

## Hollis School District Enrollment Committee

May 7, 2024 3:15 PM

### Meeting Minutes

#### Members in Attendance:

Anne Wake-DePasquale

Amy Kellner

Andrew Corey

Alana Cote

Julia Piskorski

Paula Izbicki

Mike Leavitt

Ellen Roos-Unger

Stephanie Sayer

Jen Govostes

3:15 - Anne Wake-Depasquale called meeting to order

- Introduced Jen Govostes, Fire Prevention/Inspector
  - Jen has been here throughout Andy's tenure.
  - She has provided a lot of support to make our buildings safer.

#### Jen Govostes Questions:

- How many rooms do you need?
  - Need Three Rooms - Prek, 1st, 3rd Grade
- Could 1st grade have classrooms downstairs?
  - If necessary, keep 1st grade by the ramp - (101, 102, 103)
  - Room 100 - Keep it the Teacher's Room
- Library Moved to Another Space?
  - Yes it would be. - Room 221 (next biggest room in the school)
  - Is room 221 big enough for enrichment activities? Yes - There is plenty of room in that space and will still be able to provide everything they do now.
  - If the Library becomes three rooms it will need another overhead speaker and room number assigned. Library has only 2 numbers assigned to the fire panel.
- What about Portables?
  - Portables 100,000 - renting is a smaller amount but still a large cost to the district.
- Projected Numbers Next Year:
  - K - 85
  - 1st - 90
  - 2nd - 98
  - 3rd - 101
- Andy - Any needs that are foreseen with these room changes - Paula to email Kelly and Andy to create a plan.

The committee has come to a decision about the fall and has moved it forward to the board.

## **Hollis School District Enrollment Committee**

**May 7, 2024 3:15 PM**

### **Meeting Minutes**

#### Future Planning Ideas:

- A secondary building built - could house more classrooms, specialist rooms, offices, etc.
- Need spaces for all teachers - ex: environmental science, computer etc.
- We need a gym.
  - Would provide extra room for afterschool programs.
  - More flexible lunch times and space for school events
- We own the land behind the school so we can build back and move the playground.
- Modular Construction

Invite Dave Ely, architect, to the next meeting to get more ideas.

4:30 - Meeting Concluded

Next Meeting at HPS June 4th 3:15-4:15

- Dave Ely to attend

-
