“ There are limited facilities in my son's dorm, he plays sports so often and only has 2-3 hours at most on Saturday or Sunday free, and that's when the demand for machines is at its highest. E&R is amazing for my busy son and gives him the time to focus on other things.”

“We can’t say enough great things about E&R Laundry. We’ve used their wonderful service for our daughter at Dartmouth and received excellent service every single week. As the washers and dryers broke in her dorm a few times she was so grateful that she had this laundry service. We would highly recommend.”
