

## FREQUENTLY ASKED QUESTIONS

### **Physical Exam – *does my student need one?***

Illinois state law requires a current physical and proof of up to date immunizations for all students within one year prior to entering ninth grade. Physical exams must be on file prior to the first day of school.

All *new transfer* students, entering any grade, must have a current physical and provide proof of required immunizations within 30 calendar days, beginning with the first day of enrollment in the district.

### **Dental Exam – *does my student need one?***

**NEW!**- Implemented at the start of the 2019-2020 school year, Illinois school code will now require students entering ninth grade to have a dental examination before May 15th of their freshman school year. Freshman will need to submit proof of a dental exam by May 15, 2025. School dental examinations must have been completed within the 18 months prior to the May 15, 2025 deadline. A dental form can be downloaded from the Health Services page of our website. Child Dental Examination Requirement (HB 4908/PA 100-0829 Section 27-8.1)

### **Vision and Hearing Screening– *will all students be screened?***

Vision and hearing screenings will be conducted annually on all Special Education students. Any student that is referred by a teacher or parent/guardian or new to the district will also be tested. These screenings are not a substitute for a complete examination by a physician. If your student has had a vision and/or hearing exam at a physician's office within the past school year, and a report is on file at school, your child will not be required to undergo screenings. Parents and teachers will be notified if the student fails a screening. For further information or questions, please contact the school nurse.

## **PHYSICAL EDUCATION WAIVERS**

Physician's orders for a student to be exempt from gym due to an accident, illness, and/or health condition should be brought to the health office secretary. Please do not turn them into their PE teacher, coach, or counselor as this information should be maintained in the student's medical file.

ALL Doctor's note need to have a time frame of recovery/excuse time (beginning and ending date), as we have different types of waivers. Any modifications and restrictions should also be included. Once submitted, we will determine which waiver is best suited for your student. Please keep us updated with any changes.

## **MEDICAL RECORDS REQUEST**

Medical record requests for former students are made through the health office by completing the **Medical Records Request form** on our Leyden Home Page under "Health Services". All requests need to be signed by the student if 18 years old or older- requests by students less than 18 years of age require a parent signature. All requests must be accompanied by a driver's license or photo ID. *Records will be processed within three to five business days.*
