Math Expressions: Accessing Online Resources & Homework by Lisa Donahue-White, Instructional Coach

After reading this article, "Mom/Dad, I forgot my math homework!" will no longer be a dilemma at your house. Math Expressions offers several online supports for students and families including: a copy of the student book, family support letters for each unit, the Homework and Remembering pages for each lesson, electronic tools for problem solving, a glossary, and practice games for students to play.

All you need to access these resources is **your child's student id number** and the school-wide **password: mustangs**. All 3rd -5th grade students have been shown how to do this at school. Have them teach you!!

1.	Go to the login page at https://www-k6.th	w-k6.thinkcentral.com/ePC/start.do			Welcome to THINK
	(or go to the Mitchell Website—Math Expressions resources)				
		F,		Country:	United States

Here is a link to a **video that shows you how to access the homework page** once you are in the student book : <u>http://screencast.com/t/kopXZrjgDI</u>

In the video you will be shown a menu & link where you can view a **parent letter** that explains the current concept, the **pages your child did in class**, a **glossary**, and a game called **Destination Math** that will reinforce the day's lesson electronically. See Lisa Polacsek or Lisa D.W. (or your child!) if you if you have questions!
