**ELEMENTARY BAND AND CHOIR STUDENT PERFORMANCES**

# COMMUNITY PARTNERS

MAL hosted their 18th Annual Student Show! This exhibit showcases the work of students from the Milford School District from Kindergarten through Grade 12. The exhibit is open through May 17th, 2024. Come out and show your #bucpride!

MAL is committed to supporting arts education because a quality arts curriculum builds learning skills, increases academic performance, and provides opportunities to reward the skills of children who learn differently.

**MISPILLION ART LEAGUE**

# WE BELIEVE...

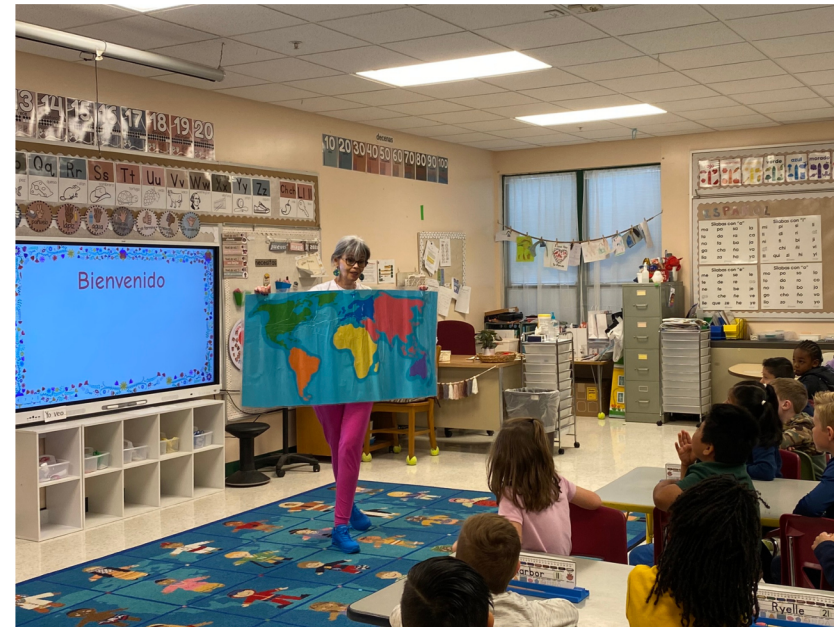

We believe the foundation of excellence is rooted in an academically rigorous curriculum, supportive instruction, and high expectations for each learner

Harvey Kenton, State Board of Education, visited Morris Early Childhood to read

We believe in ensuring that each student has equitable access to the appropriate resources and supports to thrive.

The Culture Club visited Kindergarten immersion classes for an immersion cultural experience.

We believe honoring each individual's identity, opinions, and dignity leads to a sense of belonging for each member of the school community.

MHS CTE students conduct campus wide clean-up on Earth Day.

We believe the district's partnerships with families and community are integral to the success of our students and community at large.

Milford City Council Members join students at Banneker as they learn about government.

We believe in the mindset that improvement is always possible and mistakes are learning opportunities.

Matt Bucher, MBOE VP, attends National School Board Association Conference for Public Education Leaders.

We believe the arts, extra-curricular, and co-curricular activities are integral components of a well-rounded education, fostering much personal growth.

Lulu Ross Odyssey of the Mind Team heads to the OoTM World Finals!
