee is available at the school, and the Contractor is still unable to reach the parent(s) or the District, the Contractor shall deliver the student to the nearest office of law enforcement and inform the District as to the location where the student was dropped off. The District will compensate the Contractor for the extra miles incurred as a result at the per mile rate indicated in the Contractor's proposed pricing formula.

All students will require seat belts as well as age appropriate child restraint equipment such as booster and/or car seats (when designated by the District) for van transportation.

Performance Standards

- The maximum amount of travel time for each passenger is 80 minutes per one-way trip. Any variation from this standard, except in emergencies, must be approved by the District's Transportation Department prior to provision of the service.
- Schedule adherence is defined as 95% of passengers picked up and dropped within 2 minutes, and 100% within 5 minutes of scheduled pick- up and drop-off time.
- Wheelchair passengers shall be properly secured according to the current code of Federal Regulations, and passenger safety standards.

- Professionalism and courtesy of Contractor's drivers, along with an adequate level of comfort and safety of the vehicles used, will be continuously monitored with our end users to ensure standards are maintained.
- Contractor's vehicles must be equipped with Global Positional System (GPS) tracking, and upon request, Contractor must provide to the District fleet tracking reports, including but not limited to activity detail reports, landmark reports, and efficiency reports.

Drivers

- The Contractor, and if applicable, his subcontractors will recruit, hire, train, and supervise the drivers who are to provide this service. The drivers will be employees or agents of the Contractor or his subcontractors, not employees of the District, and will not act as, or represent themselves as, employees or agents of the District.
- The Contractor, and if applicable, his subcontractors are responsible for paying drivers' wages and benefits. All wages will be in compliance with California's State's minimum wages.
- The Contractor is responsible for the accuracy of his or subcontractors' vouchers, billings, logs, or invoices produced by drivers pursuant to this Contract.
- Drivers engaged for this service will be required to possess a valid driver's license applicable to the type of vehicle driven.
- The Contractor and his subcontractors shall be responsible for monitoring drivers' licenses, permits, and criminal background checks to ensure that all drivers providing services to the District under this Contract are in full compliance with Federal, State, County, and Municipal requirements.
- The Contractor agrees to comply with all California State Department of Transportation drug and alcohol testing requirements applicable to any drivers providing service to the District under this Contract. Cost of compliance with said requirements are the responsibility of the Contractor.
- The Contractor and/or his subcontractors, if any, must provide training for each driver providing service under this Contract.
- The Contractor shall notify District's Transportation Department immediately if the Contractor and any subcontractors are served with a notice of violation of any law, regulation, permit or license which relates to this Contract.
- The Contractor is to ensure that these requirements are clearly communicated and agreed to with subcontractors.

Vehicles

- The Contractor shall have access to a sufficient number, capacity, and type of vehicles (cars, vans, minibus, etc.), to ensure meeting the District requirements for each day.
- Replacement vehicles must be provided within a reasonable period of time of the scheduled pick-up or drop-off time. The Contractor must have access to a sufficient

number of back-up vehicles that can provide uninterrupted service in the event that vehicles are out of commission due to maintenance issues or vehicle breakdowns.

- Every vehicle must have an operating heating / air conditioning system as required.
- Every driver / vehicle must have an operating two-way radio or cellular phone for providing two-way communication with the base dispatch center. Contractor's, or if applicable, subcontractor's dispatch center shall have communication equipment capable of immediate communication with all drivers / vehicles in service at all times.
- The Contractor and his subcontractors will maintain the vehicles in good working order through a program of prompt repair and routine maintenance, and keep the vehicles clean through a continuous cleaning program.
- The Contractor and his subcontractors shall maintain accurate vehicle maintenance records.
- The District reserves the right to inspect vehicles utilized by the Contractor or his subcontractors for this service, and to require the removal from service of any vehicle not in compliance with the standards set forth herein.

Reporting

- The Contractor shall report immediately to the District's Transportation Department all accidents; all passenger injuries; all police contact; any occasion in which a scheduled passenger cannot be found for a return trip; any medical problems occurring en route which require emergency medical attention; all illegal activity; all inappropriate behavior; or any other problem or event which affects or could affect the physical and emotional well-being of a passenger. A copy of the incidence report(s) shall be provided to the District when requested.
- The Contractor shall immediately report in writing to the District's Transportation Department, any passenger loading problems, repeated passenger lateness, failure to show up, or other problems which affect the quality of service for other riders, or increase the cost of the service.
- The Contractor shall promptly provide to the District's Transportation Department all vehicle and passenger data reports requested, including but not limited to; number of service days, number of service hours, number of hours, miles, and passengers per day per route.

