

2022-2023 STUDENT PARKING PERMIT APPLICATION

Kaukauna High School authorizes students to drive motor vehicles to school and park on school grounds with the expectation that students will comply with established regulations as developed and administered by the school administration.

Students shall use only the designated parking facilities. This includes the lot in the main parking area. Any student who violates established motor vehicle regulations shall be disciplined accordingly.

Students will pay \$15.00 per year and present a valid Wisconsin Driver's License to receive a permit. The prorated fee for a permit is \$5.00 per trimester.

In being granted a permit the holder agrees to abide by the following regulations and assumes responsibility for any driver or occupant of the registered vehicle(s). Further, the holder releases the Board of Education from any liability for damage to the vehicle(s) due to accident, vandalism, theft, or the condition of the parking lot.
