

Early Graduation Application

The following items need to be completed **on or before February 1st**. Please note: You should be aware that not all colleges or universities will extend financial aid if you elect to graduate early.

1. Meet with your guidance counselor to have your credit status reviewed. Obtain a letter from your counselor verifying your credit status and desire for early graduation.
2. A letter from your parent(s)/guardian requesting early graduation.
3. A letter from you requesting early graduation and describing your future plans after graduation.

A copy of your transcripts and letters will be provided to administration for consideration.

We encourage all early graduation students to participate in the commencement ceremony held at the beginning of June. Please contact the Kaukauna High School Student Services office at 920-766-6113, ext. 5001 for graduation information.

Parent approval verification: We, the undersigned, agree with this early graduation request and have completed the above steps.