Hold Harmless

Contractor agrees to and does hereby indemnify, hold harmless and defend the District and its officers, agents and employees from every claim or demand made and every liability, loss, damage or expense, of any nature whatsoever, which may be incurred by reason of:

- (a) Liability for damages for: (1) death or bodily injury to person; (2) injury to, loss or theft of property; or (3) any other loss, damage or expense arising out of (1) or (2) above, sustained by the Contractor or any person, firm or corporation employed by the Contractor, either directly or by independent contract, upon or in connection with the services called for in

this Agreement, however caused, except for liability for damages referred to above which result from the sole negligence or willful misconduct of the District or its officers, employees or agents.

(b) Any injury to or death of any person, including the District or its officers, agents and employees, or damage to or loss of any property caused by any act, neglect, default, or omission of the contractor, or any person, firm or corporation employed by the Contractor, either directly or by independent contract, arising out of, or in any way connected with, the services covered by this Agreement, whether said injury or damage occurs either on or off District's property, except for liability for damages which result from the sole negligence or willful misconduct of the District or its officers, employees or agents.

(c) Any liability for damages which may arise from the furnishing or use of any copyrighted or un-copyrighted matter or patented or unpatented invention under this Agreement.

General Liability Insurance

Contractor must carry a commercial general liability insurance policy with limits of **Two Million Dollars (\$2,000,000)** per occurrence for bodily injury and property damage which may arise out of this Agreement in a form mutually acceptable to both parties to protect Contractor and District against liability or claims of liability to be in effect during the term of the contract. If a form with a general aggregate limit is used, either the general aggregate limit shall apply separately to the District, or the general aggregate shall be twice the occurrence.

\$1,000,000.00 minimum limit per occurrence covering Sexual Molestation and Abuse Liability

Contractor agrees to name District and its officers, agents, employees and representatives as additional insured under said policy and to provide an endorsement to this policy evidencing such. **Insurance shall be written by California Admitted Insurers.**

In addition, Contractor agrees to provide an endorsement to this policy stating, "Such insurance as is afforded by this policy shall be primary, and any insurance carried by District shall be excess and noncontributory."

Automobile Insurance

Contractor will also provide automobile liability insurance with limits of **Five (5) Million Dollars (\$5,000,000)** per occurrence combined single limit for bodily injury and property damage. If an annual aggregate limit is used, either the aggregate limit shall apply separately to the District, or the aggregate shall be twice the occurrence limit or **Ten (10) Million Dollars (\$10,000,000)**. **Insurance shall be written by California Admitted Insurers.**

All policy periods shall be continuous through the term of the agreement and shall be valid and non-restrictive for interstate travel.

If awarded a contract, Contractor(s) shall provide District with certificates of insurance evidencing all coverage's and endorsements required hereunder, including a thirty (30)

day written notice of cancellation or reduction in coverage within ten (10) days of award notification.

Workers' Compensation Insurance

The contractor shall provide, during the life of this contract, Worker's Compensation insurance for all employees hired by the contractor and engaged in work under this contract, on or at the site of the project, and, in case any of the work is sublet, the contractor shall require the subcontractor similarly to provide Worker's Compensation Insurance for all the latter's employees. Any class of employees not covered by a subcontractor's insurance shall be covered by the contractor's insurance. In case any class of employees engaged in work under this contract, on or at the site of the project, is not protected under Worker's Compensation Statute, the contractor shall provide or shall cause subcontractor to provide, adequate insurance coverage for the protection of such employees not otherwise protected. The contractor shall file with the District, certificates of insurance protecting workers. Such insurance shall have a minimum combined single coverage of **One (1) Million Dollars (\$1,000,000)**. Insurance shall be written by California Admitted Insurers.

Fingerprint Requirements

The District has determined under Education Code section 45125.1 Subdivision (C) that in performing services pursuant to this Agreement, Contractor's employees may have contact with pupils. As required under Education Code Section 45125.1 , subdivision (A) Contractor shall require their employees who will provide services pursuant to the Agreement to submit their fingerprints in a manner authorized by the Department of Justice together with a fee determined by the Department of Justice together in order to conduct a criminal background check to determine whether such employees have been convicted of or have charges pending for a felony as defined under Education Code Section 45122.1.

Contractor shall not permit any employee to perform services that may come in Contact with pupils under this agreement until the Department of Justice has determined that the employee has not been convicted of a felony or has no criminal charges pending for a felony as defined in Section 45122.1.

Contractor shall defend, indemnify, protect and hold the District and its agents, officers and employees harmless from and against any and all claims asserted or liability established for damages or injuries to any person or property which arise from or are connected with or are caused or claimed to be caused by Contractor's failure to comply with all of the requirements contained in Education Code section 45122.1, including but not limited to, the requirement prohibiting Contractor from using employees who may have contact with pupils who have been convicted or have charges pending for a felony as defined in Education Code section 45122.1.

Fingerprints will not have to be redone for School Bus or (SPAB) drivers as fingerprints have been submitted through DMV. Contractor shall still have to certify in writing that all

employees who may come in contact with pupils have not been convicted of or have no criminal charges pending for a felony, as defined in Education Code Section 45122.1.

Contractor Refusal to Provide Service

Any contractor awarded a contract in accordance with the terms and conditions herein that refuses more than five percent (5%) of the jobs offered in any given month, will be considered to be out of compliance with the contract and may be put on notice and found in breach, and if not rectified immediately may subsequently be relieved of their contract with the District or be charged the difference between their bid price and the price actually paid by the District for the refused trip.

Fleet Roster

The Bidder shall provide a fleet roster of proposed vehicles, listing make, model seating capacity, air-conditioning, year of manufacture and fleet ID. Vendor may utilize the attached form or provide own fleet roster.

Attendants/Aides

The District may have a need to require that an attendant accommodate a student or students. In some cases, the awarded contractor may be required to provide the aide/attendant. The cost will be a responsibility of the District, and the District will decide if the contractor or District will provide the aide/attendant on a per case and availability basis. Attendants must always meet the approval of the District.

COVID-19 - Health & Safety Protocols.

Required COVID-19 mitigation strategies will be defined by the County of Santa Clara Public Health Department, California Department of Public Health and stipulated in the District COVID-19 Safety Plan. Health screening prior to assuming work responsibilities is required to decrease risk of transmission. Regulations regarding masks and social distance shall be followed as directed by the County of Santa Clara Public Health Department and California Department of Public Health. Screening and social distancing protocols and procedures to adhere to the District Health & Safety Plan and or the recommendations/guidelines as set forth by the County of Santa Clara Public Health Department and California Department of Public Health, i.e. temperature taking, social distancing, etc. Checking temperatures prior to entry of transportation may be a request of the District. If temperature checks are required per County of Santa Clara Public Health Department and California Public Health Department thermometers will then be provided by the District to each Contractor's drivers. Social Distancing measures shall be put into place per County of Santa Clara Public Health Department and California Public Health Department. **CERTIFICATE
REGARDING DRUG-FREE WORKPLACE
SPED HOME TO SCHOOL
TRANSPORTATION SERVICES
BID NO. TRA-097-05-24-658**

This Drug-Free Workplace Certification form is required from all successful bidders pursuant to the requirements mandated by Government Code 8350 et. seq., the Drug-Free Workplace Act of 1990. The Drug-Free Workplace Act of 1990 requires that every person or organization awarded a contract/agreement or grant for the procurement of any property or service from any state agency must certify that it will provide a drug-free workplace by performing certain specified acts. In addition, the Act provides that each contract/agreement or grant awarded by a state agency may be subject to suspension of payments or termination of the contract/agreement or grant, and the CONTRACTOR or grantee may be subject to debarment from future contracting, if the contracting agency determines that specified acts have occurred.

Pursuant to Government Code 8355, every person or organization awarded a contract/agreement or grant from a state agency shall certify that it will provide a drug-free workplace by doing all of the following:

- a) Publishing a statement, notifying employees that the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited in the person’s or organization’s workplace, and specifying actions which will be taken against employees for violations of the prohibition;
- b) Establishing a drug-free awareness program to inform employees about all of the following:
 - 1) The dangers of drug abuse in the workplace;
 - 2) The person’s or organization’s policy of maintaining a drug-free workplace;
 - 3) The availability of drug counseling, rehabilitation and employee-assistance programs; and
 - 4) The penalties that may be imposed upon employees for drug abuse violations;
- c) Requiring that each employee engaged in the performance of the contract/agreement or grant be given a copy of the statement required by subdivision (a) and that, as a condition of employment on the contract/agreement or grant, the employee agrees to abide by the terms of the statement.

I, the undersigned, agree to fulfill the terms and requirements of Government Code 8355 listed above and will (a) publish a statement notifying employees concerning the prohibition of controlled substance at the workplace, (b) establish a drug-free awareness program, and (c) require each employee engaged in the performance of the agreement be given a copy of the statement required by 8355(a) and require such employee agree to abide by the terms of that statement.

I also understand that if the DISTRICT determines that I have either (a) made a false certification herein, or (b) violated this certification by failing to carry out the requirements of Government Code 8355, that the contract/agreement awarded herein is subject to termination, suspension of payments, or both. I further understand that, should I violate the terms of the Drug-Free Workplace Act of 1990, I may be subject to debarment in accordance with the requirements of Government Code 8350 et. seq.

I acknowledge that I am aware of the provisions of Government Code 8350 et. seq. and hereby certify that I will adhere to the requirements of the Drug-Free Workplace Act of 1990.

AFFIDAVIT OF COMPLIANCE WITH EDUCATION CODE 45125.1

Education Code 45125.1 in relevant part provides:

- A. If the employees of an entity which has a contract with the school district have more than limited contact with students as defined by the school district, those employees must have their fingerprints submitted to the Department of Justice.
- B. The Department of Justice shall determine whether the individuals have been arrested or convicted of a crime and notify the employer of criminal history.
- C. An entity with a school district contract shall not permit an employee to come in contact with pupils until the Department of Justice ascertains that the employee has not been convicted of a felony as defined in Education Code 45122.1.
- D. The entity must certify that none of its employees who may come in contact with pupils have been convicted of a felony as defined in Education Code 45125.1.
- E. The entity must provide a list of names of employees who may come in contact with pupils.

More than limited contact as defined by Oak Grove School District:

In determining that a contract employee has more than limited contact with pupils, the District considers the following circumstances:

- A. The Contractor will be on school grounds for more than a limited length of time, or on numerous occasions.
- B. Pupils will be in proximity to the site where the Contractor will be working.
- C. The Contractor will be working by themselves, without other school employee's supervision.

Please check one:

- I certify that my employees or I **will not** have more than limited contact with pupils during terms of the Agreement.
- I certify that my employees or I **will** have more than limited contact with pupils during terms of the Agreement and that:
 - A. Each employee who may have contact with pupils has been fingerprinted;
 - B. The Department of Justice has provided a report on the criminal background of each employee;
 - C. No employee who may come in contact with pupils has been convicted of a crime as defined in Education Code 45122.1;
 - D. Attached is a list of the names of each employee who may come in contact with pupils;

Any changes to the above information will be forwarded to the District immediately.

COVID-19 VACCINATION/TESTING STATUS CERTIFICATION

SPED HOME SCHOOL
TRANSPORTATION SERVICES
BID NO. TRA-097-05-24-658

Contractor: _____

The California Department of Public Health ("CDPH") requires, pursuant to its August 11, 2021, Order ("Order"), that all public and private schools serving students in transitional kindergarten through grade twelve must verify the vaccine status of all TK-12 school workers, effective October 15, 2021. Further, pursuant to the Order, Oak Grove School District ("District") is required to verify that all workers are either fully vaccinated or undergo weekly diagnostic testing. This Order applies to Contractor and to Contractor's employees/contractors, whether paid or unpaid, providing services to District under the Agreement ("Contractor's Personnel").

In light of these CDPH requirements, Contractor certifies that it has verified that Contractor's Personnel as of the date hereof:

- _____ Have all been fully vaccinated in accordance with the Order. Contractor's personnel have provided Contractor with proof of vaccination from a permissible source listed in the Order.
- _____ Have not all been fully vaccinated, but those who are unvaccinated or not fully vaccinated either (a) will not be providing services to District students or on District property or (b) will undergo weekly diagnostic testing in accordance with the CDPH Order.

The duty to verify vaccination status is an ongoing duty for the entire Term of the Agreement and as new employees are on boarded, unless and until the Order is rescinded, expires by its terms, or is replaced with other guidance. Contractor shall immediately notify District if any of Contractor's Personnel, whether vaccinated or not, test positive of COVID-19 and shall immediately remove such individual from their job duties or any contact with District students or property. Contractor shall at all times remain in compliance with all current District policies and procedures associated with COVID-19 safety.

Records of vaccination verification and testing results will be made available upon District's request or that of the County Health Officer for purposes of case investigation.

CERTIFICATION

I am a duly authorized representative of the Contractor and I am familiar with the facts herein certified, and am authorized and qualified to execute this certificate on behalf of Contractor.
